

WestSide High School Application Packet

Dear Potential WestSide Student,

Thank you for your interest in WestSide High School. We are excited about the possibility of helping you realize your educational dreams and full potential. Attached you will find a complete packet for application to our school. Please be sure to read it carefully and follow all the directions on the first page. It is important to complete the packet accurately; *incomplete applications will not be accepted.*

When you return your completed application packet you will be placed on our enrollment waiting list. *Turning in your completed application does not guarantee enrollment.* When we have confirmed your enrollment we will contact you for an orientation date and time. It is very important that you continue to make good progress at your current school and have good attendance while your application is being processed. This places you in better standing for admittance to WestSide.

WestSide has a waiting list because there are so many students who would like to enroll in our school and we are limited to the number of students we can serve. Waiting for a confirmed enrollment sometimes takes time. During the school year we often have students wait as long as two months before they are officially enrolled. Please be patient while we will to get you in as soon as possible.

It is important to note that we screen all applications to be sure WestSide is the right program for them. Often times we have students who apply for educational needs that can be best served in a different program. If you are not a good candidate for our program we will send you a letter and suggest other program options that may serve you better.

If you have any question regarding WestSide or your application packet please call the school at (509) 663-7947. Hopefully you will be selected for enrollment and we will be working with you soon.

Sincerely,

Kory Kalahar
Principal

To be completed by the student only
Do not type, please handwrite

Letter of Introduction

As part of the application process, it is required that you (the student) write a letter of introduction (a description of you and your life). This must be completed before you turn in your packet and be in your own handwriting.

Each person is unique and special. When teachers and students know each other better, it makes it possible for them to work together more successfully. Your letter may be shared with your teachers.

1. Your letter of introduction needs to be **one full page in length using every line**. Use the attached piece of paper found directly behind these instructions. Please use this page for your final draft only.
2. Write your letter in **ink**.
3. Be open and honest when writing your letter. What do you want the WestSide staff to know about you?

Examples:

Family – Tell us about your parents, brothers or sisters.

Schooling – Where have you attended school?

Employment – Do you have a job? Where?

What are your strengths? What are your weaknesses?

Why you believe WestSide would be a more appropriate fit for you?

4. We want you to do the best you can on your paper. Be sure you introduce yourself well. However grammar or punctuation does not determine your enrollment, your paper will not be corrected or graded.

The purpose of this assignment is to find out more about you so that we can better place you in one of our programs. We would also like to know why you believe WSHS would be a more appropriate fit for you as a school.

Section 2 Life-Threatening Information

Are any of the above checked conditions life-threatening? Yes No

As parent/guardian, I agree to contact the school nurse to create an individualized health care plan for my child with a life threatening condition. State law requires all students with life threatening conditions to have both medical authorization and necessary medication at school before that student will be allowed to attend school. Medications that may be required under this law include, but are not limited to: meter-dose inhalers, Epi-pens, Insulin, and medication for seizures (per RCW 28A.210 Sec.1).

Section 3 Medication Information

For school staff to administer or store any prescription or over-the-counter medication, an **Authorization for Medication Administration #SN-02 form (AMA)** must be signed by a parent/guardian and the physician, and must be on file in the school office. A new AMA form is required at the beginning of each school year, or whenever there has been a change in medication or dose. For students who carry and self-administer emergency rescue medications we strongly encourage parents to provide a backup rescue medication to store at the school office. A completed AMA form is required to store medications at school. *The Authorization for Medication Administration #SN-02 form is available at your child’s school, and the district’s Student Health Services webpage.* **Middle and High school students are allowed to self-carry a one-day supply of over-the-counter medication without an AMA form.**

Parents and guardians may wish to share information about medications their child may take while at home, which may influence how their child learns at school. **If you would like to share this information, please list any medications your child takes while at home:**

Consent: I authorize and give my consent to the authorities of Wenatchee School District to obtain emergency medical treatment. I also authorize medical authorities to perform upon or administer necessary emergency medical or surgical treatment to the above named student. District authorities are not excused from attempting to contact me before relying upon this authorization. I also authorize that the information listed above may be shared with school personnel on a need-to-know basis to facilitate the school district in providing a safe environment for my child. **If there are any health changes to the above listed information, it will be the parent/guardian’s responsibility to inform the school on the yearly update student information form.**
