INSTRUCTIONS FOR FLORIDA FAMILY LAW RULE OF PROCEDURE FORM 12.902(c), FAMILY LAW FINANCIAL AFFIDAVIT

When should this form be used?

This form should be used when you are involved in a family law case which requires a <u>financial affidavit</u> and your individual gross income is \$50,000 OR MORE per year.

This form should be typed or printed in black ink. After completing this form, you should sign the form before a **notary public**. You should then **file** the original with the **clerk of the circuit court** in the county where the **petition** was filed and keep a copy for your records.

What should I do next?

A copy of this form must be mailed or hand delivered to the other **party** in your case, if it is not served on him or her with your initial papers. This must be accomplished within 45 days of service of the petition.

Where can I look for more information?

Before proceeding, you should read "General Information for Self-Represented Litigants" found at the beginning of these forms. The words that are in "bold underline" in these instructions are defined there. For further information, see rule 12.285, Florida Family Law Rules of Procedure.

Special notes...

If this is a domestic violence case and you want to keep your address confidential for safety reasons, do not enter the address, telephone, and fax information at the bottom of this form. Instead, file **Petitioner's Request for Confidential Filing of Address**, \Box Florida Supreme Court Approved Family Law Form 12.980(i).
