Section 4: FORBEARANCE AGREEMENT

This forbearance is an agreement between me and my lender to allow a temporary cessation in payments. During a period of forbearance, interest continues to accrue and must be paid or it will be capitalized (added to the principal balance). This will increase the total cost of the loan. Payments will resume within 60 days of the forbearance end date. The exact amount of the monthly payments will be calculated in accordance with applicable laws. I further understand that if the situation under which I applied for this forbearance changes, I must notify Kentucky Higher Education Student Loan Corporation (KHESLC). I wish to have this forbearance for which I applied placed on all my eligible loans. I understand the forbearance I have requested will not be granted for more than 12 months at one time (Grad PLUS align due date - 6 months max). I understand that if I qualify for one of the above forbearances, I authorize KHESLC to extend and/or backdate a forbearance (not to exceed 12 months) to ensure any amount currently due on my loan(s) will be covered. I understand that if the number of months is not provided, the forbearance will be granted for a period not to exceed 12 months (Grad PLUS align due date- 6 months max). I also understand that if my account is delinquent, the forbearance can be used retroactively to cover the period of delinquency; however, any negative reports that were submitted to the consumer reporting agencies will not be removed. I agree to repay my loan(s) according to the terms of my promissory note(s), regardless of whether the forbearance is granted. The above information is true and correct to the best of my knowledge.

AmeriCorps (National & Community Service):

- To qualify, borrower must be working in a national service position for which they received a National Service Educational Award under the National Community Service Trust Act of 1993.
