

Debit Card Form

What is a Debit Card? A Debit Card is another method of receiving your support payments and is a method of electronic funds transfer (EFT). You authorize the Kansas Payment Center (KPC) to deposit your support payments directly into your Debit Card Account

How does the Debit Card work? When a payment is applied to your support case(s), KPC sends it to your Debit Card Account. Normally, your Debit Card will be credited with the money within 48 hours after KPC applies the payment to your case(s). For more information, visit our website at www.kspaycenter.com, or call KPC at 1-877-572-5722

****Once you have completed this form please submit to the Fax number or Address listed at the bottom of this form.****

****Please be advised that once we receive and process this form, it may take up to 10 days before you receive your Debit Card.****

PLEASE USE BLACK INK

Would you like a paper statement? (\$.95 per request)

Yes No

AUTHORIZATION STATEMENT

I authorize KPC to make deposits into my Debit Card Account. KPC may make deposits to this account until I cancel the authorization and KPC has time to process the cancellation. This request cancels any prior Debit Card authorizations with KPC.

DATE

How do I cancel my Debit Card?

If you do not wish to continue with the Debit Card, you must provide a direct deposit form with information for a bank account in which future payments will be deposited.
