Dependent Care Flexible Spending Account Claim Reimbursement Form

How To Prepare Your Claim Form

Step 1 Complete all employee information. This form will be processed electronically. Print clearly and only in the spaces provided.
Step 2 Complete expense information. If the expense was incurred for an eligible dependent, indicate type of relationship in the box on the dependent name line. Use "C" for child, "S" for spouse or "O" for other.
Step 3 Sign and date the claim form and attach bills, statements, or other proof of expenses. Your proof of expense must specify the name, tax id (or Social Security Number) of the care provider, date(s) of service, and the dependent for whom this service was provided. For your convenience, you may complete this form and obtain the signature of your provider below, in lieu of attaching receipts. Canceled checks are not sufficient evidence as proof of expense.
IMPORTANT! DO NOT combine multiple expenses on a single line. List each expense separately. Whether submitting single or multiple claims via fax, always send the claim form followed by its supporting documentation or receipts.
