## A Letter from Chancellor Manning

It is time once again for the Tennessee Board of Regents Employee Charitable Campaign (TBRECC). Last year, 1,846 TBR employees donated over \$325,600, allowing the great participating charitable organizations to continue their missions of serving those in Tennessee.

Please consider joining me in making this year's campaign even more successful. Through payroll deduction or a one-time donation, your support can make a difference for individuals, families, and neighborhoods across Tennessee.

Thank you.

Charles W. Manning

*Everyone deserves opportunities to have a good life: a quality education that leads to a stable job, enough income to support a family through retirement, and good health. That's why United Way's work is focused on the building blocks for a good life: 1) Education—helping children and youth achieve their potential, 2) Income—promoting financial stability and independence, and 3) Health—improving people's health. United Way's goal is to create long-lasting changes by addressing the underlying causes of these problems. "Living United" means being a part of the change. It takes everyone in the community working together to create a brighter future. Give. Advocate. Volunteer. LIVE UNITED.*
