Autism Canada Event Proposal Terms and Conditions

Autism Canada has a set of guidelines that we ask all individuals and organizations to follow when fundraising on Autism Canada's behalf:

- 1. The Autism Canada name and/or logo cannot be used to promote a fundraising event without prior approval by Autism Canada. All approved fundraising events should submit copies of print materials, which include the Autism Canada logo/name prior to printing.
- 2. Autism Canada asks that you do not organize a fundraising event that includes lotteries, gambling, raffles or drawings without first discussing it with Autism Canada. Any fundraiser that requires any type of license should first be discussed with and approved by Autism Canada.
- **3.** Keep accurate accounts of your event. Autism Canada will not be responsible for any expenses incurred for a fundraising event.
- **4.** The fundraising event activity should be one that does not conflict with the mission of Autism Canada (if unclear, contact Autism Canada).
- 5. Your fundraising event should not conflict with an existing Autism Canada fundraising event.
- **6.** All funds and financial accounting must be submitted to Autism Canada no later than 30 days after the event.
- 7. Contact us with any additional questions you may have.
