**COMMERCIALY SHIPPED HORSES:** Must have an authorized horse-knowledgeable representative to meet the van on arrival able to care for horses until competitors are on the grounds. Plan to be at the barns BEFORE your horse is scheduled to arrive. Long hauls are stressful on horses. Please care for them responsibly.

**EXERCISING AND SCHOOLING (HACKING):** Exercising and Schooling of mounts prior to the start of competition may only take place in designated areas. Competitors must wear their armband with medical card and **must** have a responsible adult (18 yrs or older) with them at all times when hacking. This adult will be responsible for the safety check.

Once competition commences, no hacking will be allowed through the completion of the competition. Longeing, once the competition starts will be according to the **(HM rule 10h)** in the areas designated by the overall organizer.

**HAY/BEDDING:** Stalls will be bedded with shavings. Hay and bedding may be purchased onsite from the Stable Office. 540-464-2966.

**MANURE DISPOSAL:** All manure and used shavings removed from stalls or trailers must be placed in the manure pits located at the end of each barn, not in trash cans. Empty shaving bags must be placed in the trash cans.

**MEDICAL WASTE:** Medical waste (needles and syringes and other medical supplies) must not be discarded in stalls, manure pits or trash cans. Special containers are provided in each barn for the disposal of medical waste materials.

**FARRIER/VETERINARIAN:** A farrier and vet will be on-site or on-call for the duration of the event. All fees are the responsibility of the competitor, and must be paid before departure.

**MEDICAL CARDS:** Armbands which include a current copy of the individual's USPC Medical Card must be worn at all times while on the competition grounds. Competitors are responsible for supplying their own Medical Armbands and Medical Cards. Tetrathlon will not be required to wear them while actually shooting or swimming, but must have them visible and next to them for these activities and must be wearing them at all other times. The armbands must be worn on the upper arm. If the competitor has small arms, they may need to safety-pin the armband to their sleeve in the area of the upper arm. Armbands are available for purchase from the USPC Bookstore.

**EMERGENCY MEDICAL TREATMENT:** USPC has contracted with Emergency medical personnel for the duration of competition. These individuals are all appropriately certified and experienced in "pre-hospital" care. We ask that those persons having a medical background who are present at the site of an accident or incident identify themselves as such to the EMT's and then step aside and let them do their job. They will appreciate this and will ask for assistance if needed.

Those injured in competition who require Emergency room evaluation **will not** be allowed to return to competition unless there is written documentation from the treating physician that clearly states they are fit to return to competition. In those situations that a parent or legal guardian should decline medical treatment for their charge, the organizer(s) reserves the right to deny continued participation in the competition of said competitor.

**FIRST AID:** Basic First Aid treatment is available at the Main Horse Show Office.

**VOLUNTEERS (Mandatory Requirement):** Each team must have 2-4 volunteers to work a portion of the Championships. The Regional Supervisor must submit volunteer information on the electronic entry form. Additional volunteers may sign up at the discipline briefing or in the Show Office. Volunteer positions must be filled before the competition can begin.

**NOTE:** *Please list volunteer cell phone numbers, so we can reach them onsite!*

**WEATHER:** As Virginia can be very hot and humid at this time of year, please make sure competitors and horses are prepared for these conditions. Chaperones should be prepared to furnish their team with plenty of appropriate liquids, fruit, etc., and check each day to see that sufficient liquid is being consumed. Competitors are expected to have an ample supply of water and, if necessary, electrolytes for their mount.

**NEUTRAL ZONE:** The Neutral Zone will again be located next to the scoreboards, under the tent by Cashvan Tower. This area is for chaperones/parents to leave limited items (i.e., medication, clothing, food, drink, etc.) for competitors. Pre-planning is necessary because the Neutral Zone is not a delivery service. A message board will be available for permissible types of communication and may be used for communication with the competitors in emergencies. It may also be used as the official meeting place.

**DOGS: Dogs should be left at home.** No dogs are allowed in the barns or in the indoor arenas. Dogs are allowed on the premises provided they are leashed at all times. Dogs must be on a short leash and **never** left unattended. **NO PETS are allowed in the coliseum or in any office at any time.** Competitors are not allowed to have any animal in the barn area except their competition horse. Any exceptions to this rule must be approved in writing by the Championships Organizer PRIOR to the move-in date.

**INFORMATION:** Information will be available at the Neutral Zone and at the Show Office on the grounds. Show office phone: 540-464-2992. This number is to be used for important communications only and is not to be used as a messenger service.

**PROGRAMS:** Programs will be provided for chaperones, competitors, and coaches. Visitors may purchase sets of programs in the Information/Neutral Zone.

## HORSE MANAGEMENT

USPC Horse Management practices will be in effect from arrival to departure for ALL competitors. **HM Judging will commence at noon Thursday.** Please carefully review the USPC Horse Management Handbook and Rules for Rallies 2010 and addenda as well as the 2012 HM Newsletter prior to arrival on the competition grounds. Here are some important reminders.

**ATTIRE:** Pony Club members must wear approved footwear when in the barn area from the time of arrival on the competition grounds until departure. Riding sneakers with a heel are acceptable (**HM7b, HM7c**).

All Pony Club members must wear properly fitting approved helmets in compliance with current USPC Safety Policies, with chin harness secured when mounted, longeing, and presenting at Horse Inspections (jog outs) and Turnout/Safety Inspections. Under no circumstances may a HMJ or designated-representatives permit a Member to proceed to the riding phase with a helmet of questionable fit or condition. (**HM7a, HM7a.2**).

Pony Club members must wear their pinnie or other form of ID designated by the Organizer as well as their Medical Armband containing their USPC Medical Release Card. (**HM6i**).

Appropriate attire is expected while the Pony Club member is on the grounds. Sleeved-shirts (to point of shoulder) that cover the torso must be worn by members at all times while on the grounds, both while mounted and unmounted. Bathing suit or tank tops are never acceptable attire (**HM7**).

**STALL CARDS:** EVERY stall must have a completed card, readily visible on the stall before leaving a horse in that stall. Refer to the USPC Horse Management Handbook and Rules for Rallies 2010 and addenda for required information. Remember that Horse Insurance information, if applicable, should be listed on the back of the card and include phone number of insurance company and all other pertinent information (**HM11c; Appendix I**).

**HORSE INSPECTION (Jog Outs):** Horses must be shown in bridle. Neat, appropriate attire and approved helmets in compliance with current USPC Safety Policies and proper footwear are required for handlers; gloves are advised. Make sure competitors are familiar with acceptable attire for horse inspection, as stated in the USPC Horse Management Handbook and Rules for Rallies 2010 and addenda. (**Appendix A5, HM7e, HM15a**).

**ELECTRONICS:** Use of electronic communication devices during the competition will be in accordance with the rules for each discipline and may only occur in areas where direct interaction with horses will not take place. (For example: The Neutral Zone, The HM office, the Team Tack Room). Earbuds/headphones, when used, should be used in ONE EAR ONLY, so the Competitor can clearly hear what is happening around them. Competitors are responsible for the safety of any communication device they bring onto competition grounds and/or into the barns (**HM6h**). Refrigerators, microwaves, plug in coolers, etc., in the barn area will not be permitted (**HM12b**). Teams may use and present electronic versions of the required rulebooks and newsletters for their required equipment.

**EQUIPMENT:** All equipment used in competition (including tack) must be left in tack rooms for the duration of the competition unless otherwise instructed. (**HM12c**). ONLY Pony Club competitors may set up the tack room (**HM6g, HM12a**).

**BRAIDING:** Braiding is governed by the discipline rulebook. Braiding is permitted at all levels and in all disciplines except Games. Standing on any object can be unsafe if the object is not on solid level ground. At no time should braiding take precedence over regular barn chores and braiding shall not be accepted as an excuse for failing to complete any other tasks. All braids must be removed immediately after the last ride of the day and before any turnback inspection (**HM10d**).

**BATHING:** Keep bathing of horses to a minimum. Not only does it waste water, but it creates lines in the washing areas. Use a bucket and sponge whenever possible. Never leave your horse alone in the wash rack. Manure must be cleaned out of wash stalls to prevent clogging of drains (HM10e.).

**MOVE-OUT:** At the conclusion of the competition, stalls must be stripped and checked unless otherwise directed by the organizer (HM11j). All trash should be must be removed from tack rooms and placed in dumpsters or larger trash bins.

**LEVELS OFFERED:** Beginner Novice, Novice, Training and Preliminary

**ENTRIES/SUBSTITUTIONS & QUALIFICATION CRITERIA:** Please refer to Age/ Certification Requirements for USPC Championships 2012 listed earlier in this Gold Book, the 2011 Eventing Rulebook, all addenda and the 2012 Eventing Annual Newsletter.

All levels must have completed, without elimination in any phase, a qualifying USPC rally at the level at which they wish to compete and a USEF/USEA recognized (or comparable\*) Horse Trial of the same level within 11 months prior to this year’s Championships entry deadline. One of these competitions must have no cross-country jumping penalties, with the other having no more than 20 cross-country jumping penalties. B/H-A/A competitors are invited to compete with the permission of their RS and verification of scores from two USEF/USEA recognized (or comparable\*) Horse Trials at the level at which they wish to compete with the same cross country jumping penalty requirements as listed above for all other levels of competition.

*\*“Comparable” means an unrecognized Horse Trial held at the site of a sanctioned Horse Trial, where the construction and dimensions of the cross-country fences have been approved by a USEF/USEA-licensed Eventing Technical Delegate or Eventing Judge. This MUST be approved by the USPC Eventing Committee Chair and the VP of Activities.*

Since qualification for Championships is based on the horse and rider combination, any substitution of a horse for championships must meet the same requirements expected of the original horse and rider entry with a valid reason for the change and approval of the RS. A substitution request must be approved by and submitted through the member’s Regional Supervisor to the Eventing Committee Chair and VP of Activities.

A properly signed Qualifying Affidavit for each qualifying rally and either a qualifying affidavit or copies of the official score record from the USEA website for recognized horse trials must be included along with a USEA entry form for each rider completely filled out, including all rider, owner, parent and trainer signatures. No one under 18 may sign as trainer.

**USEA AND USEF MEMBERSHIP AND FEE INFORMATION:** Beginner Novice and Novice USEA membership and fees, as well as non-membership fees, have been waived for USPC Championships; no horse registration number is required at these levels. Training level competitors must be a current USEA member and have a current USEA horse registration number. Membership in USEF is not required. Preliminary level competitors must be a current USEA member and have a current USEA horse registration number. They must also be a member of USEF or pay the junior non-member fee of \$20 if under age 18 or \$25 if over age 18 (to be collected by secretary at the time of packet pick-up at Championships). Preliminary riders must provide a copy of their USEF membership card with their entry.

**ENTRIES/SUBSTITUTIONS:** Refer to 2010 USPC Rules for Tetrathlon. **RIDING PHASE:** The riding phase will consist of two jumping rounds. The first riding course could be a slightly modified course from one of the SJ rounds, so expect a technically challenging course. The second round may also be a shared course designed by either SJ or Eventing. It may include a slip rail and gate.

Those, who out of necessity are riding unfamiliar mounts, will have an opportunity to ride that horse before a panel consisting of the Organizer, Riding Steward, and TD to insure suitability. In the event this combination is unsuitable, every

effort will be made to find that competitor a suitable mount. Please mark on Competitor Information Form if you are willing to share your mount.

## HORSE MANAGEMENT SEMINAR

A Horse Management Seminar will be held during Championships East 2012, designed for adults attending championships who would like to use this opportunity to expand their Horse Management knowledge through an active, hands-on seminar format that will get them into the barns during competition. Participants will be able to observe and participate in all facets of USPC Horse Management judging, including equipment checks, stable checks, safety checks, and turnout inspections. No prior experience is necessary, only a desire to learn and expand your knowledge base. There will truly be something for everyone: parents, club leaders, instructors, HMOs, RICs, RSs, Horsemasters, and active Pony Clubbers C3 and up over 18 years of age. We will learn with and from each other.

Sign up if you are someone who would like to investigate becoming an Assistant Horse Management Judge at USPC competitions or if you are already involved in AHMJ work and would like to become a more effective teacher. Sign up if you are involved in teaching Horse Management skills at the club or the regional level and would like new ideas and more depth of knowledge to take back home to your own HM instructional programs. Sign up if your job description includes preparing Pony Club members for rally competitions and you want to see and hear and experience firsthand just exactly what goes on in the barns, as some of the best Chief Horse Management Judges in the country guide, teach, and evaluate horse care through the different levels. Sign up as a parent and leave this Championship competition confident that you know even more about how to best support and prepare your Pony Club member for a happy, successful PC experience.

Participants are required to wear appropriate attire and footwear for work in the barns and around horses and to bring their own current copy of the Horse Management Handbook and Rules for Rally, available for download on line or from the USPC Bookstore. Also bring a notepad, pen or pencil, sunscreen, bug spray, sunglasses, water bottle, and a good hat!

Dates of Seminar: Thursday, July 26, 1-4 p.m. Friday, July 27 and Saturday July 28, 8 a.m. to 4:00 p.m. Attending this seminar will not keep participants from taking time to watch Pony Club members ride. The format will be flexible.

Fee: Pre-Registration \$80 per adult, \$30 per PC member. Friday and Saturday lunch included. On-site registration \$90 per adult, \$40 per PC member. [Register by completing the online registration found on the Championships web page.](#)

This seminar will be led by Melody Mundell, Chief Horse Management Judge, USPC Instructor, Examiner and Clinician, HMO for the Rocky Mountain Region, and member of the national Horse Management Committee. For further information or to suggest a specific topic that you would like to see covered at this seminar, contact Melody at [novavista@indra.com](mailto:novavista@indra.com) or (303)859-1199.

I also agree that as a condition of and in consideration of acceptance of entry, the Federation, the USEA and/or of the competition may use or assign photographs, videos, audios, cablecasts, or other likenesses of me and my horse taken during the course of the competition for the promotion, coverage or benefit of the competition, sport, the USEA, or the Federation. Those likenesses shall not be used to advertise a product and they may not be used in such a way as to jeopardize amateur status. I hereby expressly and irrevocably waive and release any rights in connection with such use, including any claim to compensation, invasion of privacy, right of publicity, or to misappropriation. The construction and application of Federation Rules are governed by the laws of the State of New York, and any action instituted against the Federation must be filed in New York State. See Art. GR908.4.

### FEDERATION ENTRY AGREEMENT

I have read the United States Equestrian Federation, Inc. (the "Federation") Entry Agreement (GR906.4) as printed in the Prize List for ("Competition") and agree to all of its provisions. I understand and agree that by entering this Competition, I am subject to Federation Rules, the Prize List, and local rules of the competition. I agree to waive the right to the use of my photos from the competition, and agree that any actions against the Federation must be brought in New York State.

By entering a Federation-licensed Competition and signing this entry blank as the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaultor, or Longeur and on behalf of myself and my principals, representatives, employees and agents, I agree that I am subject to the Bylaws and Rules of the United States Equestrian Federation (the "Federation") and the local rules of the competition. I agree to be bound by the Bylaws and Rules of the Federation and of the competition. I will accept as final the decision of the Hearing Committee on any question arising under the Rules, and agree to release and hold harmless the competition, the Federation, the USEA, their officials, directors and employees for any action taken under the Rules. I represent that I am eligible to enter and/or participate under the Rules, and every horse I am entering is eligible as entered. I also agree that as a condition of and in consideration of acceptance of entry, the Federation and/or of the Competition may use or assign photographs, videos, audios, cablecasts, broadcasts, internet, film, new media, or other likenesses of me and my horse taken during the course of the competition for the promotion, coverage or benefit of the competition, sport, the USEA, or the Federation. Those likenesses shall not be used to advertise a product and they may not be used in such a way as to jeopardize amateur status. I hereby expressly and irrevocably waive and release any rights in connection with such use, including any claim to compensation, invasion of privacy, right of publicity, or to misappropriation. The construction and application of Federation Rules are governed by the laws of the State of New York, and any action instituted against the Federation must be filed in New York State. See Art. I AGREE that "the Federation" and "Competition" as used herein includes the Licensee and Competition Management, as well as all of their officials, officers, directors, employees, agents, personnel, volunteers and Federation affiliates.

("Harm").

I AGREE to hold harmless and release the Federation and the Competition from all claims for money damages or otherwise for any Harm to me or my horse and for any Harm of any nature caused by me or my horse to others, even if the Harm arises or results, directly or indirectly, from the negligence of the Federation or the Competition.
