Authorization for Treasury Management Services

I am an authorized representative of the organization specified below ("Customer"). Customer has received the Treasury Management Services Master Agreement ("Master Agreement") and agrees to adhere to the Master Agreement and any applicable User Guides from Seacoast National Bank ("Bank"). The Services covered by the Master Agreement and Bank providing Services are listed on the accompanying list of Services, which we may change from time to time. Capitalized terms used in this Authorization form, not otherwise defined, have the meanings given to them in the Master Agreement.

After I sign below on behalf of Customer, the Customer may from time to time request Bank to provide any of the Services described in the Master Agreement. Customer may begin to use any such Service once Bank has approved such use and has received all required and properly executed forms. The Master Agreement supersedes other agreements between Customer and Bank, as described under the General Provisions heading in the Master Agreement, with regard to the provision of Services.

I warrant that Customer has taken all action required by its organizational or constituent documents to authorize me to execute and deliver on behalf of Customer this Authorization form and any other documents Bank may require with respect to a Service. I am authorized to enter into all transactions contemplated by the provision of Services to Customer. These may include, but are not limited to giving Bank instructions with regard to Services and designating employees or agents to act in the name and on behalf of Customer (Page 8 is the Delegation of Authority form for authorized names of employees for all or specific Services).

General Terms and Conditions

General Terms

In this agreement, the terms “financial institution”, “Bank”, “we”, “us” and “our” refer to **Seacoast National Bank**. The terms “Customer”, “client”, “you” and “your” refer to each person who has an interest in an account or other relationship. Capitalized terms used in this Master Agreement and any additional or supplemental agreements, schedules, addenda, forms, or other documents as a part of this Master Agreement are defined in the Glossary or in the sections in which they are used. The Master Agreement sets out your rights, responsibilities, and obligations, and our rights, responsibilities, and obligations, with respect to any and all Services we may provide to you from time to time. By signing this Master Agreement you acknowledge that neither you nor the bank may initiate any entries that violate the laws of the United States.

Services Approval

Your approval for use of any Service may be subject to underwriting criteria established by us from time to time. If we require application of underwriting criteria for your approval for use of a Service, we will communicate to you the nature and content of that criteria and the information you will be required to provide to us. You agree to provide to us such financial, business, and operating information as we may reasonably request in connection with our underwriting review and approval process.

We are under no obligation to approve you using any Service. The decision to approve your use of any one or more Services is within our sole discretion. Our records will be conclusive as to the Services we approve you using from time to time and the dates on which we approve your use of such Services. For the purpose of the Master Agreement, we will be deemed to have approved your use of a Service on the date we complete the activation of the Service for you on our system, and once that occurs, we will be providing such Service to you.

Product Schedules or User Guides

The Services to which the Master Agreement applies are described or referenced in Product Schedules or User Guides which are available to you with respect to some or all of the Services. The Product Schedules or User Guides may also contain additional terms and conditions applicable to the Services. Your use of a Service after we provide you or make available to you a Product Schedule or User Guide which pertains to such Service will constitute your agreement to adhere to and be legally bound by the terms, conditions, requirements, instructions, and information in such Product Schedule or User Guide. Each Product Schedule or User Guide is an integral part of the Master Agreement and when we provide or make available to you a Product Schedule or User Guide to you it becomes a part of and is incorporated into the Master Agreement. Our records on when we provide or make available to you a Product Schedule or User Guide to you will be deemed correct and accurate.

Supplemental Agreements

Some of the Services will require you to enter into additional or supplemental agreements with us, or require you to complete and provide to us information or documentation in, or as part of, schedules, addenda, set-up forms, input forms, or other documents we require in connection with these Services. If we approve you using one of these Services, your use or continued use of each of such Services will be conditioned on and subject to you entering into, or completing and providing to us, the foregoing when we so request. These additional or supplemental agreements, as well as any schedules, addenda, forms or other documents will be in a form and substance satisfactory to us and if so indicated, will be a part of the Master Agreement.

No Extension of Credit

If a Service involves a debit to any of your Eligible Accounts or any other Account you maintain with us, you must have available in such Accounts sufficient amounts to enable us to make the debit. Nothing in the Master Agreement will constitute or be deemed a commitment by us to extend credit to you, or to grant to you overdraft privileges. We will not have any obligation to make any funds available to you to effect any payment being made by you or to enable you to use any one or more of the Services. Any obligation to extend credit to you or to otherwise make funds available to you must be set out in a separate agreement executed by us through a person authorized to make credit decisions on our behalf.

General Provisions

Use of Services

Services may only be used in accordance with this Master Agreement and any supporting schedules and addendums. You agree not to use or attempt to use the Services (a) to engage in any illegal purpose or activity or to violate any applicable law, rule or regulation, (b) to breach any contract or agreement by which you are bound, or (c) to engage in any internet or online gambling transaction, whether or not gambling is legal in any applicable jurisdiction, (d) to engage in any activity or business that would result in you being or becoming a “money service business” as defined in the Bank Secrecy Act and its implementing regulations, or (e) to engage in any transaction or activity that is not specifically authorized and permitted by this Agreement. You acknowledge and agree that Bank has no obligation to monitor your use of the Services for transactions and activity that is impermissible or prohibited under the terms of this Agreement; provided, however, that Bank reserves the right to decline to execute any transaction or activity that Bank believes violates the terms of this Agreement.

Fees

You agree to pay us the fees we establish for each of your Services. Applicable fees will be assessed and charged for each calendar month and will appear on your regular periodic statement. Please reference the Commercial Services Schedule of Fees as stated in Schedule A of this Master Agreement for a detailed listing of fees. You authorize us to automatically deduct all applicable charges and fees from an eligible account. Alternatively, Customer and Bank may agree in writing to pay for such services through analysis of the Account and the collected funds maintained therein by Customer. Such compensation may require balances which vary from time to time based upon various factors, including without limitation, applicable reserve requirements, FDIC insurance premiums, cost of the service and other factors determined by Bank in its sole discretion. If your service charge account is closed and you have another eligible account, we may charge that account for fees owed for using Services, as applicable, per your Deposit Agreement. Furthermore, Bank may setoff against any amount it owes to you in order to obtain payment of your obligations under this Master Agreement or any applicable Product Schedule or User Guide. We may also recover payment in any other permissible manner, including judicial actions, or from property which secures obligations you owe us. We reserve the right to amend our fees for services from time to time.

The Bank may change or add any fees for each of your Services by the procedures outlined in the “Amendments” section below for amending this Master Agreement. Fees charged under this Master Agreement are in addition to any service charges or fees that apply to your accounts with us. In addition to the Service fees, you agree to pay for all taxes, tariffs and assessments levied or imposed by any government agency in connection with the Service, this Master Agreement, and/or the software or equipment made available to you (excluding any income tax payable by Bank). You are also responsible for the costs of any communication lines and any data processing charges payable to third parties.

Eligible Account

You will at all times maintain with us one or more Eligible Accounts in your entity name. You agree to maintain available balances sufficient to pay or reimburse us for all items, orders of payment, fees, and other amounts paid on your behalf or chargeable to you in connection with any Service. Eligible Accounts and any other Accounts that you maintain with us shall be subject to the terms and provisions of the Deposit Account Agreements, as they may be amended from time to time.

Amendments

The Bank may amend the terms, conditions, fees, and charges contained in this Master Agreement or any part of supplemental agreements, Product Schedules, User Guides, addenda, set-up forms, input forms, or other documents we require in connection with these Services, or alter, change or modify the Services provided under the terms of this Master Agreement and any applicable Product Schedule, User Guide or supplemental agreement, from time to time, in our sole and absolute discretion, by sending you written notice by facsimile, electronic mail or by regular mail or by posting the updated terms on the site within the Online Service at least thirty (30) days (or longer if required by applicable law) in advance of the effective date of the proposed amendments. For purposes of the foregoing, Notice is deemed effective once deposited in the United States mail or when the facsimile or email is actually sent. If you do not wish to be bound by any such amendment, you must immediately discontinue using the affected Service before the change becomes effective or notify us in writing and terminate this Agreement within thirty (30) days after the Bank receives actual notice of your rejection. Any amendment that is not rejected in writing in accordance with this section or your continued use of the affected Service after the effective date of such amendment will constitute your acceptance of and agreement to the amendment(s). Customer may not amend or modify this Agreement without the prior written consent of the Bank.

Entire Agreement

This Agreement (including the Product Schedules attached and any applicable User Guides, supplemental agreements, set-up forms or input forms necessary for the implementation and/or delivery of the Services contemplated by this Agreement) together with the Depository Agreement and Resolutions, for each of the Eligible Accounts, is the complete and exclusive statement of the agreement between the Bank and the Customer with respect to the subject matter hereof and supersedes any prior agreement(s) between the Bank and the Customer with respect to such subject matter. The terms and condition of the Deposit Agreements, Resolutions and disclosures for each of your accounts as well as your other agreements such as deposit, time deposits, and loans continue to apply not withstanding anything to the contrary in this Agreement. Notwithstanding the foregoing sentence, however, in the event of any inconsistency between such agreements, resolutions or disclosures and the terms of this Agreement the terms of this Agreement shall govern. In the event performance of the services provided herein in accordance with the terms of this Agreement would result in a violation of any present or future statute, regulation or government policy to which the Bank is subject, and which governs or affects the transactions contemplated by this Agreement, then this Agreement shall be deemed amended to the extent necessary to comply with such statute, regulation or policy, provided that any such amendment does not affect in any manner materially adverse to either party both the economic and legal substance of the transactions and services contemplated by this Agreement and the Bank shall incur no liability to the Customer as a result of such violation or amendment. No course of dealing between the Bank and the Customer will constitute a modification of this Agreement, the Rules, or the security procedures, or constitute an agreement between the Bank and the Customer regardless of whatever practices and procedures the Bank and the Customer may use.

Termination

You or we may terminate some or all of the Services, with or without cause, by giving 30 calendar days prior notice to the other party. If you terminate a Service, you authorize the Bank, if applicable to the Service(s) you are terminating, to continue making transfers you have previously authorized and to continue to charge monthly fees until such time as the Bank has had a reasonable opportunity to act upon your termination notice. Once the Bank has acted upon your termination notice, if applicable to the terminated Service(s), the Bank will make no further transfers from your accounts, including any transfers you have previously authorized. If the Bank terminates your use of any applicable Service, the Bank reserves the right to make no further transfers from your accounts, including any transactions you have previously authorized.

We may terminate the Services immediately if: (a) you breach any agreement with us; (b) the confidentiality of the Security Requirements and Procedures is compromised; (c) we have reason to believe that an unauthorized transaction has taken or may take place involving your Account or a Service; (d) you become insolvent or the subject of a bankruptcy or dissolution proceeding; (e) you make any assignment for the benefit of creditors; (f) you fail generally to pay your debts as they become due; (g) any material adverse change occurs in your financial conditions; (h) you cease to conduct business in the ordinary sense; (i) you are a party to an acquisition; (j) you make any warranty or representation which proves to be false or misleading; (k) you or we close your Account(s); or (l) in our sole discretion, we determine that you have abused the Treasury Management Service or we believe that the Bank will suffer a loss or other damage if this Master Agreement and/or applicable Product Schedule(s) is/are not terminated. Your obligation with respect to any item shall survive termination of this Master Agreement and any applicable Product Schedule until any applicable statute of limitation has elapsed.

Bank's election to terminate this Master Agreement and/or any applicable Product Schedule is in addition to any and all other remedies that may be available to Bank and will not affect any obligations you may have to Bank. Any reinstatement of the Service under this Master Agreement and/or any applicable Product Schedule will be at Bank's sole discretion and must be agreed upon in writing by an authorized representative of Bank.

Upon termination of this Master Agreement and/or any applicable Product Schedule, any property or rights of a party in the possession of the other party, tangible or intangible, shall be returned to owner thereof within thirty (30) days after the later to occur of (i) termination of the Master Agreement and/or any applicable Product Schedule or (ii) the last date that such party receives any such property or rights.

Upon termination of this Master Agreement and/or any applicable Product Schedule, (i) you will promptly pay to Bank all sums due or to become due under this Master Agreement and/or applicable Product Schedule, and (ii) you shall have no further right to make use of the Services or any system or software which may have been provided in connection with the Services.

Security Requirements and Procedures

We have developed Security Requirements and Procedures relative to the Services. By accessing or otherwise making use of any of the Services, you acknowledge that you have reviewed our Security Requirements and Procedures and you agree that they are commercially reasonable and that you are legally bound by them, as the same now exist and may in the future exist. In connection with any Service, if we comply with the Security Requirements and Procedures to which you have agreed, we will not be liable for the amount of any unauthorized transactions arising from the use of any Service to which the Security Requirements and Procedures relate. In the event you do not agree to the Security Requirements and Procedures developed by us and propose instead alternative Security Requirements and Procedures, we may agree or disagree to the alternative Security Requirements and Procedures at our sole discretion. If we agree to alternative Security Requirements and Procedures, we will not be liable for the amount of any unauthorized transactions arising from the use of any Service whether or not the alternative Security Requirements and Procedures were satisfied.

In order to use certain Services, you may be required to select or will be assigned one or more User IDs, Passwords or Security Devices. The use of a User ID, Password or Security Device, in addition to other authentication methods described below, is a security procedure established by Bank to authenticate the identity of the person attempting to gain access to the Service. The security procedure is not designed for the detection of errors. You agree to assign User ID's, Passwords and Security Devices uniquely to individuals, and manage these User IDs, Passwords and Security Devices and be liable for all actions taken with them as described in

Acknowledgement of Commercially Reasonable Security Procedures (below) and *Liability* (below). In addition the Bank may offer optional additional security enhancements. If you elect not to use these optional security enhancements we will not be liable for the amount of any unauthorized transactions arising from the use of any Service. **You are responsible for safeguarding the User ID's, Passwords and Security Devices. Providing them to another person effectively constitutes a grant of authority to access your accounts.**

Security Procedures Wire Transfer and ACH Processing

You agree to use the Wire Transfer and/or ACH Processing Services in accordance with our Security Procedures. The purpose of the Security Procedures is to verify the authorization and authenticity of Wire Transfer and ACH Processing requests submitted to us in your name. You represent and warrant each time you use the Wire Transfer or ACH Processing service that, in view of its requirements, the Security Procedures are a satisfactory method of verifying the authenticity and authorization of the request and you agree the Security Procedures are commercially reasonable. In connection with any transfer request, you shall be responsible for its compliance with the Security Procedures. If we comply with the Security Procedures established by us to which you have agreed, we shall not be liable for the amount of any unauthorized transfer that is purported to be originated by you.

The Customer agrees to follow the security procedures in exact detail. The Customer will take all steps necessary so that these security procedures are likely to be successful under the circumstances of the Customer's business and its day-to-day methods of effecting wire and ACH transfers, including without limitation, the steps set forth in herein.

- The bank reserves the right to electronically record and retain any data transmission or telephone conversation between your authorized caller and us. By signing this agreement you consent to our recording of such conversations. However, the decision to electronically record is totally within our discretion and we shall accept no liability for failure to do so. Customer shall notify all Authorized Representatives of the customer of this provision prior to them using the service or making any calls.
- The Customer shall take all steps within its control to keep these procedures confidential and effective to prevent unauthorized transactions.
- Authorized representatives may be required to complete a Security Code Designation Form Schedule B to select a Security Code (number or word). If required, this Security Code must be given to the Bank in order to execute, amend or cancel a wire transfer or ACH file. If this Security Code is not given to the Bank correctly or not given at all, the wire transfer instruction or ACH file will not be processed. If the Security Code is compromised by the customer in any way, the customer is liable for any fraudulent wire(s) or ACH transactions resulting from this.
- The Bank does not guarantee that the security procedures will be effective. The Bank also does not represent or warrant that the security procedures will detect errors in the transmission or content of the wire transfer, ACH transaction or communication; the Bank will have no liability if such an error occurs; unless such error was directly caused by the gross negligence or willful misconduct of the Bank's employees.

Additional Security Procedures ACH Processing

Customer is responsible to strictly establish and to maintain procedures to safeguard against unauthorized transactions. Customer warrants that no individual will be allowed to initiate transfers in the absence of proper supervision and safeguards, and agrees to take reasonable steps to maintain the confidentiality of the security procedures and any passwords, codes, security devices, and related instructions provided by Bank. The occurrence of such notification will not affect any transfers made in good faith by Bank prior to the notification and within a reasonable time period to prevent unauthorized transfers.

- **Acceptance/Rejection of Entries-** Bank will accept as authentic an input file which passes Bank's System edit and will reject a file which does not pass Bank's System edit. Customer agrees that a file which passes Bank's System edit and all Entries thereon shall conclusively be deemed to be authorized by Customer.
- **Rejection of File** -When a file has been rejected for any reason, a call will be made to the Authorized Representatives listed on Treasury Management Services Master Agreement. If an authorized Representative is not available, the file will not be processed. Customer will not submit files or anticipate settlement of entries on non-processing days set forth in the Master Agreement Terms and Conditions section titled Federal Reserve Holiday Schedule.

Physical and Electronic Security

Customer is solely responsible for providing for and maintaining the physical, electronic, procedural, administrative, and technical security of data, systems and computers in the Customer's possession or under the Customer's control. The Bank is not responsible for your computers security and any computer viruses (including, without limitation, programs commonly referred to as "malware," "keystroke loggers," "trojans" and/or "spyware"), or problems, malfunctions, or non-authorized transactions resulting from any computer viruses or unauthorized counterparty, or any related problems that may be associated with the use of an online system or any Wire/ACH Origination services. Any material downloaded or otherwise obtained is obtained at Customer's own discretion and risk, and Bank is not responsible for any damage to Customer's computer or operating systems or for loss of data that results from the download of any such material, whether due to any computer virus or otherwise. Customer is solely responsible for maintaining and applying anti-virus software, security patches, firewalls, and other security measures with respect to Customer's operating systems, and for protecting, securing, and backing up any data and information stored in or on Customer's computer systems. Bank is not responsible for any errors or failures resulting from defects in or malfunctions of any software installed on Customer's computer systems or accessed through Business Online Banking.

Customer acknowledges and agrees that it is Customer's responsibility to protect itself and to be vigilant against e-mail fraud and other internet frauds and schemes (including, without limitation, fraud commonly referred to as "phishing" and "pharming"). Customer agrees to educate User(s), agents, and employees as to the risks of such fraud and to train such persons to avoid such risks. Customer acknowledges that Bank will never contact Customer by e-mail in order to ask for or to verify Account numbers, Security Devices, or any sensitive or confidential information. In the event Customer receives an e-mail or other electronic communication that Customer believes, or has reason to believe, is fraudulent, Customer agrees that neither Customer nor its User(s), agents, and employees shall respond to the e-mail, provide any information to the e-mail sender, click on any links in the e-mail, or otherwise comply with any instructions in the e-mail. Customer agrees that Bank is not responsible for any losses, injuries, or harm incurred by Customer as a result of any electronic, e-mail, or Internet fraud.

Breach of Security Procedures

In the event of a breach of the Security Procedure, Customer agrees to assist Bank in determining the manner and source of the breach. Such assistance shall include, but shall not be limited to, providing Bank or Bank's agent access to Customer's hard drive, storage media and devices, systems and any other equipment or device that was used in breach of the Security Procedure. Customer further agrees to provide to Bank any analysis of such equipment, device, or software or any report of such analysis performed by Customer, Customer's agents, law enforcement agencies, or any other third party. Failure of Customer to assist Bank shall be an admission by Customer that the breach of the Security Procedure was caused by a person who obtained access to transmitting facilities of Customer or who obtained information facilitating the breach of the Security Procedure from Customer and not from a source controlled by Bank.

Acknowledgment of Commercially Reasonable Security Procedures

You agree to comply with the "Security Procedures" and any other Security Procedures Bank directs you to use, and you acknowledge and agree that the Security Procedures, including (without limitation) any (a) code, User ID, and/or Password; (b) Secure Socket Layer (SSL) with at least 128-bit encryption; (c) multi-factor authentication that utilizes User IDs, Passwords & Security Devices (if applicable) ; (d) challenge-response mechanism for forgotten Passwords; (e) required sign-on every 90 days; (f) minimum Password length settings; (g) time-out limits to log inactive users of Online Banking, or (h) transaction dollar limits or other means, or

method of authentication or identification used in connection with a Security Procedure (collectively, "Security Devices"), constitute commercially reasonable security procedures under applicable law for the initiation of the Services you utilize, including without limitation, transfers and access to confidential information. You authorize us to follow any and all instructions entered and transactions initiated using applicable Security Procedures unless and until you have notified us, according to notification procedures prescribed by us, that the Security Procedures or any Security Device has been stolen, compromised, or otherwise become known to persons other than you or your representative(s) and until we have had a reasonable opportunity to act upon such notice. You agree that the initiation of a transaction or instructions using applicable Security Procedures constitutes sufficient authorization for Bank to execute such transaction or instruction notwithstanding any particular designation by you of authorized persons or signature requirements identified on any signature card or other documents relating to your deposit account maintained with Bank, and you agree and intend that the submission of transactions and instructions using the Security Procedures shall be considered the same as your authorized written signature in authorizing us to execute such transaction or instruction. You acknowledge and agree that you shall be bound by any and all transactions initiated through the use of such Security Procedures, whether authorized or unauthorized, and by any and all transactions and activity otherwise initiated by you, to the fullest extent allowed by law. You further acknowledge and agree that the Security Procedures are not designed to detect error in the transmission or content of communications or transaction initiated by you and that you bear the sole responsibility for detecting and preventing such error.

You agree to appoint and designate an administrator (the "Administrator") who will be authorized and responsible for creating and maintaining subsequent User IDs, Passwords and Security Devices on your behalf, including assigning and revoking access privileges for persons to use the Service, ("User") and providing new and subsequent Security Devices to those Users. Bank will provide Customer's designated Administrator, through United States postal mail and/or other delivery service selected by Bank at Bank's option, with a User ID number and Password, and Security Devices to be distributed by the Administrator to each User with respect to one or more of the Services. Customer understands that the Administrator has the capability of providing administrative privileges identical to that of the Administrator to any User, including the ability to create and maintain subsequent User accounts and assigning and revoking access privileges. If these privileges are granted by the Administrator to a User, that User will also be considered an Administrator. Customer will be required to use the Security Device each time it accesses the Services. Customer acknowledges that any Administrator shall have the ability to control security levels such as Service access and Service transaction limits, including without limitation the ability to assign dollar amount limits to transfers of funds. You also agree that the Administrator or any User shall also have the authority on behalf of Customer to electronically accept and approve any and all agreements and amendments to agreements by and between Bank and Customer, including but not limited to this Master Agreement.

You agree to keep all Security Procedures and Security Devices protected, secure, and strictly confidential and to provide or make available the same only to your authorized representative(s). You agree not to disclose or provide any Security Procedure or Security Devices to any unauthorized person. You also agree that (a) no group or shared User IDs, Passwords or Security Devices will be issued; (b) that each user shall have his or her own User ID, Password and Security Device (if applicable); and (c) that Users shall not share User IDs, Passwords or Security Devices with each other. You agree you are responsible for obtaining, configuring and maintaining a secure malware free computing environment including, without limitation, installing and maintaining an up-to-date (Release versions and definitions) of firewall and anti-virus and anti-spyware/malware software. Your use of the Services is subject to the following limitations: There may be a limit on the dollar amount of the transactions you can make using these Services. Security reasons limit the dollar amount of transactions and these limits are subject to change from time to time. Online Bill Payments can only be made with U.S. currency. In addition to the Federal banking regulations that restrict the number of transfers and withdrawals, there may be limits on the number of transactions you can make using these Services. These limits are for security reasons and are subject to change. No Online Bill Payments may be made to Payees outside the United States. Additional limitations may be contained in this Master Agreement or the Product Schedules. Your ability to initiate transactions may also be limited by the terms of other agreements you have with the Bank or by applicable law.

Data and Information Supplied by You

You shall transmit or deliver data and other information in the format and on the media as provided for in the Product Schedule and the set of detailed instructions ("Operating Instructions") establishing the procedures and operating instructions governing the Service, if applicable or as otherwise required by the Bank in conjunction with rendering the Service(s) selected by you. You shall have the sole responsibility of ensuring the accuracy and correctness of the data transmitted. You acknowledge and agree that Bank shall not examine the data for correctness and the Bank shall not have any responsibility for detecting errors in the data transmitted by you. The data transmitted by you must be legible, correct and complete. Bank shall not process, and Bank shall not be liable to you for failure to process, the data if it is not in the format specified by Bank or if the data is incomplete. Bank shall not be liable for errors or omissions caused by data that is rejected as the result of your failure to provide the data in accordance with the standards specified in the Master Agreement or any applicable Product Schedule and the Operating Instructions.

You agree that you shall be solely liable for, and Bank shall not have any liability whatsoever to you for, any data or other information that is not received by Bank or for any data or other information that is intercepted or altered by an unauthorized third party. You agree that Bank has no obligation to accept any data or other information and, therefore, may reject any data or other information transmitted or delivered by you in connection with a Service.

Deadlines

You shall deliver or transmit all data or information to Bank by the deadline(s) specified in this Master Agreement or any applicable Product Schedule and the Operating Instructions. Bank shall have no obligation to process data or perform the Service if the data is not received by the Bank by the specified deadline.

Remotely Created Checks

Like any standard check or draft, a remotely created check (sometimes called a telecheck, preauthorized draft or demand draft) is a check or draft that can be used to withdraw money from an account. Unlike a typical check or draft, however, a remotely created check is not issued by the paying bank and does not contain the signature of the account owner (or a signature purported to be the signature of the account owner). In place of a signature, the check usually has a statement that the owner authorized the check or has the owner's name typed or printed on the signature line. For example, if a person provides an account number in response to a telephone solicitation, the telephone solicitor can use the account number to issue a remotely created check to withdraw money from that account.

You warrant and agree to the following for every remotely created check we receive from you for deposit or collection: (1) you have received express and verifiable authorization to create the check in the amount and to the payee that appears on the check; (2) you will maintain proof of the authorization for at least 2 years from the date of the authorization, and supply us the proof if we ask; (3) you agree to indemnify and hold us harmless against any all claims and (4) if a check is returned you owe us the amount of the check, regardless of when the check is returned. We may take funds from your account to pay the amount you owe us, and if there are insufficient funds in your account, you still owe us the remaining balance.

Privacy and Confidentiality

An explanation of our privacy policy will be provided to you separately in the manner required by applicable law. Please review it carefully. Our privacy policy may change from time to time and is available on our website and at our banking locations.

Confidentiality and Non-Disclosure

By requesting or using any Service, you agree and acknowledge that we will use reasonable efforts to hold in confidence all confidential information received by us in connection with the use of any Service. However, confidential information shall not be deemed to include any information which (i) is or becomes generally available to the public other than as a result of a disclosure by us; (ii) is or becomes available to us on a non-confidential basis by a third party that rightfully possesses the confidential information and has the legal right to make such disclosure; or (iii) is required to be disclosed by a court of competent jurisdiction, administrative agency or governmental body or by law, rule or regulation or by subpoena or other legal process. Furthermore, you acknowledge and agree that confidential information will be disclosed to certain employees, agents, and third-party independent contractors as necessary to provide the Services set forth above. You agree to hold confidential and to use only in connection with the Service provided under this Master Agreement and any applicable Product Schedule all information furnished to you by Bank or by third parties from whom Bank has secured the right to use the Service, including, but not limited to, Bank's product and service pricing structure, system design, programming techniques or other unique techniques. In addition, should you at any time receive or acquire any information relating to another customer of the Bank, you shall promptly return such information to Bank and not reveal such information to any other party and shall not make use of such information for your own benefit. You agree that any specifications or programs developed by the Bank in connection with this Master Agreement and any applicable Product Schedule or supplied or made available to you by Bank are the exclusive property of Bank, its agents, suppliers, or contractors, and further agrees that such material shall not be copied or used in any manner or for any purpose without the express written consent of Bank. Notwithstanding anything to the contrary contained herein, it is acknowledged and agreed by the parties hereto that the performance of said Service is or might be subject to regulation and examination by authorized representatives of the Comptroller of the Currency, the Board of Governors of the Federal Reserve System, the Board of Directors of the Federal Deposit Insurance Corporation, and/or a State regulatory agency and you agree to the release of your reports, information, assurances, or other data as may be required by them under applicable laws and regulations. This confidentiality and non-disclosure clause shall survive the termination of this Master Agreement.

USA PATRIOT Act and OFAC

You agree and acknowledge that, in compliance with the USA PATRIOT Act, we have adopted a Customer Identification Policy for the verification of the identity of all of our customers. You agree to provide all documents and records deemed necessary by us to adequately confirm your identity and the identity of any persons authorized to use or access any Service. We reserve the right to withhold our agreement to provide any requested Service until we have, to our satisfaction, verified your identity. You also acknowledge and agree that your identity as our customer, and the identities of any persons authorized to use or access any Service, will be compared against the List of Specially Designated Nationals and Blocked Persons promulgated by the United States Office of Foreign Assets Control (OFAC), and that we will not provide any Service to any person or entity that appears on that list. (This information may be obtained directly from the OFAC Compliance Hotline at 800-540-OFAC or from the OFAC's home page site at www.ustreas.gov/ofac.)

Limitation of Liability

We agree to use substantially the same type of procedures in performing the Services requested by you as we use in performing similar services on our own behalf. This standard of care, and our compliance with any instructions given to us by you, or reasonably believed by us to have been given by you, shall constitute a reasonable and ordinary standard of care.

We will be responsible only for performing the Services expressly provided for in the Master Agreement, and shall be liable only for our gross negligence or willful misconduct in performing those Services. We will not be responsible for any loss, delay, cost, or liability which arises, directly or indirectly, in whole or in part, from (a) your actions or omissions, or those of third parties; (b) your negligence or breach of any agreement with us; (c) any ambiguity, inaccuracy, or omission in any instruction or information provided to us; (d) any error, failure, or delay in the transmission or delivery of data, records, or items; (e) accidents, strikes or labor disputes, civil unrest, fire, flood, water damage (e.g., from fire suppression systems), inclement weather or acts of God; (f) causes beyond our control; (g) the application of any government or funds transfer system rule, guideline, policy, or regulation; (h) the lack of available funds in your account to complete a transaction; or (i) our inability to confirm to our satisfaction the authority of any person to act on your behalf. To the fullest extent allowed by law, Bank's liability to you under this Master Agreement or any applicable Product Schedule shall be limited to correcting errors resulting from Bank's gross negligence or willful misconduct. Without limiting the generality of the foregoing, in no event will our liability for any loss, cost, or liability arising from our gross negligence or willful misconduct exceed the average monthly charge for the Service in question for the month preceding the date of loss, except as otherwise required by UCC 4A.

In the event the Customer cannot create or transmit a transaction(s) due to hardware or communications outage, it is the responsibility of the Customer to have contingency procedures in place. In the event the Bank cannot process the file through normal channels, reasonable effort will be taken by the Bank to find alternate means to process the file. The Bank will not be held liable for delayed files in any case resulting from hardware or communication outages.

BANK SHALL NOT BE RESPONSIBLE OR LIABLE FOR ANY ERRORS OR FAILURES RESULTING FROM DEFECTS IN OR MALFUNCTIONS OF YOUR COMPUTER HARDWARE OR SOFTWARE, FOR THE QUALITY OF PERFORMANCE OR LACK OF PERFORMANCE OF ANY COMPUTER SOFTWARE OR HARDWARE OR INTERNET DELIVERED SERVICES SUPPLIED BY BANK TO YOU IN CONNECTION WITH THIS MASTER AGREEMENT, OR FOR THE TRANSMISSION OR FAILURE OF TRANSMISSION OF ANY INFORMATION FROM YOU TO BANK OR FROM BANK TO YOU. If Bank determines that Customer has not complied with this Agreement or followed the Procedures or if errors exist in the Images or other information contained in the File, Bank, in its sole discretion, may either reject the File or elect to correct the error and accept and process the corrected File (a “**Corrected File**”). As a form of correction, Bank may credit Customer’s Account for the full amount of the deposit and make any necessary adjustments to the Account to correct the error. Bank may, at its option, also perform a risk management analysis of one or more Files submitted by Customer to detect potentially fraudulent Checks, and, in its sole discretion, Bank may reject any such File or the Images or other information contained therein. If after examination of a File and the Images and other information contained therein, Bank determines that Customer has complied with this Agreement and processed and transmitted the File in accordance herewith and with the Procedures, the File is balanced and the Images meet the requirements of this Agreement, then Bank shall accept the File (an “**Accepted File**”) for deposit to Customer’s Account. Notwithstanding the fact that Bank has accepted a File for deposit, any credit made to Customer’s Account shall be provisional, and Customer shall remain liable to Bank for any errors, inaccuracies, breach of warranties and any other loss sustained by, or claim made against, Bank.

Bank, in its sole discretion, shall determine the manner in which Images shall be presented for payment to the drawee bank. Bank, in its sole discretion, shall select the clearing agents used to collect and present the Images, and Bank’s selection of the clearing agents shall be considered to have been designated by Customer. The terms Bank and Processor may be used interchangeably when used in relation to any services performed by a subcontractor on behalf of Bank including, but not limited to, the receipt and processing of checks and remittances and any data related thereto. It is the responsibility of the Customer to notify remitters that remittances shall be mailed to the Lockbox assigned by Bank. Bank and/or Processor shall perform certain specified functions and deposit the checks into Customer's account. Customer hereby requests and Bank has agreed to perform the Lockbox Services as provided in this Product Schedule.

Checking accounts

The Customer shall open a Checking Account(s), into which the Remittance payments shall be deposited, and shall submit all forms and documents, including but not limited to, signature cards, partnership agreements, and resolutions, as required by Bank in conjunction with this Service. Each Checking Account shall be subject to the Bank's rules, regulations and fees. The Bank is not obligated to process any Remittance payments or perform any Remittance services until the appropriate account has been established.

Chargebacks

When the Bank receives a Remittance Payment, it shall credit the appropriate Account for the full amount of the payment. Funds received at the Customer's P.O. Box after 9:00 A.M. may not be credited until the next Bank Business Day. All funds are credited conditionally subject to "final payment" and clearance of all remittances. The Bank reserves the right to reverse any credit that is subsequently disputed or fails to clear.

Authorization to Establish Post Office Box

Customer hereby authorizes Bank to establish a Post Office Box in Bank's name and Bank shall have exclusive access to the Post Office Box. Customer shall execute any and all forms required by the Postmaster to establish the Post Office Box and to grant Bank exclusive access thereto. Notwithstanding the foregoing and as provided elsewhere in this Product Schedule, Bank may deposit items to Customer's Account without indorsing items in Customer's name.

Bank's Duties and Responsibilities

(i) Processing Items. As an agent for Customer, Bank shall remove the contents of the Post Office Box each banking day at intervals determined by Bank in its sole discretion. Customer acknowledges and agrees that removal of the items from the Post Office Box shall constitute delivery of the items by Customer to Bank for collection. Bank shall open the envelopes, process the contents, and deposit the checks into Customer's account in accordance with *Bank Processing Procedures* below. Bank shall use reasonable efforts to process all items removed from the Post Office Box on the banking day the items are removed therefrom; however, Customer agrees that Bank shall not be responsible for any liability, loss, or damage resulting from Bank's failure to process items or to perform any other obligations under this Product Schedule which is caused by an act of God, fire, floods, adverse weather or atmospheric conditions or other catastrophes; war, sabotage, riots, acts of public enemy, or acts of governmental authority or the Board of Governors of the Federal Reserve; labor difficulties; equipment or computer failure or destruction or the unavailability, interruption, or malfunction of communications facilities or utilities; delays or failure to act by you or third parties and their personnel; criminal acts; or generally any cause reasonably beyond the Bank's control. Additionally, Bank shall have no liability to Customer for failure to process all items on any given day if the volume received by Bank for all of Bank's lockbox customers exceeds Bank's ability to process all of the items on the day of receipt.

(ii) Bank Shall Not Examine Items. Customer acknowledges and agrees that Bank will not examine items received by Bank and processed in conjunction with the Service rendered by Bank. Therefore, legends and other instructions placed on items such as, but not limited to, "not valid over \$500," "void after 90 days," "full accord and satisfaction," shall not be discovered by Bank, shall not be binding on Bank and shall not be enforceable against Bank. Customer further acknowledges and agrees that Bank shall not be liable to Customer for any loss that Customer may suffer as the result of Bank's processing items containing such legends, instructions, or irregularities. Customer will be responsible for notifying their payors to send directly to Customer any payments which should not be processed through the lockbox given the limitations stated above. Notwithstanding the foregoing, and without creating any liability on the part of Bank, if Bank detects an alteration, an incomplete check, post dated check, stale dated check, or other irregularity, Bank shall send such item to Customer.

(iii) Endorsement of Checks. The Uniform Commercial Code provides that a bank becomes a holder of unendorsed items when the customer who is a holder of the item delivers the item to a depository bank for collection. In accordance with that section, while Customer authorizes Bank to endorse items in its name and on its behalf, Bank may, in its sole discretion, elect not to place Customer's endorsement on items deposited by Bank to Customer's account.

If the Customer does not make a decision on Exception Items, the items will be forwarded unprocessed to the mailing address set forth in this Agreement.

Stop Payment Orders may be requested solely by entering the Stop Payment Order directly into the EPA Area. The Customer assumes full responsibility and liability for stop payments entered into the system. Stop Payment Orders shall remain in effect until terminated by the Customer by deleting the stop from the EPA Area.

LIMITATION OF LIABILITY FOR SERVICE

WITHOUT LIMITING THE GENERALITY OF THE *LIMITATION OF LIABILITY* SECTION OF THE GENERAL TERMS AND CONDITIONS OF THE MASTER AGREEMENT, THE ENTIRE LIABILITY OF BANK TO CUSTOMER HEREUNDER, AND CUSTOMER'S EXCLUSIVE REMEDY, FOR ANY CAUSE WHATSOEVER AND REGARDLESS OF THE FORM OF ACTION (WHETHER IN CONTRACT, TORT, OR OTHERWISE) WILL BE LIMITED TO THE ACTUAL, PROVEN DAMAGES OF CUSTOMER THAT ARE THE IMMEDIATE AND DIRECT RESULT OF AN ACTION OR FAILURE TO ACT BY BANK CONSTITUTING GROSS NEGLIGENCE, WILLFUL MISCONDUCT, OR FRAUD.

Treasury Management Sweep Accounts Product Schedule

Master and Sub Account General Overview

You will identify one or more of the Accounts on the Master Agreement Application as Sub Accounts (SUB). Subject to the terms and conditions set forth in this Agreement, the Bank will transfer funds to or from each so the balance in such SUB at the close of each posting day shall be the target balance specified by Customer on the Master Agreement Application (the "Target Balance"). If no amount is stated for the Target Balances then such balances shall be zero (\$00.00). The Target Balance may be adjusted from time to time upon mutual agreement of Bank and Customer. A Master Account may be linked to multiple SUBs and may, itself, be a SUB linked to another Master Account. If a Master Account is not a SUB, it is also an "Ultimate Master Account". An Ultimate Master Account is a concentration account and is the final Master Account in any chain of linked SUBs and Master Accounts. All Master Accounts, including the Ultimate Master Account, that are linked to one or more SUBs are collectively referred to herein as the "Master Accounts."

Funds Movement Between Master and Sub Accounts

When a SUB does not have sufficient funds to cover checks, transfers and other debits (collectively, "Debits") from such Account, the Bank will automatically transfer to the SUB available funds in the Master Accounts to which such SUB is linked in an amount sufficient to pay Debits. If there are insufficient available funds in the Master Accounts to pay Debits, we reserve the right, in our sole discretion, to pay or return any such Debits. If the Bank pays any Debit that overdraws a SUB (because of the lack of sufficient available funds in the linked Master Accounts), the payment of such Debit will result in a negative balance in a linked Master Account. At the close of each posting day, the Bank will automatically transfer to a linked Master Account any available funds in a SUB that are in excess of such SUB's Target Balance. If more than one SUB is linked to a Master Account or a chain of Master Accounts, the Bank will transfer available funds from the Master Accounts to cover Debits from all linked SUBs prior to making transfers from the Master Accounts to restore the Target Balance in the SUBs. If there are insufficient available funds in the Master Accounts to cover all Debits from all linked SUBs, the Bank reserves the right, in our sole discretion, to (a) pay or return any such Debits, and (b) advance funds to restore the Target Balance of any one or more of the SUBs. Any holds (i.e., restraints on payment of funds) applicable to a SUB shall be applied to the Master Accounts to which the Account is linked.

Bank as Agent for Repurchase Agreement Sweeps

You hereby appoint the Bank as Your agent to invest for you Investment Funds (as defined below) in United States government or agency securities as indicated on the Master Agreement Application. The Bank hereby accepts such appointment.

Sweep Transfers

On each of its banking days, Bank will use reasonable efforts to engage in Repurchase Transactions on behalf of Customer in an aggregate amount equal to the Investment Funds (as determined in this Agreement).

- **Corporate Treasury Management and Line of Credit Sweep.** On each of its banking days, the Bank is authorized and directed by the Customer to place all Excess Funds in the SUB as a payment of any outstanding balance on the Line. The Bank shall use reasonable efforts to transfer Excess Funds within one banking day after excess funds of the Customer become available on the Bank's books and records, and the Customer authorizes the Bank to conclusively rely on such books and records for purposes hereof. Any advance against Customer's Line under this Agreement is subject to the terms and conditions set forth in the Line Agreement and any and all other documentation in connection with said Line.
- **Repurchase Agreement Sweep.** On each banking day, Bank shall sweep the amount of funds in the SUB in excess ("Excess Funds") of the Target Balance and add the Excess Funds to the Investment Funds, to the extent such addition does not cause the amount of Investment Funds to exceed the maximum amount specified in The Treasury Management Services Master Agreement, if any ("Maximum Amount"). Only funds which are fully collected and available, as determined by the Bank in its sole discretion, will be used in determining total funds in the SUB, Excess Funds and Investment Funds.

The SUB is and will remain subject to all the terms, conditions, fees and charges and disclosures applicable to the SUB or to which the SUB is subject, none of which will be changed by this Agreement or the transactions or arrangements described in this Agreement.

Repurchase Transactions

Each repurchase transaction conducted pursuant to this Agreement (each, a "Repurchase Transaction" and collectively, the "Repurchase Transactions") will involve the sale by Bank, as principal, to Customer of an undivided interest (the "Interest") in a pool of obligations of the United States government or any agency thereof (the "Underlying Assets") held in a Custodial Account with a market value on the date of sale by Bank equal to the Investment Funds, and Bank's subsequent repurchase of such Interest. The purchase price ("Purchase Price") for the Interest will equal the Investment Funds on the date of sale by Bank. On the banking day following such sale (the "Repurchase Date"), Bank will repurchase the Interest at the Repurchase Price, unless the Repurchase Date is delayed by circumstances beyond the reasonable control of Bank, in which case the Repurchase Date shall be on the next available Banking Day. Bank will act as agent for Customer in Customer's purchase and subsequent resale of the Interest. In evidence of such Repurchase Transactions, Customer will receive daily confirmations (each, a "Confirmation" and collectively, the "Confirmations"). The Confirmation, together with this Agreement, shall constitute conclusive evidence of the terms agreed between Customer and Bank with respect to the Repurchase Transaction to which the Confirmation relates, unless with respect to the Confirmation specific objection is made promptly after receipt thereof. In the event of any conflict between the terms of such Confirmation and this Agreement, this Agreement shall prevail. The Repurchase Transactions provided by this Agreement will be available only to persons who establish and/or maintain an eligible Account with Bank. The terms of each Repurchase Transaction reflected in the Confirmations shall be binding on both parties, absent manifest error.

Repurchase Price And Earning (Repurchase Sweeps Only)

The "Repurchase Price" for any Repurchase Transaction (Collected Balance Only) will equal the sum of (i) the Purchase Price for that Repurchase Transaction and (ii) an amount determined by the application of the appropriate Pricing Rate to the Purchase Price for such Repurchase Transaction on a 365 days per year or a 366 days per year basis, as the case may be, during the period commencing on (and including) the date of sale by Bank of the Interest for such Repurchase Transaction and ending on (but excluding) the date of repurchase by Bank of the Interest for such Repurchase Transaction. On the last banking day of each calendar month, Bank will determine the aggregate (the "Monthly Earnings") of the excess of the Repurchase Price over the Purchase Price, added over all Repurchase Transactions for which the Repurchase Date occurred during such calendar month. On the last banking day of each calendar month, Bank will add the Monthly Earnings to the Investment Funds, regardless of whether such addition causes the Investment Funds to exceed the Maximum Amount. THE EXCESS OF THE REPURCHASE PRICE OVER THE PURCHASE PRICE AND THE MONTHLY EARNINGS ARE NOT EXCLUDABLE FROM FEDERAL AND STATE INCOME TAXES.

Pricing Rate (Repurchase Sweeps Only)

For any Repurchase Transaction entered into while the amount of the Investment Funds exceeds \$2,500, the "Pricing Rate" will be the rate set by Bank in its sole discretion. For any transaction entered into while the amount of the Investment Funds is less than \$2,500, the "Pricing Rate" will be equal to Bank's savings rate, as determined by Bank from time to time. **THE PRICING RATE WILL BE ESTABLISHED BY BANK IN ITS SOLE DISCRETION AND MAY BEAR NO RELATIONSHIP TO THE**

INTEREST RATES ON THE UNDERLYING ASSETS OR OTHER SECURITIES.

Redeposit of Funds in the Account

On each banking day, Bank will transfer into the Account so much of the Investment Funds as may be necessary (if any) so that for:

- **Treasury Management and Line of Credit Sweep** - in the event the Account's balance of collected, available funds drops at any time below the Target Balance, an amount necessary to restore the Target Balance will be redeemed from the Line up to the then available balance and the net proceeds will be redeposited in the Account. Should the balance of the Line and the Target Balance be insufficient to cover the charges to the Account, The Bank may cancel this Agreement immediately without notice. This Agreement is not intended to and shall not provide, overdraft protection, and in no event does the Bank provide any assurance that transactions by the Customer in its Account will not result in an overdraft or the incurrence of overdraft or other charges applicable to such Account.
- **Repurchase Collected Balance Sweep** - the amount of funds in the Account is equal to the Target Balance.

Customer hereby grants Bank the authority to transfer such amounts into the Account. Any portion of Investment Funds (after any charges) not transferred into the Account will be included in Investment Funds for purposes of sale on such day by Bank to Customer of the Interest. **THIS AGREEMENT IS NOT INTENDED TO AND SHALL NOT PROVIDE OVERDRAFT PROTECTION, AND IN NO EVENT DOES THE BANK PROVIDE ANY ASSURANCE THAT TRANSACTIONS BY THE CUSTOMER IN ITS ACCOUNT WILL NOT RESULT IN AN OVERDRAFT OR THE INCURRENCE OF OVERDRAFT OR OTHER CHARGES APPLICABLE TO SUCH ACCOUNT.**

Custodial Account (*Repurchase Sweeps Only*)

The Underlying Assets will be held in a custodial account at a third party custodian ("Custodian") in the name of Bank for the benefit of customers of Bank ("Custodial Account"). The Custodial Account will be separate from any account at Custodian holding Bank's unplugged securities.

Non-Transferability of Interest or Underlying Assets (*Repurchase Sweeps Only*)

Customer understands and agrees that it may not sell, pledge or hypothecate the Interest or any Underlying Assets to any party other than Bank during the term of this Agreement.

Segregation of Underlying Assets (*Repurchase Sweeps Only*)

To the extent required by applicable law, the Underlying Assets in the possession of Bank shall be segregated from other securities in its possession and shall be identified as subject to this Agreement. Segregation may be accomplished by appropriate identification on Bank's books and records.

Required Disclosure for Transactions in Which Bank Retains Custody of the Purchased Securities:

Bank is not permitted to substitute other Securities for those subject to this Agreement and therefore must keep Customer's Securities segregated at all times, unless in this Agreement Customer grants Bank the right to substitute other Securities. If Customer grants the right to substitute, this means that Customer's securities will likely be commingled with Bank's own securities during the trading day. Customer is advised that, during any trading day that Customer's Securities are commingled with Bank's Securities, they may be subject to liens granted by Bank to third parties and may be used by Bank for deliveries on other securities transactions. Whenever the Securities are commingled, Bank's ability to resegment substitute Securities for Customer will be subject to Bank's ability to satisfy any lien or to obtain substitute Securities.

No Substitution (*Repurchase Sweeps Only*)

Bank shall not have the right to substitute other Securities for any Underlying Assets.

Security for Payment of Bank Obligations Under Repurchase Transactions (*Repurchase Sweeps Only*)

Although the parties intend that all Repurchase Transactions shall be sales and purchases of securities, in the event any Repurchase Transactions are deemed to be loans, Bank shall be deemed to have pledged the Underlying Assets to Customer as security for the performance by Bank of its obligations under each such Repurchase Transaction. In such case, Customer is hereby granted a security interest in the Underlying Assets having a market value as of the end of each day not less than the Purchase Price of outstanding Repurchase Transactions held in the Custodial Account. Bank has no obligation to place or maintain with Custodian securities with an aggregate market value (plus accrued but unpaid interest thereon) greater than the aggregate Purchase Price of Bank's outstanding Repurchase Agreements. Custodian has no obligation to independently verify the sufficiency of securities in the Custodial Account and shall be entitled to rely upon the instructions of Bank. To the extent that the market value of securities held under the Custodial Agreement is less than the aggregate repurchase price of Bank's outstanding repurchase transactions under this Agreement and similar agreements between Bank and other customers of Bank, Customer and such other customers of Bank will be unsecured creditors of Bank. The security interest herein granted shall lapse and become of no effect upon the Bank's payment to the Customer of the amount due upon repurchase.

Status of Funds (*Repurchase Sweeps Only*)

Investment Funds swept out of an Account are not deposits under FDIC rules and will not be subject to FDIC insurance coverage limits. Under FDIC receivership policies, Customer will be the owner of or hold a perfected security interest in the specific securities allocated to such Investment Funds. Bank will act solely as agent for Customer, and, in the event of default, Customer will have the right to direct Bank to sell any securities allocated to the Investment Funds and apply the proceeds in satisfaction of any liability Bank may have in Customer's favor.

Use of Employee Plan Assets

If assets of an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA") are intended to be used by either party hereto ("Plan Party") in any Sweep Transaction contemplated by this Agreement, Plan Party shall notify Bank prior to the Transaction, and Plan Party shall represent in writing to Bank that the Transaction does not constitute a prohibited transaction under ERISA or is otherwise exempt therefrom. Bank may proceed in reliance thereon, but may decline to proceed in its sole judgment. Subject to the immediately preceding sentence, any Sweep Transaction shall proceed only if Bank furnishes or has furnished to Customer its most recent available audited statement (if any) of its financial condition and its most recent subsequent unaudited statement of its financial condition, and Bank shall be deemed (i) to represent to Customer that since the date of Bank's latest such financial statements, there has been no material adverse change in Bank's financial condition which Bank has not disclosed, and (ii) to agree to provide Customer with future audited and unaudited statements of its

financial condition as these are issued, so long as Bank is a party to any outstanding transaction pursuant to this Agreement involving a Plan Party.

Limitation of Liability

Customer understands and agrees that Bank shall have no liability or obligation for failure to make the sweeps or transfers into the Account provided for herein where such failures result or arise from bank holidays, or causes beyond Bank's reasonable control. Intent (Repurchase Sweeps Only)

The parties agree that each Repurchase Transaction under this Agreement is a "repurchase agreement" as that term is defined in Section 2121 of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 ("FIRREA") and Section 101 of Title 11 of the United States code, as amended (except insofar as the type of securities subject to such transaction or the term of such transaction would render such definition inapplicable), and a "securities contract" as that term is defined in Section 2121 of FIRREA and Section 741 of Title 11 of the United States Code, as amended (except insofar as the type of assets subject to such Repurchase Transaction would render such definition inapplicable). It is understood that either party's right to liquidate securities delivered to it in connection with Repurchase Transactions hereunder or to exercise any other remedies pursuant to this Agreement, is a contractual right to liquidate such a transaction as described in Sections 555 and 559 of Title 11 of the United States Code, as amended.

The parties agree and acknowledge that if a party hereto is an "insured depository institution," as such term is defined in the Federal Deposit Insurance Act, as amended ("FDIA"), then each Repurchase Transaction hereunder is a "qualified financial contract," as that term is defined in FDIA and any rules, orders or policy statements thereunder (except insofar as the type of assets subject to such Repurchase Transaction would render such definition inapplicable). It is understood that this Agreement constitutes a "netting contract" as defined in and subject to Title IV of the Federal Deposit Insurance Corporation Improvement Act of 1991 ("FDICIA") and each payment entitlement and payment obligation under any Repurchase Transaction hereunder shall constitute a "covered contractual payment entitlement" or "covered contractual payment obligation," respectively, as defined in and subject to FDICIA (except insofar as one or both of the parties is not a "financial institution" as that term is defined in FDICIA).

Disclosure Relating to Certain Federal Protections

The parties acknowledge and agree that they have been advised that (a) in the event one of the parties to this Agreement is a broker or dealer registered with the Securities and Exchange Commission ("SEC") under Section 15 of the Securities Exchange Act of 1934 ("1934 Act"), the Securities Investor Protection Corporation has taken the position that the provisions of the Securities Investor Protection Act of 1970 ("SIPA") do not protect the other party with respect to any transaction entered into under this Agreement, and (b) in the event one of the parties to this Agreement is a government securities broker or a government securities dealer registered with the SEC under Section 15C of the 1934 Act, SIPA will not provide protection to the other party with respect to any transaction entered into under this Agreement.

Single Agreement

Bank and Customer acknowledge and agree that they have entered into this Agreement and will enter into each Repurchase Transaction hereunder in consideration of and reliance upon the fact that, all Repurchase Transactions hereunder constitute a single business and contractual relationship and have been made in consideration of each other. Accordingly, each of Bank and Customer agrees (i) to perform all of its obligations in respect of each Repurchase Transaction hereunder, and that a default in the performance of any such obligations shall constitute a default by it in respect of all Repurchase Transactions hereunder, (ii) that each of them shall be entitled to set off claims and apply property held by them in respect of any Repurchase Transaction against obligations owing to them in respect of any other Repurchase Transactions or Account hereunder and (iii) that payments, deliveries and other transfers made by either of them in respect of any Repurchase Transaction shall be deemed to have been made in consideration of payments, deliveries and other transfers in respect of any other Repurchase Transactions hereunder, and the obligations to make any such payments, deliveries and other transfers may be applied against each other and netted.

You understand that the Securities are not deposits, are not insured by the Federal Deposit Insurance Corporation ("FDIC") or by any other government agency, and are not obligations of, or guaranteed by us or any other Bank. In the event that the Bank fails while you have purchased Securities pursuant to this Agreement, the FDIC should treat you either as the owner of the Securities, or as a secured creditor of the Bank with a security interest in the Securities. In either event, you should be entitled to receive the value of the Securities at that time. The Securities are subject to investment risks, including possible loss of the principal amount invested.

In the event that any of the deposits or other credits to Customer's Account(s) which contributed to the Investment Funds are reversed or otherwise charged back to such Account(s), then Bank shall have the corresponding right and option, in its sole discretion, to offset any such reversal or charge back against any Repurchase Price due Customer under this Agreement on account of any Repurchase Transaction.

The System can be used to access only Seacoast National Bank accounts which you have designated on the Agreement or identified by written authorization. You can add or delete any of the aforementioned accounts from this Agreement by completing a new Agreement or providing the Bank instructions in writing. Failure to do so may result in unauthorized transfers for which you will be responsible. If you close an account with pending transactions, then any unprocessed bill payment or fund transfer transactions will be cancelled.

Transfers can be made from a linked Seacoast National Bank checking, savings, money market account to most personal or business accounts. Transfers from a deposit account are immediately reflected in the account's available balance on the date of the transfer. Transfers scheduled for a weekend or a non-Bank Business Day will be processed on the prior Bank Business Day. All other scheduled and recurring transfers will be processed from the funding account at the beginning of the Bank Business Day requested. Funds transferred to a deposit account prior to 7:00 p.m. ET on a Bank Business Day will appear with the same day's date in the deposit account transaction history. Transfers to a Seacoast National Bank deposit account made after 7:00 p.m. ET as described above on a Bank Business Day but before 11:59 p.m. may be included in the balance we use to pay transactions that night. This process may impact when fees apply to your account. Please note that although these transfers are included in the balance we use to pay transactions that night, they may appear with our next Bank Business Day's date in the deposit account transaction history resulting in overdraft fees. Funds transferred as a payment to a line of credit, installment loan or mortgage account will be credited the next Bank Business Day after the date the payment is submitted. Please note, transfers to any deposit account on a Saturday, Sunday or bank holiday, will appear with our next Bank Business Day's date in the deposit account transaction history. Scheduled and recurring transfers between linked Seacoast National Bank accounts can be for any amount available including overdraft protection balances, in the debit account at the time of the scheduled transfer. At our discretion we may refuse to process any transaction that exceeds any of the above limits. In this case, you are responsible for making alternate arrangements or

rescheduling the payment or transfer within Online Banking.

Any obligations that you wish to pay through Online Banking with Bill Pay must be payable in U.S. dollars to a Payee located in the United States. We work with payees to encourage them to accept an electronic or check payment. If we are unsuccessful, or if we believe that the payee cannot process payments in a timely manner, we may decline to make future payments to this payee. In the unlikely event that this occurs, we will notify you. We may refuse to make payments to certain payees at our sole discretion and to payees that choose not to participate in these services. We reserve the right to restrict categories of Payees to whom payments may be made using the service. You agree that any Payment for taxes, Payments that are court-ordered, government payments and Payments outside of the United States are prohibited and you agree that you will not attempt to use the Service to make these types of Payments. When you create a new Payee in Online Bill Pay, it has a temporary status until we have had sufficient time to set up the account, and for your business Payees, verify information about your account. You should schedule a first-time Payment to a new Payee at least five (5) Business Days before any Payment due date, to allow us time to set up the Payee and verify information about your account with the Payee. There is no limit on the number of Payees or number of Payments that may be authorized. However, Bank reserves the right to impose limits at some future date, with proper written notice. You acknowledge and agree that if you describe a Payee inconsistently by name and account number, scheduled Bill Payment transactions to the Payee will occur on the basis of the account number, even if it identifies a person other than the named Payee.

Scheduling Online Bill Payments

e-Bills

e-Bills are a feature of the Bill Pay service that enables you to receive bills electronically from participating Payees. Participating Payees establish their own criteria for reviewing requests to deliver e-Bills and have sole discretion to accept or decline your request. We do not participate in this decision. Participating Payees generally take up to forty five (45) Bank Business Days to approve an e-Bill set-up request. In some cases we obtain the e-Bill from the web site of the Payee. To do so, we will ask you for information needed for this purpose, such as any required password. When you provide this information, you authorize us to access the third party web site to retrieve the account information on your behalf, and you appoint us your agent for this limited purpose. We take no responsibility if a Payee does not provide the necessary data to forward an e-Bill in a timely manner. If you do not receive a bill, it is your responsibility to contact the Payee directly. We are not responsible for any late charges or other adverse consequences. Any questions regarding your bill details should be directed to your Payee. All parties have the right to cancel the service at any time. We will notify you if Seacoast National Bank discontinues/stops e-Bills. When you establish e-Bills with a participating Payee you will provide certain information that will be forwarded onto the Payee to complete your enrollment. If you have concerns about the future use of this information you should contact your Payee directly.

- c) The Bank retains the right to assert the Customer's failure to exercise reasonable care under U.C.C. sections 3-406(a) and 4-406(c). The bank's wrongful honor shall however constitute a failure of the Bank to have exercised ordinary care under the loss allocation provisions of U.C.C. sections 3-406(b) and 4-406(e).
- d) The Bank retains the right to assert the defense that the Customer has sustained no actual damages because the Bank's honor of the Exception Check discharged for value an indebtedness of the Customer.

Wrongful Dishonor

Except as provided below, it shall constitute wrongful dishonor by the Bank if the Bank dishonors an Exception Check (a) for which the Customer has issued a timely Pay/Return Request instructing the Bank to pay said Exception Check or (b) for which the Customer has not issued a timely Pay/Return Request under the pay default option.

- a) The Bank's liability for wrongful dishonor of an Exception Check shall be limited to the damages for wrongful dishonor recoverable under U.C.C. Articles 3 and 4.
- b) Notwithstanding section titled Wrongful Dishonor, the Bank shall have no liability to the Customer for wrongful dishonor when the Bank, acting in good faith, returns an Exception Check:
 - i. that it reasonably believed was not properly payable; or
 - ii. if there are insufficient Available Funds on deposit in the Authorized Account; or
 - iii. if required to do so by the service of legal process on the Bank or the instructions of regulatory or government authorities or courts.

Rightful Payment and Dishonor

Except as provided in Section "Faulty Information" below:

- a) If the Bank honors an Exception Check in accordance with section titled Payment and Dishonor of Exception Checks, such honor shall be rightful, and the Customer waives any right it may have to assert that the Exception Check was not properly payable under U.C.C. section 4-401.
- b) If the Bank dishonors an Exception Check in accordance with section titled Payment and Dishonor of Exception Checks, the dishonor shall be rightful, and the Customer waives any right it may have to assert that the dishonor was wrongful under U.C.C. section 4-402.
- c) The Customer agrees that the Bank exercises ordinary care whenever it rightfully pays or returns an Exception Check consistent with the provisions of the Agreement.
- d) Each Matching Check or other check Customer authorized Bank to pay in accordance with this Service will be paid without Bank performing its customary (or any other) check verification procedures, and Bank will have no liability whatsoever for paying the check if its serial number or amount is altered, or if it is counterfeit, bears a forged or unauthorized signature or was otherwise not validly issued.

Indemnification

Customer:

- a) agrees to indemnify and hold Bank harmless from any losses or liabilities it may suffer or incur as a result of its payment of a Matching Check or other check at Customer's instruction; and
- b) releases and forever discharges Bank, and its parent, subsidiaries, affiliates, successors, officers, directors, employees and agents, from any and all manner of action or actions, suits, claims, damages, judgments, levies, executions, expenses, costs, interest, attorneys' fees and legal expenses, whether known or unknown, liquidated or not liquidated, fixed, contingent, direct or indirect, which Customer has, or ever can, may or shall have or claim to have against Bank regarding or relating to the return or payment of any check pursuant to provisions of this Agreement.

Faulty Information

The Bank shall be liable for any losses, other than consequential damages, proximately caused by its honor of a check that was not properly payable, or its dishonor of a check that was properly payable, if the honor or dishonor occurred because the Bank, in accordance with the provisions of section titled Positive Pay Services of this Agreement:

- (a) should have shown the check on a Suspect Report but failed to do so; or
- (b) showed the check on a Suspect Report but referenced the wrong check number, unless the Bank provided the Customer with timely information that disclosed the error.

Assignment

To the extent that the Customer suffers a loss under this Agreement, the Bank assigns to the Customer any claim that the Bank would have against a depository or collecting bank to recover the loss, including any claim of breach of warranty under U.C.C. sections 4-207, 4-208, and 4-209.

Positive Pay Best Practices

The Bank recommends that the following guidelines be followed in order to obtain the highest level of performance from our Positive Pay and Payee Positive Pay solution (PPP).

Check Stock - Follow ANSI standards for business checks with 24lb MICR bond. Any artwork, logo or design on the check that could hinder capturing a high quality image, should not be utilized, particularly if the design may interfere with a successful reading of the payee name information on the image. If art work is translucent or opaque and does not hinder capturing a high quality image, it should be acceptable for payee name processing.

Image Quality - Maintain image quality standards. Skew, noise and other defects reduce payee name verification accuracy.

Ink - Use only black ink.

Printers - Avoid using dot matrix printers.

Font - Experience has proven that Arial has high read rates and is preferred for PPP. Other acceptable fonts include: Times New Roman, Courier, Verdana, Univers, Tahoma, Albertus, Batang, Bookman, and Zurich.

Handwritten Items - Handwriting should be avoided but if cannot, it should be written legibly in block letters of approximately the same size as the above referenced typed fonts. If handwriting is not extremely legible, these items can experience a higher exception rate. Items written in cursive will be mismatched and presented to the client as an exception.

Formatting - Avoid extra spaces, underlining, italicizing or bolding. Use of punctuation should be limited. Payee data should be displayed in a clear area, free of and not touching other text, lines or stamp marks. The use of all upper-case is recommended. Provide sufficient spacing between individual letters within the name so that each letter of the name can be clearly read. It is recommended that most printers use pitch proportionate to the font, however, in situations in which pitch is fixed, we suggest a pitch of 10 pt. After printing, there should be about 10 characters per inch.

Placement - The payee name should be listed in close proximity (to the right or just below) "Pay to the Order Of". Horizontally, the payee should not extend past the middle of the check. Vertically, the payee name should be located just below the vertical midpoint of the check but should not extend to the bottom ¼ of check or interfere in any way with the MICR line information contained at the bottom of the check. The payee data should be displayed in a clear area, free of and not touching other text, lines.

Special Characters - Do not use special characters, such as an asterisk (*) on your issue file. Special characters are not typically contained in legitimate payees and can result in higher exception rates.

Disclaimer of Warranty and Limitation of Liability

It will be your sole responsibility to enter and verify the accuracy and completeness of the wire transfer information prior to submitting the wire transfer request to us. Customer agrees that Bank shall have no obligation to discover errors in wire transfer requests and shall not be liable to Customer for errors made by Customer, including but not limited to errors made in identifying the beneficiary, or an intermediary or beneficiary's financial institution, or for errors in the amount of the wire transfer request. You agree to accept and bear any and all liability for any wire transfer request issued in accordance with the Security Procedure. You agree to release and hold harmless us, our officers, directors, employees, agents, affiliates, and assigns, from any and all liability in the execution of any wire transfer request received through the system. It shall be your sole responsibility to establish and maintain appropriate access controls to the Security Procedures.

If notification of an unauthorized transaction or other error is communicated orally, it shall be confirmed promptly in writing. The Customer will be deemed to have received any advices and statements of account that are mailed by the Bank five business days after such mailing. The Bank shall have no liability to the Customer for any loss or damage sustained by the Customer arising out of any Wire transfer request referenced in a statement of account for the Authorized Account or in an individual advice, and no legal proceeding or action shall be brought by Customer against Bank to recover such loss or damage, unless (a) Customer shall have given the written notice as provided for herein, and (b) such legal proceeding or action shall be commenced within the period established by UCC 4A. Wire Transfer Requests

Initiating Requests

Your authorized representative may direct us to transfer funds from any of your designated accounts listed on the Master Agreement Application to any beneficiary or other account at another bank. These requests must be made by telephone, or fax or online banking system or by you at one of our financial center locations. Bank has no obligation to notify Customer of the rejection of the Wire transfer request issued by Customer but Bank may so notify at its option. Bank shall have no liability to Customer for rejection of a wire transfer request and shall not be liable to pay interest to Customer even if the amount of Customer's wire transfer request is fully covered by a withdrawable credit balance in an Authorized Account of Customer or the Bank has otherwise received full payment from Customer. Specifically, we will be under no obligation to honor, either in whole or in part, any transfer request (a) which exceeds your available funds on account with Bank; (b) for which Bank was not able to obtain an authentication, as stated herein; (c) which is not in accordance with any condition indicated by you and agreed to by Bank; (d) is not in accordance with rules, laws and regulations governing wire transfers; or (e) which is not in accordance with the security requirements, (f) in the Bank's sole discretion we may accept or reject any transfer request or any other requirements as stated herein. The Bank may either before or after processing a wire transfer, debit the amount (plus the fee) of such a transfer from the Customer account(s) at the Bank which is (are) designated for that purpose; if there is no such account designated, the Bank may charge any account of the Customer at the Bank in the amount of the wire transfer which the Customer has ordered; if the Customer's available funds at the time of a wire transfer is less than the amount to be wired, the Bank will notify the Customer that the wire will be canceled. If Bank creates an overdraft or draws upon uncollected funds to complete a wire transfer, you agree to repay Bank upon demand. However, Bank is under no obligation to create an overdraft or draw upon uncollected funds for that purpose.

To initiate a transfer request, your authorized representative must provide

Bank with the following information in accordance with Bank Secrecy Act and any other federal or state laws or regulations including:

- Your account number from which funds are to be withdrawn;
- The amount to be transferred;

- The bank to which funds are to be transferred, bank identification number (R/T #), bank name and address; and

The Bank reserves the right to call back one of your authorized representatives (including a representative other than the authorized representative who made the request) to authenticate a transfer. If Bank is unable to secure an authentication, Bank need not execute the transfer request or may delay making the requested transfer pending authentication.

Cancellation or Amendment of Wire Transfer Requests

Bank shall have no obligation or duty to cancel or amend a wire transfer request unless Bank receives notice from you to cancel or amend a wire transfer within a reasonable time prior to Bank executing the wire transfer instruction. In the event Bank attempts to cancel or amend a wire transfer instruction after Bank has executed it, Bank will not be obligated to refund any monies to you until Bank receives acceptable evidence that the transaction has been satisfactorily canceled or amended as to all parties, including the replacement of all funds which were transferable by Bank to effect the transfer request. You understand that a receiving bank is under no obligation to cancel or amend the wire transfer instruction. The amount of any refund will be reduced by all charges and expenses incurred in connection with the cancellation or amendment request, whether or not successful.

Bank may reasonably rely on an oral cancellation or amendment request if Bank believes same is being given by an authorized representative. However, Bank reserves the right to require that such request be authenticated pursuant to Bank's security procedure. You agree to indemnify and hold Bank harmless from all claims, losses, damages, liabilities and expenses, including reasonable attorneys' fees incurred in connection with any cancellation or amendment request.

Rejection of Wire Transfer Requests

If Bank does not accept a wire transfer request for any reason or if a wire transfer is returned by another bank, Bank may attempt to notify you by telephone that the wire transfer cannot be completed. If Bank does not reach you by telephone or cannot resend the wire, Bank Branch will telephone Customer no later than the Bank Business Day after the date Bank learns that the wire transfer cannot be completed. If the wire is returned by a receiving bank, you may receive a notice from Bank that the wire was rejected even after you receive a confirmation from Bank that the wire was sent.

Reliance, Authorization and Confirmation

You understand and agree that wire transfer requests may be processed on the basis of a bank account number or bank identification number, even if the number refers to a different beneficiary or bank than the one identified in the request. If you do not provide bank identification number known as a Routing and Transit number (R/T #), bank name, city and state for the receiving bank, Bank will use reasonable efforts to locate the correct number on your behalf; however, Bank will not be responsible for errors in any identification number which you fail to provide. Customer is liable for and must settle with Bank for any funds transfer initiated by Customer that identifies the beneficiary by account or identifying number or by name and account or identifying number. Bank shall have no duty to detect any inconsistency between the name and number contained in a wire transfer request and the Customer shall be responsible for any inconsistencies. The Customer shall indemnify and hold the Bank harmless from and against any loss, liability, expense or damage that the Bank may incur as a result of such inconsistency, including, without limitation, attorneys' fees and expenses of litigation.

The Wire Transfer Department will assign a transfer number to each completed wire transfer request. This reference number will appear on the confirmation notice.

Completed wire transfer requests will be reflected on your periodic account statement. You agree to notify Bank as soon as possible of any discrepancy, but in any event within thirty (30) calendar days following receipt of the confirmation notice or account statement, whichever is sooner. You agree that you will be liable for any losses resulting from your failure to give Bank such notice.

Compensation

If you suffer any loss of interest resulting from Bank's error in executing a wire transfer request, or from Bank's failure to execute a wire transfer in accordance with the terms and conditions herein, Bank will reimburse you for such loss as stated herein, provided you have complied with these terms and conditions, and provided further that such error or failure was within Bank's reasonable control. Such compensation shall be limited to the amount of interest the funds to be transferred (less required reserves) would have earned at the average Federal Fund Rate in effect for the period involved; provided, however, if you fail to notify Bank of the error within thirty (30) calendar days after you receive the confirmation notice or the periodic account statement, whichever occurs first, Bank will not be responsible to pay compensation on any amount refundable to you for the period before Bank learns of the error.

Changes

From time to time, you may change (a) accounts from which transfers may be made; (b) authorized representatives. However, you agree that Bank may rely on the information previously supplied by you until Bank receives written notice of any change on forms prescribed by Bank, and signed by your duly authorized account signers. In emergency situations, deletion of authorized representatives may, in Bank's discretion, be accepted by telephone, fax, and confirmed in writing by your duly authorized account signers. Any notice of change with regard to such matters will not be in effect until: (i) expressly accepted by the Bank in writing, and (ii) then, only after the Bank has a reasonable time to put such change(s) into effect.

Incoming Transfers

Incoming wire transfers will be credited to the account name and number as stipulated in the wire instructions. If there is a discrepancy in the name and account number, the Wire Transfer Department may return the funds to the originating bank for clarification. If the Wire Transfer Department does not realize that the name and the account number identity are different parties, the Wire Transfer Department may credit the funds to the account number identified. The Wire Transfer Department reserves the right at any time to process incoming wires on the basis of account number alone.

Use of Correspondents, Agents, and Systems.

The Customer agrees that in executing any wire transfer request, Bank may make use of such correspondents, agents and Payment Order and communication systems as it deems necessary or desirable to execute such wire transfer request. To the fullest extent permitted by law (a) such correspondents, agents and systems shall be deemed to be agents of the Customer and Bank shall not be liable for any errors, negligence, suspension, or default of any of them or for any failure to identify the beneficiary or any mistake in payment by any of them, and (b) the Bank shall not be liable for any errors, mutilations, mis-delivery, or failure of delivery in the transmission of any wire transfer request such correspondents, agents and Payment Order and communication systems or for any suspension of any means of communication or for any imposition of a censorship, exchange control or other restriction by such correspondents, agents and Payment Order and communication systems, all such risk being borne by the Customer.

Transmission of Entries by Customer

User(s) shall initiate the debit or credit Entries outlined in the Master Agreement Application on behalf of and selected by Customer. Bank shall be entitled to deem any person having knowledge of any Security Procedure, defined below in the section titled Notice of Returned Entries of this Agreement and required to initiate Entries under this Agreement, to be a User. User(s) shall transmit Entries to Bank in computer readable form in compliance with the formatting and other requirements set forth in the NACHA file specifications or as otherwise specified by Bank. The cutoff time for transmission to the Bank on a Business Day is 4:00 p.m. EST or EDT and shall be transmitted no less than one Business Day prior to the Effective Entry Date. Entries received after the cut off time shall be deemed to have been received on the next Business Day. The total dollar amount of Entries transmitted by Customer to Bank on any one Business Day shall not exceed the lesser of the amount of available funds in Customer's account or the Maximum Daily Submission Limit set forth on the Master Agreement Application.

Customer agrees that Bank may not process an Overlimit Entry. Bank will suspend any Overlimit Entry submitted by Customer and may, following its receipt of an Overlimit Entry; suspend all In-Process Entries. Customer acknowledges that any Overlimit Entry or other In-Process Entries suspended by Bank will not settle on their scheduled Settlement Date. If Customer wishes to initiate an Entry that would cause the amount of In-Process Entries to exceed the Entry Settlement Limit, Customer may submit to Bank its request to initiate an Entry that otherwise would be an Overlimit Entry. Customer must submit its request at least 2 banking days prior to the date on which Customer wishes to initiate the Entry that otherwise would be an Overlimit Entry. Bank may require from Customer financial or other information in connection with Bank's consideration of the request. Bank may grant or deny Customer's request at its sole discretion. Customer acknowledges that the Limits are solely for the protection of Bank and its assets.

In addition to the foregoing, Bank generally reserves the right to limit the nature and amount of the preauthorized debit/credit Entries processed under this Agreement or to refuse to process any debit/credit Entries under this Agreement if, in Bank's sole judgment (i) there is reasonable cause to believe that any Entry will be returned or will not settle in the ordinary course of the transaction for any reason, (ii) to do otherwise would violate any limit set by the applicable clearing house association or any governmental authority or agency to control payment system risk, or (iii) a preauthorized credit Entry or the return of a preauthorized debit Entry would create an overdraft of Customer's Accounts. If any of the foregoing actions are taken by Bank with respect to a particular preauthorized debit/credit Entry, Bank will notify Customer as promptly as practicable, but in no event later than 2 banking days after its decision. Customer may not reinitiate entries except as prescribed by the Rules.

Third-Party Service Providers

Customer may be using special equipment, services or software provided by a third party to assist it in processing Files hereunder ("Service Provider"). Customer agrees not to use a Service Provider to transmit files to Bank without first entering into a Third Party Service Provider Agreement. If Customer uses Service Provider

to transmit Files to Bank and Customer and Service Provider have not entered into a Third Party Service Provider Agreement, Customer (a) agrees that Service Provider is acting as Customer's agent in the delivery of Files to Bank, and (b) agrees to assume full responsibility and liability for any failure of Service Provider to comply with the laws of the United States, the Rules and this Agreement. Bank will not be liable for any losses or additional costs incurred by Customer as a result of any error by Service Provider or a malfunction of equipment provided by Service Provider. Customer is solely responsible for maintaining compliance with the requirements of Service Provider, including obtaining any software updates. Bank's sole responsibility shall be to transmit Bank approved transactions to the ACH Operator and Bank shall not have any responsibility for any File handled by Service Provider until that point in time when Bank accepts and approves a File from such Service Provider for processing. If Bank authorizes Customer to use a Service Provider, the terms and conditions governing the relationship between Customer and the Service Provider shall be governed by a separate agreement between Customer and Service Provider ("**Service Provider Agreement**"). All of Customer's obligations and responsibilities under this Agreement will apply to the Service Provider, and Customer's separate agreement with the Service Provider must so provide. At Bank's request, Customer will provide to Bank a true and exact copy of such agreement. Customer shall designate the Service Provider as a User and the Service Provider must also enter into a Service Provider Agreement before the Service Provider sends Files to Bank. Notwithstanding the foregoing, Customer hereby authorizes Bank to accept any File submitted by the Service Provider even if the Service Provider has not been designated as a User or if the Third Party Service Provider has not executed the Service Provider agreement. Customer hereby indemnifies and holds Bank harmless for any losses, damages, fines, assessments, costs and expenses incurred or suffered by Bank or any other person as a result of or arising from Customer's use of Service Provider, including fines or assessments incurred under or pursuant to the Rules and attorneys' fees.

Upon request, Customer shall furnish the original or a copy of the authorization to any affected Participating Depository Financial institution, as defined in the Rules.

If the amount of a Debit Entry to a Customer's account varies in amount from the previous Debit Entry relating to the same authorization or preauthorized amount, Customer shall, at least ten (10) calendar days before the Effective Entry Date of such Debit Entry, send the Customer written notice of the amount of such Debit Entry and its Effective Entry Date, unless Customer has previously been notified of Customer's right to receive such notice and Customer has elected to receive such notice only when the Debit Entry does not fall within a specified range of amounts or varies from the most recent Debit Entry by an agreed amount. If any change is made by Customer in the scheduled Effective Entry Date of one or more Debit Entries, Customer shall, at least seven (7) calendar days before the Effective Entry Date of the first such Debit Entry to be affected by such change, send the Customer a written notice of the new Effective Entry Date(s) of such Entry or Entries.

- a) Use commercially reasonable efforts to comply with the instructions of Customer, (ii) process Entries received from Customer to conform with the file specifications set forth in the Rules, (iii) transmit such Entries as an ODFI to the "ACH" processor selected by Bank, (iv) settle for such Entries as provided in the Rules, and (v) in the case of a credit Entry received for credit to an account with Bank ("**On-Us Entry**"), Bank shall credit the Receiver's account in the amount of such credit Entry on the Effective Entry Date contained in such credit Entry provided such credit Entry is received by Bank at the time and in the form set forth in this Schedule.
- b) Transmit such Entries to the ACH processor by the deposit deadline of the ACH processor, provided: (i) such Entries are completely received by Bank's cut-off time at the location specified by Bank to Customer from time to time; (ii) the Effective Entry Date satisfies the criteria provided by Bank to Customer; and (iii) the ACH processor is open for business on such Business Day. Customer agrees that the ACH processor selected by Bank shall be considered to have been selected by and designated by Customer. The Customer will receive immediately available funds for any electronic debit entry initiated by it on the Settlement Date applicable thereto.

Settlement of Credit Entries and Returned Debit Entries

Customer agrees to settle for all credit Entries issued by Customer, User(s), or credit Entries otherwise made effective against Customer. Customer shall make settlement at such time on the date of transmittal by Bank of such credit Entries as Bank, in its discretion, may determine, and the amount of each On-Us Entry at such time on the Effective Date of such credit Entry as Bank, in its discretion, may determine. Customer shall settle with Bank for the amount of each debit Entry returned by a Receiving Depository Financial institution ("**RDFI**") or debit Entry dishonored by Bank. Settlement shall be made by Customer to Bank in any manner specified by Bank. Notwithstanding the foregoing, Bank is hereby authorized to charge the account(s) ("**Authorized Account(s)**") designated in the Treasury Management Services Master Agreement, as settlement for credit Entries issued by Customer or returned or dishonored debit Entries. If Bank requires pre-funding, Customer shall maintain sufficient available funds in the Authorized Account(s) to settle for the credit Entries at the time the credit Entries are issued by Customer. In the event the Authorized Account or any other Customer bank account does not have collected funds sufficient on the Settlement Date to cover the total amount of all Entries to be paid on such Settlement Date, Bank may take any of the following actions:

- a) Refuse to process all Entries, in which event Bank shall return the data relating to such credit Entries to Customer, whereupon Bank shall have no liability to Customer or to any third party as a result thereof; or
- b) Process that portion of the credit Entries as Customer has sufficient available funds in the Authorized Account to cover, in whatever order Bank in its sole discretion shall elect to process, in which event Bank shall return the data relating to such credit Entries as are not processed to Customer, whereupon Bank shall have no liability to Customer or any third party as a result thereof; or
- c) Process all credit Entries. In the event Bank elects to process credit Entries initiated by Customer and Customer has not maintained sufficient available funds in the Authorized Account with Bank to cover them, the total amount of the insufficiency advanced by Bank on behalf of Customer shall be immediately due and payable by Customer to Bank without any further demand from Bank. If Bank elects to pay Customer's account in the overdraft on any one or more occasions, it shall not be considered a waiver of Bank's rights to refuse to do so at any other time nor shall it be an agreement by Bank to pay other items in the overdraft.
- d) Should Customer's return rate for unauthorized Entries exceed one (1) percent of the total number of Entries transmitted over the preceding sixty (60) days, or two calendar months, Bank may suspend use of this service.
- e) The Bank may, in its sole discretion, place a hold on Customer's account as a reserve for any ACH Debit Entry transmitted by Bank that is subsequently returned. In the event Customer does not satisfy its obligations under this Agreement as provided above, Customer agrees that Bank may, at its sole discretion, charge interest at the highest rate allowable by law from the date there are insufficient collected funds to cover Customer's obligations under this Agreement until said obligations are satisfied, plus an administrative fee of 5% of the overdraft amount, minimum of \$50.00.
- f) Bank shall not be responsible for acts or omissions of any third party, including without limitations any Federal Reserve Bank, courier service, Payment Systems Network, NACHA, any transmission or communications facility, or any other party involved with processing of the Entry, any Receiver or RDFI (including without limitation the return of an Entry by such Receiver or RDFI), and no such third party shall be deemed Bank's agent.

Pre-Funding

Bank reserves the right to require Customer to pre-fund an Account maintained at Bank prior to the Settlement Date of the ACH file. Bank shall determine whether pre-funding is required based on criteria established from time to time by Bank. Bank will communicate directly to Customer if pre-funding is required and, if requested by Customer, will provide Customer with an explanation of its pre-funding criteria. If it is determined that pre-funding is required, Customer will provide immediately available and collected funds sufficient to pay all Entries initiated by Customer (a) not later than 9:00 a.m. local time three (3) banking days before each Settlement Date, and (b) prior to initiating any Entries for which pre-funding is required.

If any of those requirements are not met, the Bank shall use reasonable efforts to credit the Receiver's account in the amount of such Entry no later than the next Business Day following such Effective Entry Date.

Reserves

From time to time, Bank shall evaluate Customer's transaction activity for the purpose of establishing averages for transaction frequency, amount, returns and adjustments. These evaluations will occur at least annually and may occur more frequently at Bank's discretion. In connection with these evaluations, Bank reserves the right to require Customer to establish reserves with Bank calculated by Bank to cover Customer's obligations to Bank arising from ACH activities under this Agreement. Reserves may be expressed as a fixed dollar amount or as a "rolling reserve" calculated based on "rolling" averages determined by Bank's periodic evaluations. The amount of reserves required by Bank, if any, will be communicated directly to Customer from time to time. Customer agrees to establish reserves as required by within five (5) banking days after receipt of a communication from Bank setting forth the amount of required reserves and the basis of calculation used to determine the amount of reserves. Bank may suspend ACH processing activity for Customer if Customer fails to establish the required amount of reserves within the time period specified by Bank in its communication to Customer.

Rejection of Entries

Customer agrees that Bank has no obligation to accept Entries and therefore may reject any Entry issued by Customer. Bank has no obligation to notify Customer of the rejection of an Entry but Bank may do so at its option. Bank shall have no liability to Customer for rejection of an Entry and shall not be liable to pay interest to Customer even if the amount of Customer's payment order is fully covered by a withdrawable credit balance in an Authorized Account of Customer or the Bank has otherwise received full payment from Customer.

Cancellation or Amendment by Customer

Customer shall have no right to cancel or amend any Entry after its receipt by Bank. However, Bank may, at its option, accept a cancellation or amendment by Customer. If Bank accepts a cancellation or amendment of an Entry, Customer must comply with the Security Procedures of this Agreement. If such a request is received by the Bank before the affected Entry has been transmitted to the ACH (or, in the case of an On-Us Entry, before the Receiver's account has been credited or debited), the Bank will use reasonable efforts to cancel or amend the Entry as requested, but the Bank shall have no liability if the cancellation or amendment is not effected. If Bank accepts a cancellation or amendment of an Entry, Customer hereby agrees to indemnify, defend all claims and hold Bank harmless from any loss, damages, or expenses, including but not limited to attorney's fees, incurred by Bank as the result of its acceptance of the cancellation or amendment.

Reversals of Entries

To be "proper and timely," the request must (i) be made within five (5) Business Days of the Effective Entry Date for the Entry or File to be reversed; (ii) be made immediately, not to exceed ten (10) hours, upon discovery of the error; and (iii) be accompanied by a Reversal/Cancellation Request form and comply with all of the Rules. In addition, if the Customer requests reversal of a Debit Entry or Debit File, it shall concurrently deposit into the Customer Account an amount equal to that Entry or File. The Customer shall notify the Receiver of any reversing Entry initiated to correct any Entry it has initiated in error. The notification to the Receiver must include the reason for the reversal and be made no later than the Settlement Date of the reversing Entry.
- b) No Liability: Reimbursement to the Bank. Under no circumstances shall the Bank be liable for interest or related losses if the requested reversal of an Entry is not effected. The Customer shall reimburse the Bank for any expenses, losses or damages it incurs in effecting or attempting to effect the Customer's request for reversal of an Entry.

Error Detection

Bank has no obligation to discover and shall not be liable to Customer for errors made by Customer, including but not limited to errors made in identifying the Receiver, or an Intermediary or RDFI or for errors in the amount of an Entry or for errors in Settlement Dates. Bank shall likewise have no duty to discover and shall not be liable for duplicate Entries issued by Customer. Notwithstanding the foregoing, if the Customer discovers that any Entry it has initiated was in error, it shall notify the Bank of such error. If such notice is received no later than four (4) hours prior to the ACH receiving deadline, the Bank will utilize reasonable efforts to initiate an adjusting Entry or stop payment of any On-Us credit Entry within the time limits provided by the Rules. In the event that Customer makes an error or issues a duplicate Entry, Customer shall indemnify, defend all claims, and hold Bank harmless from any loss, damages, or expenses, including but not limited to attorney's fees, incurred by Bank as result of the error or issuance of duplicate Entries.

Customer, at its option, may send prenotification that it intends to initiate an Entry or Entries to a particular account within the time limits prescribed for such notice in the Rules. Such notice shall be provided to the Bank in the format and on the medium provided in the media format section of such Rules. If Customer receives notice that such prenotification has been rejected by an RDFI within the prescribed period, or that an RDFI will not receive Entries without having first received a copy

of the Authorization signed by its customer, Customer will not initiate any corresponding Entries to such accounts until the cause for rejection has been corrected or until providing the RDFI with such authorization within the time limits provided by the Rules.

Notice of Returned Entries and Notifications of Change

Bank shall notify Customer by e-mail, facsimile transmission, US mail, or other means of the receipt of a returned Entry from the ACH Operator. Except for an Entry retransmitted by Customer in accordance with the requirements of the Master Agreement and this Schedule, Bank shall have no obligation to retransmit a returned Entry to the ACH Operator if Bank complied with the terms of this Agreement with respect to the original Entry. Customer Representations and Warranties; Indemnity

With respect to each and every Entry transmitted by Customer, Customer represents and warrants to Bank and agrees that (a) each person or entity shown as the Receiver on an Entry received by Bank from Customer has authorized the initiation of such Entry and the crediting or debiting of its account in the amount and on the Effective Entry Date shown on such Entry, (b) such authorization is operative at the time of transmittal or crediting or debiting by Bank as provided herein, (c) Entries transmitted to Bank by Customer are limited to those types of credit and debit Entries set forth in the Treasury Management Services Master Agreement, (d) Customer shall perform its obligations under this Agreement in accordance with all applicable laws, regulations, and orders, including, but not limited to, the sanctions laws, regulations, and orders administered by OFAC; laws, regulations, and orders administered by FinCEN; and any state laws, regulations, or orders applicable to the providers of ACH payment services, and (e) Customer shall be bound by and comply with the provision of the Rules (among other provisions of the Rules) making payment of an Entry by the RDFI to the Receiver provisional until receipt by the RDFI of final settlement for such Entry. Additional Customer Warranties for Selected Standard Entry Classes

NACHA, in its role of ensuring the safety, security, and viability of the ACH network, has determined that certain single-use or limited-use consumer authorizations have the potential to increase risk in the ACH system and compromise system effectiveness by increasing the incidence of returned Entries. Therefore, to qualify as an Originator of such Entries, Customer hereby warrants to Bank that for each such ACH Entry submitted for processing, Customer has obtained all authorizations from the Receiver as required by the Rules, by Regulation E or other applicable law, and this Agreement. Customer also makes the additional warranties to Bank that Bank makes to each RDFI and ACH Operator under the Rules for the respective SEC codes for Entries originated by Customer. Customer indemnifies and holds Bank harmless from any liability arising out of Customer's breach of these warranties.

Customer authorizes Bank to charge Customer's Debited Account for any applicable fees.

Customer agrees to maintain sufficient available balances in Customer debited account(s) to cover each ACH debit transaction authorized under the Master Agreement. - b) **Identification of ACH Transactions to Block.** Customer and Bank acknowledge that ACH transactions are originated according to certain processing Rules which require the use of an Originator Name and Originator Identification Number imbedded in the transaction to identify its source, and this imbedded data is a critical component of Bank's ability to monitor for transactions which Customer desires to block. Bank shall act in good faith to process Customer's Operating Instructions. However, if the identifying information in the transaction is inconsistent or is described inconsistently by Customer in Operating Instructions, Bank shall be held harmless for posting an ACH transaction to Customer's account and any dispute related to such a transaction shall be between Customer and the Originator of the transaction.

Bank shall not be liable for any loss arising from Customer's failure to exercise due diligence.
- f) **Hold Harmless.** Customer shall accept liability to any party and hold the Bank harmless for any damages, losses, fines, fees, taxes, legal expenses, or actions at law arising from the return (dishonor) of any ACH Debit Transaction if such return resulted from the correct application of the Customer's Operating Instructions and/or Pay/Return Instructions.
