Dear California Affordable Housing Initiatives, Inc. (CAHI)

As owner/agent of the property referenced above, I hereby certify that in accordance with Chapter 9, Section 9-16 of the U. S. Department of Housing and Urban Development (HUD) Section 8 Renewal Policy Guide the following statements regarding the Rent Comparability Study commissioned (RCS) for (Name of Property) are true:

- 1. As Owner/Agent, I reviewed the content of the RCS and concluded that the RCS includes all material required by Appendix 9-10.
- 2. The appraiser's narratives and Rent Grid accurately describe the subject project and properly treat non-shelter services and their funding sources as required by Section 9-12.
- 3. There are no identity-of-interest conflicts existing between principals of the subject's Ownership or management agent entity and the principals that manage / own the projects used as comparables, except those identified here: ________. (See Handbook 4381.5, Paragraph 2-3 for a definition of the term "identity-of-interest".)
- 4. As Owner/Agent, I certify that:
 - a. neither the selection of the appraiser nor the appraiser's compensation was/is contingent upon the appraiser reporting a predetermined rent or direction in rent;
 - b. to the best of my knowledge, the appraiser meets Section 9-8A's conditions regarding absence of financial, employment, and family relationships;
 - c. the fee paid for the RCS is the only compensation the appraiser will receive for the RCS work and there is no side agreement or other consideration.
- 5. As Owner/Agent, HUD or the Contract Administrator should contact should contact (Name (Phone Number), and via e-mail at (e-mail address) with any questions regarding this RCS. Note: HUD/CA will send its decision letter to this contact unless the Owner directs otherwise.
- 6. As Owner/Agent, I grant HUD/CA the right to correspond directly with the appraiser and copy the appraiser on written materials.

ONE-YEAR NOTIFICATION LETTER

Owner Intends To Renew

Owner Interios 10 Neriew					
(Date)					
Dear Resident:					
The Department of Housing and Urban Development subsidizes the rent of your apartment through the project-based Section 8 program. Federal law requires that owners provide tenants with a one-year notification before the expiration of a Section 8 contract. The Section 8 contract that pays the government's share of your apartment rent at (name of project) expires on (one year from date of this letter) .					
While there will be no immediate change in your rental assistance, we are required to inform you of our intended actions when the contract expires one year from now.					
This letter is to notify you that we intend to renew the current Section 8 contract when it expires.					
If Congress make funds available, which it has in the past and is expected to in the future, we will renew the Section 8 contract. However, in the unlikely circumstance that we cannot renew our contract, it is our understanding that, subject to the availability of funds, HUD will provide all eligible tenants currently residing in a Section 8 project-based assisted unit with tenant-based assistance.					
If you have any questions or would like information on the Section 8 Program, the following sources may be of assistance:

GUIDANCE FOR DETERMINING UTILITY ALLOWANCES

There have been questions raised by all of San Francisco Hub PBCAs and Hub Asset Management staff on how to implement both the <u>Carol Galante</u> and <u>Tom Azumbrado</u> policy memos regarding the Owner/Agent (O/A) submittal of the Utility Allowance (UA) Analysis and review and approval of the UA by HUD/PBCA. Following are key requirements in both the policy memos:

- The O/A must submit to the PBCA a UA Analysis with Rent Adjustment and Contract Renewal packages regardless of the increase, decrease, or no change in the amount for each unit type.
- At any time the recently approved UA increases by 10% or more due to increase in utility rates, the O/A must submit to the PBCA a request to adjust the UA. This request for adjustment does not have to be concurrent with the annual Rent Adjustment cycle or Contract Renewal submittal.
- If the O/A determines there should be a decrease in the UA, the O/A must notify the tenants in writing at least 30 days prior to submitting the request to the PBCA for approval and must provide the tenants with the right to participate in and comment on the proposed decrease in the UA. The written tenant notification must be included in the UA Analysis submittal.
- The approved decrease in the UA can go lower than the UA levels originally set in the HAP contract per result of the analysis.
- The O/A's best estimate of average monthly utility cost that an energy-conscious tenant will incur for the year can be better achieved by the PBCA recognizing anomalies in the O/A's UA Analysis such as unusually high or low utility consumption (high and low spikes) for each unit type. The PBCA must instruct the O/A's not to consider those high and low spikes in its analysis. If the high and low spikes are present in the analysis submitted by the O/A, the PBCA must not include those spikes in determining the approvable UA levels.
 - If only 3 are looked at, the high/low spikes may not be apparent, but the O/A should not be submitting supporting documentation from the same residents each year.
 - The Tom Azumbrado policy memo limits the number of supporting documentation to the UA Analysis to be submitted by the O/A, which is 10% of all unit types and from the minimum of three (3) to a maximum of twenty (20). The standard practice in requiring supporting documentation should be based on the 10% of all unit types; and

California Affordable Housing Initiatives, Inc.

- A minimum of three (3) supporting documentation should only be used in recognizing the O/A's best effort and verifiable hardship in acquiring the supporting documentation.
- On small properties where the 10% of all unit types result in just three supporting documentation, the PBCA must strive to not allow the O/A to submit the same supporting documentation from the same residents in every submittal. This is consistent with the intent of determining the average utility consumption from energy-conscious residents. This cannot be ascertained unless supporting documentation is received from other residents. However, the PBCA will be sensitive to the O/A's dilemma and hardship in getting cooperation from both the Utility Company and the residents and will exercise good judgment.
- The UA levels will be based on the PBCA's analysis of the O/A's submittal and cannot be left at the current level if the analysis results in a change of less than 10%. If there is even a \$1 change in UA based on the analysis, the change will proceed.

SAMPLE 30-DAY NOTICE TO TENANT LETTER 24 CFR 245

Date

Take notice that on (*date*) we plan to submit a request for approval of an increase in the maximum permissible rents for (*name of apartment complex*) to the United States Department of Housing and Urban Development (HUD). The proposed increase is needed for the following reasons:

1.

2.

3.

The rent increases for which we have requested approval are:

of Bedrooms Current Rent Proposed Rent (insert rent information by bedroom size here)

A copy of the materials that we are submitting to HUD in support of our request will be available during normal business hours at (*address*) for a period of 30 days from the date of service of this notice for the purpose of inspection and copying by tenants of (*name of apartment complex*) and if the tenants wish, by legal or other representatives acting for them individually or as a group.

During a period of 30 days from the date of service of this notice, tenants of (name of apartment complex) may submit written comments on the proposed rent increase to us at (address). Tenant representatives may assist tenants in preparing those comments. (If, at HUD's request or otherwise, we make any material change during the comment period in the materials available for inspection and copying, we will notify the tenants of the change or changes, and the tenants will have a period of 15 days from the date of service of this additional notice (or the remainder of any applicable comment period, if longer) in which to inspect and copy the materials as changed and to submit comments on the proposed rent increase). These comments will be transmitted to HUD along with our evaluation of them and our request for the increase. You may also send a copy of your comments directly to HUD at the following address:

California Affordable Housing Initiatives, Inc. 505 14th Street
Suite 650
Oakland, California 94612

RE: (Project Number)
(name of apartment complex)

HUD will approve, adjust upward or downward, or disapprove the proposed rent increase upon reviewing the request and comments. When HUD advises us in writing of its decision on our request, you will be notified. If the request is approved, any allowable increase will be put into effect only after a period of at least 30 days from the date you are served with that notice and in accordance with the terms of existing leases.

Public reporting burden for this collection of information is estimated to average 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number.

This collection of information is authorized under Section 207 of the National Housing Act. The information is necessary for the Department to ensure that project owners are not overcharging their tenants and to ensure that the rent levels approved by the Department are not exceeded. The Department uses this information to enforce rent regulations which otherwise would be difficult because there would be no clear record of the rents and charges that the Department had approved. In addition, the Department needs to periodically collect information regarding project principals, so unauthorized participation by previously excluded or otherwise undesirable owners can be detected. This information is required to obtain benefits. HUD may disclose certain information to Federal, State, and local agencies when relevant to civil, criminal, or regulatory investigations and prosecutions. It will not be otherwise disclosed or released outside of HUD, except as required and permitted by law.

Instructions

All project owners must submit the form HUD-92458 when requesting an adjustment to project rents. HUD establishes and approves rental charges and utility allowances on the Form. The owner is responsible for notifying tenants of the approved rents.

General. For projects with fully-insured or HUD-held mortgages, the owner/agent submits this Form to the HUD Field Office. For projects with coinsured mortgages, the owner/agent submits this Form to the lender.

Part A. If the monthly rent potential you are proposing is less than or equal to the Maximum Allowable Monthly Rent Potential approved by HUD/lender on your original Rent Formula or on your most recent Rent Computation Worksheet, complete all of Part A according to the instructions below. If the monthly rent potential you are requesting exceeds the Maximum Allowable Monthly Rent Potential approved by HUD/lender on your original Rent Formula or on your most recent Rent Computation Worksheet, complete only Columns 1 and 2 according to the instructions below. Show your proposed rents and monthly rent potential in the cover letter transmitting your rent increase request.

Column 1. Show each type of unit for which rents will vary. Show the number of bedrooms and bathrooms and other features that cause rents to vary (e.g., 2 BDM, 1 B, DA, KETTE, vs 2 BDM, 2B, DR, K). Use the following symbols:

BDM - Bedroom LR - Living Room
B - Bath DR - Dining Room
K - Kitchen DA - Dining Alcove

KETTE - Kitchenette

Column 2. Show the number of units for each unit type. Include non-revenue producing units.

Column 3. For unsubsidized projects, show the rent you intend to charge for each unit type. For subsidized projects, show the contract rent (as defined in HUD Handbook 4350.3) for each unit type.

Column 4. For each line, multiply the contract rent in Column 3 by the number of units in Column 4. Add monthly contract rent potentials for each unit size to compute the total monthly contract rent potential. Multiply the monthly total by 12 to compute the annual contract rent potential.

Columns 5 and 6. Complete the Columns only if the project has a subsidy contract with HUD and some utilities are not included in the rent. In Column 5, show the utility allowance for each unit type. Compute the gross rent for each unit type by adding the contract rent in Column 3 and the utility allowance in Column 5. Show this amount in Column 6.

Columns 7 and 8. Complete these Columns only if the project is receiving Section 236 Interest Reduction Payments. In Column 7, show the market rent for each unit type. In Column 8, for each line multiply the market rent in Column 7 by the number of units in Column 2. Add the monthly market rent potentials for each unit size to compute the total monthly market rent potential. Multiply the monthly total by 12 to compute the annual market rent potential.

Parts B, C, D and E. Complete these Parts according to the instructions on the Rent Schedule.

Part F. Do not complete this Part. The HUD Field Office/lender will complete this Part.

Parts G and H. Complete these Parts according to the instructions on the Rent Schedule.

Part I. Do not complete this Part. The HUD Field Office/lender will complete this part.
