## I. PURPOSE

The Hispanic Scholarship Fund was established in 1985 to invest in the young Hispanic people of the Greater Kansas City Area by providing grants to both entering and continuing college students. The primary focus was to assist those Hispanics living in the area with the largest concentration of Hispanic residents, generally said to be the Argentine and Central Avenue communities in Kansas and the Westside and Northeast neighborhoods in Missouri. The Scholarships are designed to supplement the students' financial resources from family, government, and other sources. It is the intent of the Hispanic Scholarship Fund to fill the gaps a student encounters in financing a college education. It is expected that these scholarships will result in better educational and, ultimately, economic opportunities for Hispanics. It is the express intent of the Hispanic Scholarship Fund that scholarship recipients make use of the scholarships to graduate from college and return to the Greater Kansas City Area to contribute to the local Hispanic community.

The goal of the Hispanic Scholarship Fund is to award approximately \$60,000 in scholarships annually. The Fund is comprised of money raised from the public and/or private sector and of matching scholarships from area colleges and universities. Five Hispanic agencies are principally responsible for the development and administration of the Hispanic Scholarship Fund.

The founding agencies are: El Centro, Inc.; Guadalupe Center, Inc.; Hispanic Chamber of Commerce; Hispanic Development Fund and LULAC National Educational Service Center (LNESEC).

## II. GEOGRAPHICAL BOUNDARIES

The program will operate throughout the Greater Kansas City Metropolitan Area generally defined as Clay, Jackson, Johnson and Wyandotte Counties. However, the primary focus will be to assist Hispanic students residing in those areas with the largest concentration of Hispanic residents, namely the Argentine and Central Avenue communities in Kansas and the Westside and Northeast neighborhoods in Missouri.

## III. CRITERIA FOR SELECTION

The selection committee will evaluate each applicant according to criteria established by the founding agencies. The criterion generally focuses on a combination of the students' academic merit (as exhibited by the students' GPA and essay answers), financial need, and community involvement. For 2010, the Hispanic Scholarship Fund will distribute 40% of its funds to Hispanic students residing generally in the Argentine, Armourdale and Central Avenue communities in Kansas and the Westside, Coleman Highlands, Westport, and Northeast neighborhoods in Missouri. Students from these areas will compete for scholarships against students who live in their same community with special emphasis being placed on the students' financial need. However, in order to receive a scholarship, the students residing in these areas must achieve certain minimum academic standards, as determined by the scholarship committee. The remaining 60% of the funds will be distributed,

as in past years, to Hispanic students residing throughout the Greater Kansas City Area. The following criteria will be used to evaluate each applicant.

- A. **The applicant must exhibit proven academic merit (as reflected in GPA and answer to essay question), financial need (as exhibited by family's gross income, size of family, and other financial need), and community involvement (as reflected in the application).**
- B. The applicant is a permanent resident of the Greater Kansas City Metropolitan Area.
- C. The applicant has been accepted or is enrolled in a fully accredited college or university and is working toward an associate, bachelor, or graduate degree. (Applicants attending vocational or trade schools are not eligible.)
- D. The applicant must be enrolled as a full-time student (minimum 12 credit hours for undergraduate and minimum 9 credit hours for graduate).
- E. Applicants must be Hispanic. The objective of this program is to provide financial assistance to Hispanic Americans.

### **IMPORTANT NOTICE**

There will be a mandatory awards ceremony on June 10, 2010, that all scholarship recipients will be required to attend. Each recipient must be present to receive their scholarship award and certificate of achievement.

## IV. SELECTION COMMITTEE

A selection committee will be established by the Hispanic Development Fund to review applications and award scholarships. The Board of Directors of the Hispanic Development Fund will both review and give final approval to the recommendations from the selection committee.

Relatives of selection committee members are not eligible for scholarship funds under this program if their relative is involved in the review or selection of their application. A relative is defined as any one of the following: father, mother, brother, sister, uncle, aunt, cousin, niece, nephew, brother-in-law, or sister-in-law, son, daughter or grandchildren.

## V. SCHOLARSHIP AMOUNT

The scholarship amount may vary depending upon a student's need. The selection committee shall take the following factors into consideration: the cost of attending the college or university where the recipient is enrolled; prior scholastic achievement of the student; the amount of any other financial aid the recipient can provide; the amount of scholarships and grants obtained by the student in the past; and whether the particular college or university provides matching donations to the Hispanic Scholarship Fund.
