## Professional Performance and Potential

**The student should attach the information requested in 1-3 below on separate sheets:**

1. **Professional goal statement:** A brief statement describing the type of career you hope to pursue after earning your degree, and any other professional goals you hope to achieve.
2. **Goals for past academic year:** Describe your progress toward achieving your academic goals during the past year. Note areas in which you are experiencing any difficulty. If you feel you are not making significant progress, explain why. Include perceived departmental/university obstacles that hinder your progress.
3. **Progress toward these goals achieved during the past year and plans for the future:** At each annual meeting with his/her guidance committee, the student will file formal written and oral reports summarizing his/her research progress to date, and lay out his/her research plans for the following year. Both written and oral reports should demonstrate sound scholarship and further demonstrate that the student is well abreast of current and historical literature in the chosen research area. The written report must include a literature review and a complete reference list.
4. **The student should submit with his/her written report, an updated CV, and also attach the other information and reprints requested on the form entitled “Graduate student evaluation information” (copy attached).**
5. **After each annual meeting with the Guidance Committee, the student should query his/her major professor repeatedly until the mentor informs the student that he/she has filed with graduate secretary a completed copy of the form entitled “Annual progress for Graduate students” (copy attached).**
