Completed _____ Specify semester _____

YouTube Video Submission Link: _____

* It is highly recommended that you post a YouTube video as a self-introduction to the program. Video should not exceed 3 minutes in length.

Essay Portion

To complete your application, please respond to both essay prompts.

Limit each essay to 500 words or less. Please type your essays; check spelling and grammar.

- 1. Entrepreneurial success is driven by passion. Describe what you are passionate about.**
- 2. Please describe your biggest success and your biggest failure to date, and what you learned from each event.**

Prerequisites:

- Applicants must be in good standing at the University of Houston.
- Required pre-requisite course: ENTR3310
- Recommended courses include: FINA3332, MARK 3336, ACCT 2331, and ACCT 2332.

Note for Bauer Applicants:

- Students seeking a BBA degree in Entrepreneurship must be declared pre-business majors OR declared business majors.
- If you are a pre-business student, you must be eligible to file a degree plan by the close of the fall 2012 semester.
 - If you have questions about filing a degree plan, contact your pre-business advisor or Asha Thomas, the Entrepreneurship Advisor at asha@uh.edu

Note for Non-business Applicants:

- Students who are not business majors can be admitted into the Wolff Center occasionally, but will not receive a Bachelor of Business Administration (BBA) degree in Entrepreneurship.
- Non-business majors will receive “The Wolff Center Certificate in Entrepreneurship” if they are admitted to the Wolff Center for Entrepreneurship and complete all required courses, but would still need to complete the requirements for their non-business major to graduate from the University of Houston.
- If you would like to change your major to business, please visit: <http://www.bauer.uh.edu/prospective/undergraduates/non-business.asp> for details on applying to become a pre-business student in the C.T. Bauer College of Business.

Application Process:

1. Please print and fill out this application.
2. Attach the written response to essay questions. (500 typed words max per question)
3. Upload the YouTube introduction video and provide the link above.
4. Submit your complete application to the Wolff Center for Entrepreneurship in Room 250 of Melcher Hall. An email will be sent to you confirming we received it.
5. Interview sessions will be arranged by WCE staff after an initial review of applications. You will be notified via email.

A Note on Interviews and Acceptance:

The WCE Admission Committee will notify those students who pass the initial review and are invited for an interview. Interviews will not be granted at the request of the applicant. All accepted students will be contacted directly and informed of their acceptance to the program. Acceptance is contingent upon a review of a student’s fall semester grades.
