Surety Bond: A one-time, non-refundable instrument that allows the issuance of a new title. The value of a vehicle determines whether or not a surety bond is required.

Note: If dealers sell a vehicle for which they don't have and can't obtain a title, they are required to complete this form and receive a bonded/insufficient-evidence title in their name before they can transfer the vehicle to a customer.

1. Complete Parts 1, 2 and 3 on page 1. Section A, B or C must also be completed:
 - **Camper, off-highway vehicle, motorboat, personal watercraft, sailboat or snowmobile:** The applicant completes **Section A**. The value is not required nor is a surety bond required.
 - **Manufactured Home:** The county assessor assesses the value and completes **Section B**. If the value is over \$500, a surety bond is required.
