

INSTRUCTIONS FOR FLORIDA SUPREME COURT APPROVED FAMILY LAW FORM 12.943, MOTION TO DEVIATE FROM CHILD SUPPORT GUIDELINES (10/11)

When should this form be used?

Child support in Florida is determined by the child support guidelines found in section 61.30, Florida Statutes. The court, at its discretion, may raise or lower the child support guidelines amount by up to 5%. In addition, the court may raise or lower the guidelines support amount by more than 5%, if written reasons are given for the adjustment. The court may make these additional adjustments based on certain considerations, which are reflected in this form. You should review this form to determine if any of the reasons for adjusting the child support guidelines amount apply to your situation and you should complete this form **only** if you want the court to order **more child support or less child support** than the amount required by the child support guidelines.

This form should be typed or printed in black ink. After completing this form, you should **file** the original with the **clerk of the circuit court** in the county where your case is filed and keep a copy for your records.

What should I do next?

A copy of this form must be mailed **or** hand delivered to the other party in your case.
