# **About Tear Soup**

#### " What's true about soup making

is also true about grieving."

In our richly illustrated new book, Grandy has just suffered a big loss in her life, and so she is cooking up her own unique batch of "tear soup." *Tear Soup*, gives you a glimpse into Grandy's life as she blends different *ingredients* into her own grief process. Her tear soup will help to bring her comfort and ultimately help to fill the void in her life that was created by her loss.

### What they're saying about Tear Soup

"I will have copies of **Tear Soup** in my waiting room for my clients to read. We finally have the perfect gift for the bereaved!"

- Jill Romm, R.N., LCSW

"I recently received a copy of **Tear Soup** from a friend. I LOVE it, every page, every illustration and especially every word. It affirms the feelings that we've had over the past four years. Thank you for putting into words the myriad of ways profound grief manifests itself."

- Karen Burris, widow and young mother

"If you are going to buy only one book on grief, this is the one to get. **Tear Soup** is not depressing, it warms the heart. This family book says it all, in few words and heartfelt illustrations."

- Jav Kennedv, Human Services Press

"Tear Soup is a lovely story, well illustrated and clearly written about the feelings we experience when we face a big loss. While it empathizes with the raw feelings of fresh grief, it subtly and sensitively explains the stages of mourning and assures the reader that grieving is a process that we can get through in time."

- GG, mother and grandmother

# Following Grandy's story you will find cooking tips to use in dealing with grief:

- \* if you are the one who is cooking
- \* if there are two of you cooking
  - \* if your friend is the cook
    - \* if a child is the cook

## Grandy's Recipe for TEAR SOUP

### Helpful ingredients to consider

- \* a pot full of tears
- \* one heart willing to be broken open
- \* a dash of bitters
- \* a bunch of good friends
- \* many handfuls of comfort food
- \* a lot of patience
- \* buckets of water to replace the tears
- \* plenty of exercise
- \* a variety of helpful reading material
- \* enough self care
- \* season with memories
- \* optional; one good therapist and/or support group

#### Directions:

Choose the size pot that fits your loss. It's ok to increase the pot size if you miscalculated. Combine ingredients. Set temperature for a moderate heat. Cooking times will vary depending on the ingredients needed. Strong flavors mellow over time. Stir often. Cook no longer than you need to.

#### Suggestions

- \* be creative
- \* trust your instincts
- \* cry when you want to, laugh when you can
- \* freeze some to use as a starter for next time
- \* write your own soup making in a journal so you won't forget
