Student Questionnaire and Essay Form:

In the chart below, please list any extra-curricular activities you are involved with, such as organizations and clubs, special interests, talents, and activities that you currently pursue.

Organization	Contact Person	Activity	Years Involved

Please respond to each of the following questions with approximately 100-200 words.

1. Please list any leadership experiences you have had, and what knowledge you have gained from them?

2. What aspect of Judaism do you feel most connected with and why?

3. What is a motto or piece of advice by which you live your life? Please explain.

4. Describe a recent classroom lesson that had a strong impact on you. Include details such as topic, presentation, or anything else that made this influential.
