

Steven's Petition

(Revised*)

Scouting for All

"We, the undersigned, request that the Boy Scouts of America end its policy of excluding gay, lesbian, bisexual, transgendered, atheist, and other nontheist youth and adults."

* This petition, started in 1998 by then 12-year-old Eagle Scout Steven Cozza, was revised in 2004 to include nontheists. The original petition read: "We want the Boy Scouts of America to change its policy of excluding gay youth and adults from Scouting." This revised version of the petition has been approved by the Scouting for All board of directors and by Steven Cozza himself.
