## V. Authorization and Waiver of Liability

By signing this form, I agree that I have met the prerequisites for the courses I have listed on this form, that I am at least 18 years of age, that I have at least a 2.5 gpa and am not on either academic or disciplinary probation. I also agree to fulfill any and all financial and academic obligations to Louisiana State University Agricultural and Mechanical College and others in connection with the summer/intersession short-term program. \_\_\_\_\_ (initial here)

I understand that failure to fulfill my financial or academic obligations may affect my ability to study on a short-term program through LSU and/or my academic and enrollment status at LSU. I have read and understand the following program terms, conditions and obligations:

- ✓ To maintain eligibility in the program, I must satisfy all summer/intersession short-term program admission requirements, including timely payment of all tuition and fees, as described in the program literature. My signature on this document authorizes Academic Programs Abroad to charge the \$500 deposit and program fee to my fee bill. I must fulfill all financial obligations to the short-term program prior to departure.
- ✓ I must enroll in six credit hours for a summer program or three credit hours for an intersession program and remain in good academic standing while participating in the program. All exceptions must be approved in writing by the Program Director.
- ✓ I certify that I am not currently on disciplinary or academic probation. Should I be placed on disciplinary or academic probation for the academic term in which I will be traveling, I will alert Academic Programs Abroad in writing prior to my departure. I understand that I cannot participate in a summer/intersession short-term program while I am on disciplinary or academic probation and that I will still be financially responsible for any/all fees incurred by the program on my behalf in the event that I am unable to attend because of disciplinary or academic probation.
- ✓ To withdraw from my summer or intersession short-term program, I will submit a request to withdraw in writing to Academic Programs Abroad. I understand that my \$500 deposit will be non-refundable if I withdraw after February 1, 2013. I understand that my summer/intersession short-term program must make payments to service providers on my behalf and that these payments may not be refundable. Therefore, I agree to abide by the following payment schedule in the event that I withdraw from the short-term program:

Withdrawal after February 1, 2013:	\$500 deposit will be paid
Withdrawal after March 1, 2013:	\$500 deposit and \$500 payment will be paid
Withdrawal after March 22, 2013:	\$500 deposit and \$1,000 payment will be paid
Withdrawal after April 12, 2013:	\$500 deposit and entire program fee will be paid

- ✓ It is my responsibility to attend all informational meetings concerning my specific program. I am responsible for submitting, by the applicable deadline, all forms as required by LSU and/or the Program Director.
- ✓ APA has my permission to send an invitation to my parents for the parent orientation. This invitation will disclose to my parents the fact that I have signed up for an APA sponsored program and the name of the program for which I have enrolled.

I understand that submitting this application does not guarantee acceptance into the study abroad program and that I must meet the program requirements listed above and be accepted into the program by APA.

I acknowledge that I am above the age of 18 or, if not, that I have secured the signature of my parent or guardian. I have read and understood this agreement, and I agree to the terms and conditions set forth above. No alteration or variation of this agreement shall be valid unless accepted by LSU in writing.
