WASHINGTON UNION SCHOOL DISTRICT

Disaster Preparedness Information

Dear Parents:

Washington Union School District is continuing to monitor and expand its Disaster Preparedness Plan. Student emergency bags are an element of that plan. Each year we collect supplies and information which will enable our schools to be more prepared to care for our students in the event of an emergency.

Please complete the Disaster Preparedness Information on the bottom of the Emergency Information Form. This is special release information to be filled out for your child. This information will be used **only** in the event of a major earthquake or other disaster; it does not replace the additional "Emergency Information" which is used when your child is sick or injured. In the event of a disaster, the staffs of the three schools in the Washington Union School District will release your child only to those individuals whose names are listed in the "Disaster Preparedness Information" section. Please consider carefully, local individuals to whom you wish to entrust your child, as well as each individual's ability to reach the school in the case of damage to roads and/or power lines. Please consult with these individuals/families prior to listing their names on your child's form. It is important that no one individual/family be responsible for more children than would be appropriate in an emergency situation.

Remember that under no circumstance will your child be released to any individual who is not named in the "Disaster Preparedness Information" section of the Emergency Information form.

A comprehensive Disaster Preparedness Plan must consider our student's safety, food, water, medical needs and sanitation. Obtaining and storing food that will be familiar and appealing to the children, that has a long shelf life and requires no preparation is a difficult task. In an attempt to design a plan that will create the most normal and familiar environment for our students, we are asking parents to provide an emergency "food bag" for each child enrolled. This bag should contain foods that your child will enjoy from the attached list. Your child's bag will be stored in his/her classroom until the end of the school year, at which time it will be returned to you for your own use.

Please select your child's "meal" from the following list and place the items in a zip-lock bag labeled with his/her full name, grade and teacher. Place the label facing out. Please include in the bag any medications your child would require in a 24 hour period and an extra pair of glasses (if you have them) if your child cannot see without his/her glasses. A comforting note written by you for your child would be a helpful addition.

For your convenience, you may order your child's Emergency Food Bag from Parents' Club. The enclosed form which is included in this packet needs to be completed by Friday, August 29th. A basic emergency "food bag" will be delivered directly to your child's classroom. If your child attends "Time for Me", an additional emergency "food bag" will also be required. Please note that only the basic items will be provided in the purchased emergency bags. Once school begins, please give your child's teacher any medications or eye glasses (if needed) and a comforting note from you to your child, if you desire. If your child has any special dietary needs, you may want to provide your own emergency "food bag" as recommended below.

ALL FOOD ITEMS SHOULD HAVE PULL-TOP LIDS AND BE EASY TO OPEN; NO FOODS SHOULD REQUIRE A CAN OPENER.

The following is a list of recommended items to include in the emergency “food bag”:

1. One or two of the following:
Pull-top can (3-4 oz.) of tuna or chicken (packed in water)
Small package of processed cheese (non-refrigerated type)
Small package of unsalted nuts or trail mix
2. One or two of the following:
Pull-top can of fruit or pudding
Small package of dried fruit or fruit roll
3. One or two of the following:
Granola bar (without chocolate coating)
Small package crackers (unsalted or low salt)
4. 16 oz. water bottle
4. A spoon
5. Medications/eye glasses (if needed)
6. A comforting note from you to your child
7. Name label facing out (child’s name, grade and teacher)

PLEASE INCLUDE ONLY NON-PERISHABLE FOODS IN YOUR CHILD’S EMERGENCY “FOOD BAG”. AVOID SALTY FOOD, FOODS THAT REQUIRE ADDING WATER, FOODS THAT REQUIRE HEATING, FOODS THAT HAVE BEEN REFRIGERATED OR FROZEN, AND ESPECIALLY ANY FOODS THAT YOUR CHILD WILL NOT EAT!

PLEASE RETURN YOUR CHILD’S EMERGENCY “FOOD BAG” TO HIS/HER TEACHER NO LATER THAN FRIDAY, AUGUST 29th. If you choose to order from Parents’ Club, your bag will be delivered directly to your child’s classroom.

Thank you for your help and support. Please be assured that the safety of your child is our greatest concern and that we will do whatever is necessary and possible to ensure his/her safety in the event of an earthquake or other major disaster occurring during school hours.

Our district’s Disaster Preparedness Plan is updated annually and we coordinate with the County and State Offices of Emergency Services to conduct drills on a regular basis.

If you are ordering your emergency “food bag” from Parents’ Club please fill in the information below:

Should you have any questions, please contact your school principal.

Classroom Emergency Bags

In the event of an earthquake or other unforeseen emergency where your child must remain on the school site for an extended time, the state requires that every school have an emergency plan in place. Part of this plan includes having non-perishable food and water for each child. Parents' Club provides emergency bags for you to purchase for the 2014-2015 school year. Please see letter from Dee Baker, Superintendent for more information.

Why do we need an Educational Foundation?

Our school district receives most of its funding from the State of California. Significantly reduced state funding has impacted our district by cutting into our already limited classroom budget. Many of the programs that enhance the educational programs in our district are made possible by WUEF donations. Your donations are even more critical in these lean budget years.

Where does your money go?

WUEF provides almost \$200,000 per year in grants to the district that allow funding for:

- Our award winning Art Docent program in full
- Vocal music teachers at every grade level in full
- Our award winning Instrumental Music program in the upper grades in full
- New document scanners, printers, digital cameras, and other technology needs for the classroom
- New computers for the computer labs on each campus

Just \$185 per student

The cost to provide art and music each year is approximately \$185 per student, or \$15.42 per month. \$15.42 per month for a year of art and music? Think about how much you spend each month on gym memberships, gymnastics, karate, or Starbucks. Our online option allows you to pay using a credit card through our secure website and you can even spread your payments out over the school year!

wuef.ejoinme.org/donate

We want everyone to participate

Our goal is to have 100% of the families in our district participate in the Fall Campaign because 100% of the students in our district benefit from funds raised by WUEF. **If you cannot donate \$185 per child, please donate what you are able to give. No amount is too small!** All donations are tax deductible to the extent allowable by law.

*Thank you in advance for your generous support!
With your help, our district continues to stand out among the rest.*

AQUA TERRA *kids!*:

AQUA TERRA *kids!* is dedicated to providing wholesome, delicious school lunches that will inspire a lifetime of healthy habits. Our nutritionally balanced meals are made from scratch daily, and our menu design process places a focus on fresh and seasonal ingredients. We help families provide the best for their kids by taking on the task of preparing and supplying lunch every day, and we partner with local schools to guide all students to develop a deeper understanding and connection with their food and the environment.

Our menu is written and posted on a monthly basis. Using our online ordering system, families can log in to their private account and place their order for the month. Each day, our chefs prepare and package the proper amount of food for each school. Lunch is then delivered to the school, along with any equipment needed to serve the lunch. In an effort to promote environmentally friendly practices, we feature reusable trays and cutlery. At the end of lunch service, dirty dishes are returned to our central kitchen for sanitation and reuse.

How to order:

Visit our website at www.aquaterrakids.com. Click the "Order Now" link and click on Washington Union School. Register for an account by filling in the information on the right side of the page. Add student(s) by following the directions on the page. Be sure to select the correct school and grade. Click on the name(s) in the **blue bar across the top of the page** to pull up the menu. Select lunches, add to cart, and proceed to checkout. Checkout is complete when you receive a receipt page and confirmation. Please select and pay the **set-up fee** with your first order.

Set-up fee:

AQUA TERRA Culinary charges each customer a one-time set-up fee of \$25 to cover the cost of equipment and administrative efforts to set up the program. This is a one-time fee that should be selected and paid along with your first order.

Fundraising:

For each meal sold, AQUA TERRA will donate \$0.45 back to Washington Union School to assist with fundraising efforts. Funds will go toward technology and playground equipment.

Vegetarian & Dietary Restriction Lunches:

Along with our main entrée for each day, we offer a vegetarian option, which is listed on the menu, and a "dietary restriction" option, which is created on a case-by-case basis each day. We can accommodate various dietary restrictions and make meals that are gluten-free, dairy-free, etc. We do not use common allergens such as shellfish or nuts in our entrées, but please notify us of any allergies as a precautionary measure.

Contact:

Please visit our website- www.aquaterrakids.com - for more information. If you have any further questions or need assistance, please contact our School Lunch Program Director, Susan Castello, at susan@aquaterraculinary.com or 831-402-4094.

Parent Information for Attendance, Health, and General Information

Emergency Cards

Please call the school anytime there is a change of home phone number, employment, babysitter, or emergency numbers. In an emergency situation it is extremely important that this information is current.

Campus Safety

All school gates, except by the main office, are locked during the school day. In order to provide a safe and secure learning environment, **all** visitors must sign in at the office. If you pick up your child at the end of the day, please wait for him/her in the pick-up/drop-off area located at the west end of the school. **Please do not park in the main parking lot during drop-off and pick-up times.**

Attendance

Fourth and fifth grade curriculum is challenging and rigorous. It is important that students are in school, rested and ready to learn each day. **Please plan vacations during non-school days. Excused absences are student illnesses, students attending funerals, or student court appearances.** Students with three unexcused absences and/or tardies over 30 minutes will receive a truancy letter. Students will pick up their missed work when they return. **Please call the Washington Union Office at 484-1331 if your child will not be attending school for any reason.**

Independent Study Contracts

The Washington Union School District receives revenue from the state, local property taxes and personal donations. The State of California **funds schools \$45.00 per day for students who are in class only.** If your child is absent from school five or more consecutive days, an **Independent Study Contract** will provide your child the needed classroom work to keep them up-to-date. The **Independent Study Contract** also financially benefits our school through ADA apportionment.

Late to School

It is very important for your child to arrive on time to class. Within the first few minutes of class, the teacher informs the students of the day's events. When a child arrives late to school, they may miss important information about the day or their assignments. If your child will be late to school, please call the school office to advise us of your child's delay. You will need to **come into the school office** and sign your child in on the Parent sign-in/sign-out sheet.

Early Release from School

Whenever your child will be picked up early, please send a note to school with your child noting the time you need your child in the office. You will also need to come to the school office to sign your child out on the Parent sign-in/sign-out sheet.

A Change to Your Child's Normal Departure Routine from School

Whenever your child will change from their regular departure routine, please send a note to school with your child noting the date, the change in routine, and your signature. (If it is a regularly scheduled event, such as a Girl Scout meeting every Wednesday, one note for the whole school year will be sufficient.) If the change includes riding the bus, which your child doesn't normally do, a sheet with 10 one-way bus passes is available to purchase for \$15.00 from the school office. Please attach the bus pass to the note. This note will eventually be given to the bus driver. **If there is room on the bus** your child will be allowed to ride it. If there is not enough room on the bus, you will be notified, so you can make other plans.

Transportation

Only students who have paid the bus fee or have purchased a bus pass are authorized to ride a specific bus and be dropped off at a specific bus stop.

Bus Behavior

All students who ride the bus to and from school or for any school activity are expected to behave according to the established bus behavior rules. While riding the school bus, students are expected to follow the directions of the driver. The driver has the responsibility to transport students to and from school and on study trips safely. This is a huge responsibility, and students need to cooperate with the driver in order to accomplish this task. The bus driver has the authority to assign student seats when necessary. He or she has the authority to stop the bus if a student or students are behaving in a manner that restricts his or her ability to transport students safely. When a driver feels that a student is behaving in a manner that could lead to an unsafe condition, he or she may issue a bus citation.

Bicycles

Corral de Tierra is a very dangerous road and riding a bike to school is not advised, but if you choose to have your child ride a bike to school, they must follow these guidelines. Students must wear protective **helmets** and are expected to lock their bike during the day. The school and district assume no responsibility for damage or theft of bicycles ridden to school.

Medication and Health Aide Information

Injuries and Illness

If your child is injured or becomes ill at school, the parents will be notified by the health aide or secretary. Therefore it is **very important** that **your child's emergency card information** be kept up-to-date with home, work, and cell phone numbers. Please call the school anytime there is a change of home phone number, employment, babysitter, or emergency numbers. In an emergency situation it is extremely important that this information is current. If parents are not available, and the situation is serious, the person(s) designated to be contacted in case of emergency will be notified.

Over-the-Counter and Prescription Medication

Medical authorization and parental permission are required for all medication administered by the Health Aide or secretary at our school. In the event that a **Medication Consent Form** is not yet signed by both the student's physician and parent/guardian, the student's parent/guardian will need to administer the medication at school. ***School personnel may not administer any medication without the signed Medication Consent Form.*** Students may not keep any medication in their possession while at school. If it is necessary that a medication be given during school hours, the following regulations must be followed:

- The Medication Consent Form is on file with the health aide with appropriate signatures.
- Medication must be brought to school in the original container labeled by a pharmacist. The label is to include the student's name, medication, strength, dosage and time(s) the medication is to be given.
- Any changes to the medication will require another **Medical Consent Form** to be completed.

General Information

Student Arrival and Departure

Students should not arrive at school before **7:55 a.m.** No supervision is provided until that time. Parents picking up children should do so within 10 minutes of the **2:45 p.m.** dismissal time.

Student Drop Off and Pick Up

Because of safety concerns in the parking lot, a special area has been designed for dropping off or picking up students. It is located at the west end of the school. Please use the circular drive before and after school for pick-up and delivery. If you are picking up or bringing a student to school during school hours, please park in the parking lot and check the student in or out through the office.

Parent Involvement and Volunteers

Parent volunteer services are a valuable part of our school program. Each time you volunteer at the school, to work in a classroom or on a special project, **you must** stop by the office and sign in on the volunteer sign-in sheet and pick up a volunteer badge. The volunteer sign-in sheet and volunteer badges are kept on the office counter. If you do not check in at the office you will be asked to return to the office to sign-in.

School Site Council

The Washington Union School Site Council meets monthly to monitor and provide input to the school program. Each month, October through May, the SSC meets after school at WUS. Elected parents, staff members and others participate in monthly curricular presentations. Opportunities are available parents to provide suggestions for instructional improvement.

The SSC works with the staff to develop a school plan that will provide a guide for instructional programs, both regular education and special education, and student services. Each spring the District conducts an annual survey to determine satisfaction with the school program. Results of these surveys are available for public review in the school office.

Each year the SSC presents to the Board of Trustees an annual report. This report reviews the accomplishments of the Single School Plan Goals during the year.

Telephone Use

Telephone use during instructional time is limited to phone calls related to instructional needs only. A phone is available in the office for students to make urgent calls. Students may not use the office phone to make last-minute arrangements for after-school activities. Such arrangements should be prearranged before the start of the school day.

Cell Phones, Electronic Devices, Toys, and Sports Equipment

Non-school items - such as toys, i-pods, cell phones, sports equipment and any other electronic devices are not allowed at school without the permission of the teacher. Any unauthorized item will be kept by the teacher until the end of the school day. A further incident may require parents to retrieve item from the Principal. When students have permission to bring items from home, the item should be clearly labeled with the student's name. ***The school will assume no responsibility for the loss of any personal item brought to school under any circumstance.***

Replicas of weapons, particularly guns, are treated with utmost seriousness. Toy guns can look much like the real thing, and we will treat situations with replicas as if they were real to protect the safety of students and staff. The Monterey County Sheriff's Department may be involved in such situations. Replicas of weapons will not be returned to students under any circumstances.

Lunch/Snack

Students need to bring their lunches to school. At lunchtime students can purchase **milk or bottled water for \$.50 each**. Students may also bring a snack to eat during the morning recess.

During lunch the following rules are to be observed:

- Sit at your assigned table, on the bench with your feet under the table.
- For safety reasons, food **must** be eaten at the picnic table only.
- Do not throw food.

- Talk quietly with your friends.
- Listen and follow directions of the yard duty supervisors.

Ice Cream Fridays

Ice Cream is available from Student Council on Fridays at a cost of \$1.00

Birthday Celebrations

While we realize that each child needs to have his/her birthday recognized, we ask that you **do not send overly sweet treats to school**. All treats should be within the 175 calorie limit. If you would like to celebrate your child's birthday with a book for the library, all of the students can sign it and it can be a remembrance of his/her birthday for years to come.

Dress Code

- Students should wear comfortable clothes, that allow them to be “active learners”.
- **Athletic shoes will be worn every day.** Sandals are not allowed.
- Hats, shirts, or jackets with inappropriate pictures or words are not allowed at school.
- Undergarments are to be appropriately covered at all times. No spaghetti straps, halter or crop tops allowed.
- **If the dress code is not adhered to, you will be called to bring the necessary items for your child.**

Note: Straps over the shoulder must be at least two inches wide.

Shorts must be as long as fingertip length when arms are at student's sides.

Just Run

We are proud to be a partner in the Big Sur Marathon Just Run program. Students work individually and as a class to accumulate miles throughout the year to “reach” Boston for the Boston Marathon. During the school year, there are local events where students can participate sponsored by the Big Sur Marathon. Students earn pencils, bumper stickers, and shoelaces as they accumulate their miles.

Lost and Found

The Lost and Found is located in the hallway between the auditorium and the fourth grade restrooms. Please urge your child to check it often. Unclaimed items will be donated to charity in December and June. "Found" items that are labeled with your child's name can be easily returned. **Please clearly label ALL** sweaters, sweatshirts, jackets, lunch bags and boxes, backpacks, and other items your child brings to school. Labels should include your child's first initial and last name.

Academic Performance

Report cards will be provided three times during the school year. The report card will reflect academic performance related to the district and state standards. Teacher conferences will be held for every student during the week of **October 6, 2014**. Conferences will also be held during the third trimester as needed or requested on **March 19 and 20, 2015**. Academic Performance is a reflection of class work and homework completed during the trimester. The following Academic Performance scale is used:

- 4 = Student demonstrates **thorough** understanding of grade level standards
 - 3 = Student demonstrates **sufficient** understanding of grade level standards
 - 2 = Student demonstrates **partial** understanding of grade level standards
 - 1 = Student demonstrates **minimal** understanding of grade level standards
- (District Writing is scored on a 5-point scale)

Homework

In order for students to develop good study habits and practice skills, homework is assigned by every teacher. Students are expected to do 45 minutes to one hour of homework Monday through Thursday. This work consists of written assignments, projects, and reading.

Student Respect:

Students must show respect and courtesy to all adults, peers, and self. In addition, students must treat ALL property and equipment with respect. Students are expected to follow directions the first time they are given.

Bullying will not be tolerated at WUS. This includes verbal, physical, and electronic bullying.

WUSD Definition of Bullying:*

“Purposely hurting others through words or actions.”

Whether physical, verbal, or electronic, bullying is often specifically defined by the following:

1. It is intentional
2. It is repeated
3. There is an imbalance of power between the bully and the target (physical size, social status, etc.)

Harmful behaviors that may or may not fully qualify as bullying:

1. Physical – hitting, kicking, tripping, and other forms of assault
2. Verbal – teasing, insults, name calling, spreading rumors
3. Non-verbal/emotional – social exclusion, taking or damaging possessions, intimidating gestures
4. Cyber – sending unkind, hostile, or threatening messages via email, text, or social networking sites

Copyright Character Counts Program*Academic Honesty:**

Cheating is taken very seriously at Washington Union School. Cheating includes copying work from others, plagiarism, assisting others with information about examinations inappropriately, misrepresenting work done by others as one’s own work, changing answers/grades to improve a grade, and any other behavior that would lead to a student receiving a grade not earned.

As stipulated in the Code of Conduct, cheating is a category one infraction. Students caught cheating will receive a 0(zero) on the assignment. Parents will be contacted. When a student cheats, he or she violates the trusting relationship between student and teacher essential for a positive and constructive classroom experience. Rebuilding a trusting relationship will take time and effort. The distrust resulting from a cheating incident may be a more severe consequence than the formal consequence required by the Code of Conduct.

Each incidence of inappropriate behavior is reviewed carefully, and consequences are given accordingly. ***The staff reserves the right to make decisions that may include, but is not limited to the infractions and actions in the discipline plan.***

The Code of Conduct is enforced from the time students leave home in the morning until they arrive home in the afternoon and at all school sponsored activities including field trips, and any other school-related activities. Actions

Behavior Warning:

A written behavior warning will be given to a student's teacher if the student breaks a school rule in Category I. These warnings will advise the teacher if a student has multiple infractions in a short period of time. If a student receives 3 warnings within 5 school days, the teacher will write the student a citation, and the student will lose one day of recesses.

Classroom Suspension:

If at anytime a student's behavior becomes so severe that a teacher feels that he or she may not be able to conduct the class constructively, a Classroom Suspension may be administered. The student will be sent out of the classroom to the office. This type of suspension may last a specific amount of time or the remainder of the day. Parents will be contacted and the student will be responsible for any missed assignments. If a student incurs 3 classroom suspensions in a trimester, after a parent/teacher/principal conference an appropriate action will be administered.

Citation:

A citation is a written form that contains a section that will be completed by a staff member and reviewed with the student. The student will call parents and advise them of the behavior infraction. The student will complete their sections of the form at school, and will take the form home for a parent signature. A student who receives a citation will also lose one day of recesses. Students will be benched for every recess if they fail to return signed citations.

Repeated Citations:

When a student has received **THREE** citations of any kind, the student will be issued a Notice of Detention, and required to attend a one hour after-school detention, supervised by the principal. Student will call home and advise parents of the behavior infraction. The Notice of Detention must be signed by a parent and returned the next day. Students will be benched for every recess if they fail to return the signed notice.

Detention:

Detention is held after school and supervised by the principal. Students are to report to the detention area at 2:45PM and are expected to remain there until 3:45PM. Students may not do homework, read, and write, etc. during detention. No talking or social interaction is permitted. The principal will contact the parent to notify him or her of the date detention is to be served. Students who choose not to show up for detention, interact socially, or behave inappropriately during detention will be given an additional detention.

Repeated Detentions:

After a student receives two detentions, a conference with the teacher, principal, and parents will be scheduled.

School Suspension:

Students may be suspended from school attendance for specific violations of the Board of Trustee adopted Code of Conduct, a provision of the Education Code, the Penal Code, or the Health and Welfare Code. Suspensions range from 1 to 5 days at a time depending on the severity of the violation. Students may be suspended up to 20 days during a single school year. All suspensions are administered within the provisions outlined in the Education Code (EC 48000). Parents are always involved and informed when a suspension is administered.

During the suspension, the student may be held accountable for homework and other assignments by individual classroom teachers. Teachers will give the student a reasonable amount of time to make up any missed assignments.

Parents are required to attend a readmission conference before a student will be allowed return to regular attendance.

Behavior Probation:

Behavior Probation occurs when a student receives a third detention within a period of 20 school days. The probation begins the day after the issuance of the 3rd detention. Probation lasts for 5 school days and ends at the close of the 5th day. School days include after school activities. Students are informed of their probation status both in person both in person and in writing. A copy of the written notification is mailed home stating the day the probation will be lifted. If the student receives another detention during the probation period, the probation will be extended additional days from that detention depending on the level of unacceptable behavior. The number of days will be progressive (5-10-15-20) depending on the behavior.
