## Fundamentals®

### Professional Training Seminar

#### Levels One and Two

**March 15-16, 2013 Milwaukee, WI**  
**Sept. 27-28, 2013 Milwaukee, WI**

Provides you with tools for applying tai chi in your practice as a health care provider.

**Applications:** Therapeutic Exercise, Wellness and Function

**Instructors:** Patricia Culotti, Master Teacher  
 Michael Culotti, Certified Instructor

**Prerequisite:** None

*Approved by the Wisconsin Physical Therapy Association for 12 contact hours. and Approved by NCCAOM\* for 13 PDA's Professional Development Activity points*

*"... A remarkable gift to the world of rehabilitation... makes a very strong connection between the exercise form and its applicability in the clinical environment... brilliant and inspired work."*

—Jennifer Bottomley, PT, PhD, MS,  
 President, Geriatric Section, APTA

#### Participant Comments:

*"This program is so flexible that it can be used both personally and professionally with relative ease."*

*"This versatile mind/body program helps me stay focused & gives balance to both my body & my life."*

*"As a long term tai chi practitioner, TCF has helped me more clearly monitor my own movements and better teach my students."*

\* Wisconsin Physical Therapy Association Approval

\*National Certification Commission for Acupuncture and Oriental Medicine (NCCAOM) Provider

## PROGRAM DESCRIPTION

**The Tai Chi Fundamentals® Program (TCF)** provides a prequel and support to a lineage tai chi form, and creates a bridge between tai chi practice and the medical model. The first program of its kind, it provides a clear, systematic approach for mastering tai chi basics that builds from simple to complex patterns of movement. Integrates mind/body components of tai chi with clinical overview, movement analysis, therapeutic & functional applications.

**Program Elements:** movements are taught in a motor development progression. Can be practiced with walkers and has been modified for wheelchair use.

Includes three elements:

- **Movement Patterns:** graded sequence of exercises that reinforce functional movements repeated throughout the Tai Chi form. Introduced in a motor development sequence, applications for assessment and intervention.
- **Tai Chi Fundamentals Form:** sequence of simple to more complex movements of modified Yang Style Tai Chi.
- **Mind/Body Principles:** foster mind/body integration; enhance breathing, relaxation, sensorimotor skills, proprioception and sense of well-being.

**Development:** in 1996 by Tricia Yu, MA and Jill Johnson, MS, PT, targeting of elements tai chi that enhance balance, coordination, strength and endurance.

**The TCF Program has been featured in:** *Physical Therapy Journal, Journal of Rehab Management, The Gerontologist, APTA's Geri Notes, Medline Plus, Topics in Geriatric Rehabilitation, Journal of Asian Martial Arts, Wellness Program Management Advisor, American College of Sports Medicine's Health and Fitness Journal, and Massage and Bodywork.*

## COURSE DESCRIPTION

*Prerequisite: None. Open to Beginners*

This interactive seminar provides you with tools and skills to begin applying tai chi in your practice. The course teaches you, in a motor development progression, to perform basic movements of tai chi, and to apply tai chi as an assessment and intervention tool. The course combines lecture, movement labs, qigong training and discussions on biomechanics, applications and documentation. This course qualifies as partial contact hours fulfillment for *TCF Instructor Certification Levels One and Two*. For more information see CERTIFICATION.

## COURSE OBJECTIVES

- 1) Demonstrate the 12 TCF Movement Patterns
- 2) Perform first section of the TCF form
- 3) Describe TCF's medical, biomechanical & functional benefits
- 4) Apply tai chi as therapeutic exercise for rehabilitation and wellness programs
- 5) Document tai chi as part of therapeutic treatment intervention
- 5) Guide basic exercises for sensing qi

## APPLICATIONS

Balance dysfunction, orthopedic and neurological rehabilitation, pain management, sports cross training, cardiovascular and respiratory diseases, medically complex, chronic fatigue, fibromyalgia, and special populations. Use in hospitals, sub-acute, outpatient clinics, and home care. Teach groups of all ages and fitness levels in community wellness classes, health clubs, tai chi & martial arts schools, senior centers and long term care facilities.

## AUDIENCE

Physical and Occupational Therapists, Nurses, Activity Directors, Recreational and Fitness Professionals, Tai Chi and other Martial Arts Instructors, Acupuncturists, and Integrative Health Practitioners

## FEES

**2-day Course: \$310**

**1-day Course: \$185**

**\$30** late fee & no refunds after registration deadline date

## REQUIRED COURSE MATERIALS from

[www.taichihealth.com](http://www.taichihealth.com) or 800-488-4940

**Complete Program Set: \$125\*** includes the following 2 sets:

- o **Professional Set:** TCF for Health Professionals and Instructors text and video/DVD.
- o **Personal Practice Set:** Tai Chi Mind & Body text and TCF: for Mastering Tai Chi Basics instructional video/DVD

*\*You may purchase the Personal Practice Set only (\$55) if you do not want materials that include biomechanics analysis. Complete Program Set is recommended for Certification in TCF.*

# Tai Chi Fundamentals® Program Professional Training Seminar Levels One and Two

## Applications: Therapeutic Exercise, Wellness and Function
