

HOW TO REQUEST REIMBURSEMENT FROM YOUR HEALTHCARE ACCOUNT

This form is to be used to **request reimbursement for healthcare expenses only**. To view a detailed list of eligible medical expenses, visit www.myshps.com. All healthcare expenses should first be filed under your employer's healthcare plan or any other coverage you may have. Generally, eligible expenses include: allowable expenses covered but not fully reimbursed by any benefit plans, such as co-payments; and allowable expenses NOT covered by any benefit plans, such as over-the-counter medicines.

Step 1: Fill out the form

- Please print in capital letters, with your letters centered in the boxes provided and fill in all ovals as shown:

A	B	C	D		1	2	3	4
---	---	---	---	--	---	---	---	---

YES NO

- **For Section 2 & 5: Complete a separate line for each individual expense. Do not lump expenses together.**

- Complete all sections of the form. Sign and date the bottom of the form.
- If your expenses exceed the number of lines provided, please use page 3.

Step 2: Attach supporting documentation

- Copy your receipts or other supporting documentation onto a white, letter-sized sheet of paper. Place your receipts so they all face the same direction. And write your Social Security Number or employee ID at the top of the page.

Step 3: Submit your form (Faxing is faster)

- By Fax: Send the form and copied receipts together as one fax. Do not include a fax cover sheet.
- By Mail: Place the form and the supporting documentation into an envelope, apply the correct postage, and mail.
- If you provide your e-mail address, SHPS will e-mail you confirmation we received your form.
- Keep a copy of your completed form and receipts for your records.

Step 4: Receive your reimbursement (Direct Deposit is faster)

- By using Direct Deposit or Electronic Funds Transfer (EFT), you'll receive your reimbursement funds up to five days faster than by receiving a check. To sign up, log in to your account at www.myshps.com and select "Direct Deposit Sign-Up" from the left-side menu.

Type of Supporting Documentation:

- Itemized receipt from your medical, dental or vision provider or pharmacy
- Itemized receipt for over-the-counter medicines—must show the name of the product
- Detailed statement, such as an Explanation of Benefits (EOB) from your insurance company or healthcare provider
- Documentation must show:
 - Date of service or purchase
 - Type of service or name of product
 - Amount (your portion of payment)

Please Do NOT:

- Use red ink
- Use a photocopy of the form
- Highlight receipts or any part of the form
- Staple your copied receipts to the form
- Write outside the boxes provided
- If faxing, fax the same form more than once
- Mail the same form that you have faxed
- Include this instruction sheet with your fax
- Submit expenses for multiple plan years on the same form

New IRS Tax Dependent Definition:

A recent change to the Internal Revenue Code revised the definition of "dependent." Generally speaking, a qualifying child must reside with you for more than half the year and must not provide over half of his/her own support. A qualifying relative is an eligible individual if (1) you provide more than half of the individual's support, and (2) the individual is not a qualifying child of you or any other taxpayer. **Please note that any questions regarding the status of an individual as either a qualifying child or a qualifying relative must be discussed with a qualified tax advisor in conjunction with the provisions of your employer's plan.**
