To register for the EQUASS Assurance Auditor Training and Calibration, please fill out this form and send it to the EQUASS Secretariat (contact details at the top of the page) by **Friday 11 November 2011**. You also need to include an updated CV in English, following the EQUASS CV template. Your registration will be confirmed by the EQUASS Secretariat and you will be allowed to attend the training only after the reception of your registration fee.

Qualified EQUASS Assurance auditors who need to calibrate their expertise are welcome to attend either the first day of the 3-day training programme, which is a focused basic calibration session, or the full 3 days for a more in-depth training involving case studies.

You will receive a USB key with all the necessary documentation at the beginning of the session. If possible, please bring your own laptop to the training.
