Tuesday

TSP Recertification 10am - 5pm

This training satisfies new certification requirements for USDA Technical Service Providers. The training expands on last year's TSP sessions by focusing on the Windows Pesticide Screening Tool (WIN-PST) and selecting mitigation to reduce environmental risk.

Plenary Session & Annual Meeting 1pm - 5pm

Powerful keynote address and two hard hitting presentations, followed by the election of Board Members and Annual report delivery.

Ice Breaker Reception 5pm - 6:30pm

The Popular "Ice Breaker" reception will be held in the exhibit hall.

Wednesday

CPM Short Course 8am - 5pm

The CPM Short Course's General Session will continue with the energy theme when Drs. Hans Jung, Wally Wilhelm, Michael Russelle and Joe Lauer present and discuss the challenges and opportunities that lay ahead for the cellulosic ethanol to become a reality and for corn based ethanol to thrive in Minnesota. The afternoon concurrent sessions focus on corn production and improving the application of crop protection products.

Pesticide Applicator Recertification Program (formerly PAT Recertification) 8am - 5pm

This is your last chance to recertify your pesticide applicator license for categories A (Core) and C (Field Crop Pest Management) in 2007. You must register for the pesticide recertification program but may attend all 3 days.

Thursday

CPM Short Course 8am - 3pm

Concurrent sessions continue focusing on a wealth of pests, crop and fertility management topics including the biology of insecticide resistance, the value of soil testing for nitrogen recommendations, the effectiveness of the soybean aphid resistance gene, and the progress in management of IDC. The 2007 CPM Short Course and MCPR Trade Show will end on 3:00 p.m. on Thursday afternoon.
