FLEXI MONEY PLAN

WELCOME!

As the official food service contractor for YVCC, we are committed to serving students, faculty and college Employees with quality food and customer service. As part of our services, we offer Flexi Money Program to all students and college staffs. Flexi Money allows a user to put money on his or her account (YVCC I.D. number) and spend it as a form of debit card. Flexi Money is offered at discounted rates, which Means you can save money while enjoying the advantage of not having to carry cash all the time. Unlike a gift card that can be lost, Flexi Money is stored in your account, so there is no risk of losing the card Money. The Flexi Money may be purchased and used at any of our three food service locations on Campus – *Yakima College Grill* and *Hub Espresso Café* located in the Hopf Union Building (HUB) and *Sundquist Café* on the south campus..

Flexi Money may be purchased in any amount over \$50. Flexi Money may be used throughout the entire academic year, i.e. Fall, Winter and Spring Quarters. However, Flexi Money is nontransferable between student accounts and has no cash refund value at the end of an academic year. Note that no refund will be given for any unused Flexi Money balances. This means any Flexi Money that is not used up by the end of the academic year will not be transferred to the following summer session or the following academic year.
