**EXPLANATIONS**

**B9F (Official Form 9F) (12/07)**

Filing of Chapter 11 Bankruptcy Case	A bankruptcy case under Chapter 11 of the Bankruptcy Code (title 11, United States Code) has been filed in this court by or against the debtor(s) listed on the front side, and an order for relief has been entered. Chapter 11 allows a debtor to reorganize or liquidate pursuant to a plan. A plan is not effective unless confirmed by the court. You may be sent a copy of the plan and a disclosure statement telling you about the plan, and you might have the opportunity to vote on the plan. You will be sent notice of the date of the confirmation hearing, and you may object to confirmation of the plan and attend the confirmation hearing. Unless a trustee is serving, the debtor will remain in possession of the debtor's property and may continue to operate any business.
<b>Legal Advice</b>	Neither the Court nor the staff of the bankruptcy clerk's office can give you legal advice. You may want to consult an attorney to protect your rights.
Creditors Generally May Not Take Certain Actions	Prohibited collection actions are listed in Bankruptcy Code § 362. Common examples of prohibited actions include contacting the debtor by telephone, mail or otherwise to demand repayment; taking actions to collect money or obtain property from the debtor; repossessing the debtor's property; and starting or continuing lawsuits or foreclosures. Under certain circumstances, the stay may be limited to 30 days or not exist at all, although the debtor can request the court to extend or impose a stay.
Meeting of Creditors	A meeting of creditors is scheduled for the date, time and location listed on the front side. <i>The debtor's representative must be present at the meeting to be questioned under oath by the trustee and by creditors.</i> Creditors are welcome to attend, but are not required to do so. The meeting may be continued and concluded at a later date without further notice. The court, after notice and a hearing, may order that the United States trustee not convene the meeting if the debtor has filed a plan for which the debtor solicited acceptances before filing the case.
Claims	A Proof of Claim is a signed statement describing a creditor's claim. If a Proof of Claim form is not included with this notice, you can obtain one at any bankruptcy clerk's office. You may look at the schedules that have been or will be filed at the bankruptcy clerk's office. If your claim is scheduled and is <i>not</i> listed as disputed, contingent, or unliquidated, it will be allowed in the amount scheduled unless you filed a Proof of Claim or you are sent further notice about the claim. Whether or not your claim is scheduled, you are permitted to file a Proof of Claim. If your claim is not listed at all <i>or</i> if your claim is listed as disputed, contingent, or unliquidated, then you must file a Proof of Claim or you might not be paid any money on your claim and may be unable to vote on the plan. The court has not yet set a deadline to file a Proof of Claim. If a deadline is set, you will be sent another notice. A secured creditor retains rights in its collateral regardless of whether that creditor files a Proof of Claim. Filing a Proof of Claim submits the creditor to the jurisdiction of the bankruptcy court, with consequences a lawyer can explain. For example, a secured creditor who files a Proof of Claim may surrender important nonmonetary rights, including the right to a jury trial. <b>Filing Deadline for a Creditor with a Foreign Address:</b> The deadlines for filing claims will be set in a later court order and will apply to all creditors unless the order provides otherwise. If notice of the order setting the deadline is sent to a creditor at a foreign address, the creditor may file a motion requesting the court to extend the deadline.
Discharge of Debts	Confirmation of a chapter 11 plan may result in a discharge of debts, which may include all or part of your debt. See Bankruptcy Code § 1141(d). A discharge means that you may never try to collect the debt from the debtor, except as provided in the plan. If you believe that a debt owed to you is not dischargeable under Bankruptcy Code § 1141(d)(6)(A), you must start a lawsuit by filing a complaint in the bankruptcy clerk's office by the "Deadline to File a Complaint to Determine Dischargeability of Certain Debts" listed on the front side. The bankruptcy clerk's office must receive the complaint and any required filing fee by that Deadline.
Bankruptcy Clerk's Office	Any paper that you file in this bankruptcy case should be filed at the bankruptcy clerk's office at the address listed on the front side. You may inspect all papers filed, including the list of the debtor's property and debts and the list of the property claimed as exempt, at the bankruptcy clerk's office. See our website: <a href="http://www.ganb.uscourts.gov">www.ganb.uscourts.gov</a>
Creditor with a Foreign Address	Consult a lawyer familiar with United States bankruptcy law if you have any questions regarding your rights in this case.

**Creditor's Name and Address:**

Fill in the name of the person or entity asserting a claim and the name and address of the person who should receive notices issued during the bankruptcy case. A separate space is provided for the payment address if it differs from the notice address. The creditor has a continuing obligation to keep the court informed of its current address. See Federal Rule of Bankruptcy Procedure (FRBP) 2002(g).

State the total amount owed to the creditor on the date of the Bankruptcy filing. Follow the instructions concerning whether to complete items 4 and 5. Check the box if interest or other charges are included in the claim.

**2. Basis for Claim:**

A claim may be partly priority and partly non-priority. For example, in some of the categories, the law limits the amount entitled to priority.

**6. Credits:**

An authorized signature on this proof of claim serves as an acknowledgment that when calculating the amount of the claim, the creditor gave the debtor credit for any payments received toward the debt.

**7. Documents:**

Attach to this proof of claim redacted copies documenting the existence of the debt and of any lien securing the debt. You may also attach a summary. You must also attach copies of documents that evidence perfection of any security interest. You may also attach a summary. FRBP 3001(c) and (d). **DEFINITIONS**

**INFORMATION**

**Debtor**

A debtor is the person, corporation, or other entity that has filed a bankruptcy case.

**Creditor**

A creditor is a person, corporation, or other entity owed a debt by the debtor that arose on or before the date of the bankruptcy filing. See 11 U.S.C. §101 (10).

**Claim**

A claim is the creditor's right to receive payment on a debt that was owed by the debtor that arose on the date of the bankruptcy filing. See 11 U.S.C. §101 (5). A claim may be secured or unsecured.

**Proof of Claim**

A proof of claim is a form used by the creditor to indicate the amount of the debt owed by the debtor on the date of the bankruptcy filing. The creditor must file the form with the clerk of the same bankruptcy court in which the bankruptcy case was filed.

**Secured Claim Under 11 U.S.C. §506(a)**

A secured claim is one backed by a lien on property of the debtor. The claim is secured so long as the creditor has the right to be paid from the property prior to other creditors. The amount of the secured claim cannot exceed the value of the property. Any amount owed to the creditor in excess of the value of the property is an unsecured claim. Examples of liens on property include a mortgage on real estate or a security interest in a car.

A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment is a lien. A claim also may be secured if the creditor owes the debtor money (has a right to setoff).

**Unsecured Claim**

An unsecured claim is one that does not meet the requirements of a secured claim. A claim may be partly unsecured if the amount of the claim exceeds the value of the property on which the creditor has a lien.

**Claim Entitled to Priority Under 11 U.S.C. §507(a)**

Priority claims are certain categories of unsecured claims that are paid from the available money or property in a bankruptcy case before other unsecured claims.

**Redacted**

A document has been redacted when the person filing it has masked, edited out, or otherwise deleted, certain information. A creditor should redact and use only the last four digits of any social-security, individual's tax-identification, or financial-account number, all but the initials of a minor's name and only the year of any person's date of birth.

**Evidence of Perfection**

Evidence of perfection may include a mortgage, lien, certificate of title, financing statement, or other document showing that the lien has been filed or recorded.

**Acknowledgment of Filing of Claim**

To receive acknowledgment of your filing, you may either enclose a stamped self-addressed envelope and a copy of this proof of claim or you may access the court's PACER system ([www.pacer.psc.uscourts.gov](http://www.pacer.psc.uscourts.gov)) for a small fee to view your filed proof of claim.

**Offers to Purchase a Claim**

Certain entities are in the business of purchasing claims for an amount less than the face value of the claims. One or more of these entities may contact the creditor and offer to purchase the claim. Some of the written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court or the debtor. The creditor has no obligation to sell its claim. However, if the creditor decides to sell its claim, any transfer of such claim is subject to FRBP 3001(e), any applicable provisions of the Bankruptcy Code (11 U.S.C. § 101 *et seq.*), and any applicable orders of the bankruptcy court.
