Note: The value of the home you wish to buy (or if you are remortgaging, the property you already own) is very important. A mortgage application can only proceed when an appointed valuer has assessed the value of your property on behalf of Newbury Building Society. The valuer will carry out a visual inspection of the property, but is not required to inspect covered, unexposed or inaccessible parts. The resulting report will put a value on the property as a mortgage security, and will include any factors likely to significantly affect its value. We will send you a copy of this valuation report, but please remember that this is NOT a survey. A valuation will not report any defect, however serious, which is not yet apparent on a reasonably careful visual inspection, nor will it include any defects which the valuer does not feel will materially affect the suitability of the property as security.

We recommend that you consider the need for your own independent full building survey or home buyer report.

If a final inspection is required, a further fee will be payable. Please refer to our Mortgages explained booklet for full information about valuations.

18) What type of valuation do you require? Mortgage Valuation Home Buyer Report and Valuation Full Building Survey

Property insurance

It is a condition of your mortgage that your property is insured for the full cost of rebuilding it. You must maintain buildings insurance for the reinstatement cost as recommended by our valuer and the policy must be index linked.

Protecting your property and its contents is an important decision and you should select the level to meet your own requirements.

If you would like us to provide you with a free no obligation quotation, please tick this box

Please read the following points carefully and raise any questions or ask for further information if you do not understand before signing the declaration on page 22 of this application form.

If I/we do not take advantage of the Society's household insurance, I/we will:

1. Accept sole responsibility for the choice of insurer, the sum insured, the extent of cover and the financial consequences of any terms, conditions or excesses imposed.
2. Ensure the sum insured is not less than the rebuilding figure given in the valuation report and is index-linked annually.
3. Ensure that the cover provided by the policy includes financial protection against loss or damage to the property for all major insurable perils, including but not restricted to: Fire, Flood, Storm, Theft, Escape of Water, Malicious Damage, Subsidence, Landslip and Heave and Legal Liability.
4. Ensure the interest of the Newbury Building Society is noted on the policy.
5. Undertake to pay all premiums as they fall due to maintain the policy cover for the life of the mortgage.
6. Accept the Society has no responsibility for any loss suffered by me/us in connection with the insurance of the property, however caused.

Declaration

Data Protection Act 1998 ("the Act")

I (each of us if more than one is applying) understand that the information given on this form and given during normal operation of my mortgage will be retained by the Lender (the Data Controller) on computer and other records, for the administration of the mortgage for which I am applying, and specifically in the following ways:-

- To use the information obtained on this application form for purposes of underwriting this mortgage. This includes disclosure of relevant information; to the Valuer and the Solicitor, so that they can carry out the lender's requirements and their functions; to employers, landlords, lenders, bankers, accountants and any other third party the Lender reasonably needs to contact for a reference; and to second and subsequent charge holders to postpone that charge where applicable.
- To make enquiries of licensed Credit Reference Agencies (CRAs) (including Equifax Plc and electronic ID verification, who operate the Equifax Europe System) for credit assessment purposes. Such agencies will keep a record of the search. The Lender uses electronic verification for the purposes of verifying identity for money laundering prevention purposes.
- The Lender is required to release payment information (positive or negative) on a monthly basis in order to obtain reciprocal data. CRA data might be used for debt tracing and recovery. The Information Commissioner has been consulted on this scheme and is aware of its operation.
- The Lender may allow access to our records to third party processors where there is a legitimate business need (e.g. to transmit and collect money, investigate complaints, distribute statements and rate change notices, resolve IT issues, develop and test new software) and where the Lender has agreement from the third party processors to comply with all the requirements of the Data Protection Act 1998.
- The Lender may disclose my personal information to general insurance companies where I choose to take out buildings and contents insurance through the Lender. The Lender may disclose my personal information to mortgage indemnity insurers and title insurers where the Lender requires these products. Details of the insurers are available on request. The Lender may disclose personal and payment information to the borrower's Registered Social Landlord or Equity Loan Provider (where applicable), for the purpose of managing financial difficulties and mortgage arrears.
- To register my account details with CRAs who may make them available to other mortgage lenders in the interests of fraud prevention.
- To retain this form, copies of identification, supporting underwriting documents (including references and statements), information relating to transactions on the account, and correspondence. This information will be retained throughout the term of the mortgage to maintain my account and deal with enquiries; and for seven years after the mortgage redeems, for evidential purposes.
- Regulatory authorities (e.g. Financial Conduct Authority and Prudential Regulatory Authority) carry out routine audits for customer protection. The Lender's Auditors may require access to personal records during their enquiries. The Lender might be required to disclose my personal information including sensitive personal data such as criminal convictions. By signing this declaration I am giving consent to such disclosures.
- To provide the services I request; deal with the enquiries I make or authorise to be made; and to contact me regarding my account.
- To produce market research for developing products and services; statistical and business analysis; creating and maintaining a customer profile; and producing management reports.

I (each of us if more than one is applying) declare that:

- I have received a copy of and understand the Mortgages explained booklet, product leaflet, Initial Disclosure Document (IDD) and a Key Facts Illustration (KFI) from the lender, or my intermediary.
- The information provided in this application, is correct, complete and contains all material facts. Where someone has filled in this form on my behalf, I confirm that I have checked the answers given. Specifically my income, my age and my loans are as stated in this application; any refusal for a loan, arrears of more than one month,

County Court Judgements, arrangements with creditors or bankruptcy have been declared herein.

- I undertake to notify the Lender immediately of any change of circumstances or any proposed change to the occupants of the property.
- I am not connected with a Director of the Lender (delete this statement if you are so connected).
- Monies paid to the credit of the mortgage will be paid on behalf of all applicants jointly.

I (each of us if more than one is applying) understand and agree that:

- Any valuation or administration fee paid in respect of this application is non-refundable.
- The Lender's standard valuation report is limited and is for the Lender's use only. The Lender might supply a copy of the report to me, but the report will remain the property of the Lender and there will be no guarantee that the contents of the report are accurate, or adequate for the purpose of deciding whether or not to purchase the property. The Lender strongly recommends that I request a more detailed report and the Lender gives no warranty, representation or assurance in respect of the report.
- Any retention figure in the valuation report cannot be relied upon as an indication of the cost of necessary repairs.
- Where this application is being submitted by an intermediary, that intermediary is acting on my behalf and not on behalf of the Lender. The Lender might provide a fee to the intermediary for introducing the mortgage.
- Before issuing a Mortgage Offer the Lender will undertake an appraisal of my financial standing in order to satisfy itself of my ability to repay the loan. The Lender may withdraw, revise or cancel any offer made in consequence of this application at any time before the loan is granted.
- Where applicable, my solicitor/licensed conveyancer will disclose to the Lender, at the Lender's request, all information relevant to the Lender's decision to lend. I waive any right to claim solicitor/conveyancer client confidentiality or legal privilege in respect of such information. I am responsible for any solicitor/licensed conveyancer fees incurred even if the mortgage does not proceed to completion.
- The Lender has my authority to obtain a redemption statement including all costs and charges from my existing mortgagee.
- The Lender has my authority to obtain the title deeds of my property from wherever the title deeds are currently held (eg existing mortgagee, bank, solicitor). The title deeds will be held to the order of any existing chargeholder pending redemption of the charge(s).
- It is my responsibility to take out appropriate life assurance, general insurance and where the loan is interest only, have suitable means of repaying the mortgage.
- I will, on completion of the advance, be bound by the Lender's Rules and Mortgage Conditions.
- Where Additional Security is required, I understand that it is for the Lender's benefit only and the Insurer can seek payment from me for any shortfall. The Lender discloses information on any arrears that accrue to the insurer.
- The Lender may add any unpaid fees to the mortgage, if I have been notified they are due.
- Where the Lender has been asked to consider a Guarantor(s) in support of my application, I give consent to the disclosure of all confidential information to the person(s) giving the guarantee or their legal adviser.
- If I am applying with another person jointly, a financial association will be created at the Credit Reference Agency (CRA) and will continue to be taken into account in future credit searches for either or both of us until they are notified otherwise of a disassociation.
- Any negative information reported by the Lender may impair my ability to obtain credit.
- I may at any time request in writing, upon payment of a fee, a copy of any personal information held about me by the Lender and have any inaccurate information corrected.

All applicants (including guarantors) to sign

PLEASE ALSO ENSURE YOU COMPLETE AND SIGN THE DIRECT DEBIT GUARANTEE ON PAGE 17

Guarantors are strongly advised to obtain legal advice from a solicitor independent of the borrower(s) and the Lender.
