Sizing Information

Our size chart is a general guide. However, due to variations in manufacturers' sizing, not all items will fit exactly the same. **We suggest calling Customer Service with your child's measurements for assistance in ordering the correct size.** We will do our best to help you with the correct fit. More sizing information is also available for many items in the online store.

HOW TO MEASURE:

Chest: Measure around the fullest part of chest; keep tape under arms and across shoulder blades.

Waist: Measure over body, not over clothing at the height your waistband usually falls. Keep one finger between tape and body.

Hips: Feet together. Measure at fullest part.
