CLAIM FOR MEDICAL BENEFITS
MEMBER'S FORM

ITEMS TO REMEMBER WHEN RECEIVING HEALTH CARE SERVICES

Whenever you or your dependents, enrolled under this plan, receive care from a physician, hospital or care from another provider of healthcare services, identify yourself as a Cox HealthPlans member by presenting your identification card. In most situations the providers of service will file the claims for you. If your provider refuses to file the claim, you must file the claim yourself using this claim form. This would include any out-of-network or out-of-area provider.

Please follow the instructions listed below.

FILING CLAIMS

1. Each patient must complete a separate claim form.

2. Each course of treatment or medical case will require an individual claim form.

3. Itemized bills must be included with each completed claim form. Information required on each bill:

   A. Patient's name
   B. Provider's name and address
   C. Date(s) of service
   D. CPT codes or descriptions of services
   E. The charge for each service rendered
   F. Patient's medical diagnosis

   Claims submitted on HCFA forms, Superbills and UB92 forms are all customary and acceptable.

4. There is no limitation to the number of bills attached to each claim form.

5. "Balance due" bills or "professional services rendered" bills are not acceptable.

6. Claims should be submitted by the end of the year in which the services are incurred, if possible. Claims older than one year will not be accepted.

7. When submitting bills for reimbursement, they must be marked paid by the provider's office.

8. If other group health coverage exists, that is primary to this plan, then submit claims to that carrier first. After you have received the primary carrier's explanation of benefit (EOB), send a copy of the EOB with this claim form to Cox HealthPlans for claim consideration.

9. Pharmacy bills for reimbursement must have the pharmacy letterhead or pharmacist's signature, prescription number and drug name. The National Drug Code number is acceptable in lieu of the drug name with the pharmacist's signature. Register receipts or paid receipts are not acceptable.
