Required Equipment Information - Page 1

FENCING

- ~ Each participant will need to supply their own glove and body cord for the competition.
- ~ Returning competitors must have their own Epee; first time Pentathletes can use a limited number of Epees belonging to Great Prairie™ Sports with a signed use agreement.
- ~ A limited supply of protective clothing and masks will be available.
- ~ General clothing: t-shirt, long white socks so there is no space between the socks and knickers/sweat pants unless pants extend over socks.
- ~ For Men: Athletic supporter with padding or with a metal guard and chest protectors are optional.
- ~ For Women: Chest protectors are **mandatory** but will not be provided for the competition.
- ~ A carpet will be provided to straighten swords. Please do not straighten swords on a wood floor. Damages to the wood floor will be at the responsibility of the athlete.

SWIMMING

- ~ Only FINA approved suits are permitted. Body suits and suits with zippers **are prohibited**.
- ~ Maximum coverage for Women's Suits: from the tops of the knees to shoulder straps with exposed shoulder blades.
- ~ Maximum coverage for Men's Suits: from the tops of the knees to the waist.
- ~ Caps and goggles are permitted.

RIDING

One noticeable change to the 2014 Great Prairie™ Pentathlon presented by Tommy Chicago's Pizzeria is that we forego Riding this year. There will be **no** Riding in 2014. Due to the 2014 Youth Olympic Games, the international calendar pushed the 2014 Youth Worlds from Aug/Sept to May. To provide additional opportunities for youth to prepare for World Championships, we had to move dates. Since there were date conflicts in River Falls, we have moved to Saint Thomas Academy in Mendota Heights, MN for 2014.

Weather

The game plan is to conduct the Combined on the Outdoor Track with the Range on the Football Field and spectators in the stadium bleachers. If weather requires an indoor Range, the Range will be set up in the lobby of the sports complex and the Running course will follow the contours of the parking lots.

Shooting

All participants are encouraged to use their discretion if procuring a new or used pistol. All UIPM sanctioned competitions will now require a laser pistol. We can walk you through the selection and ordering process if needed.

For the 2014 Great Prairie™ Pentathlon, we will use **Laser Pistols with Hit Targets**. A reserve Laser Pistol is also permitted. All pistols will need to be checked at the range.

For the 2014 USA Pentathlon Nationals, we will be using the Laser Pistols/Targets. If you are researching and desiring to procure your own pistol, be sure your pistol is laser compatible for all International, National and future Great Prairie™ Pentathlon competitions.

COMPRESSED AIR WILL BE AVAILABLE TO ALL ATHLETES. PLEASE BRING THE ADAPTER WITH YOU. IF YOU DO NOT BRING YOUR ADAPTER, YOU PROBABLY WILL NOT BE ABLE TO REFILL YOUR PISTOL/CYLINDER. CO2 WILL NOT BE MADE AVAILABLE EITHER BEFORE OR DURING THE COMPETITION.

In general, CO2 pistols are not laser compatible.

Running

A good training shoe is one that is supportive and flexible. Each running shoe is designed for a certain amount of mileage. Those in junior high and high school do not need a shoe designed for marathon training. A shoe that is too stiff may cause more issues with growing bodies. Again, know how much you plan on running and your long term goals. Spikes are permitted for competition, but athletes are encouraged to not procure spikes unless they can be used during cross country or track seasons at the high school/collegiate level.

Combined

- ~ A Pentathlete must wear athletic (i.e. Running) clothing.
- ~ Pentathletes must compete with athletic shoes, with or without spikes.
- ~ Pentathletes will need to shoot a Laser Pistol. If you do not own a Laser Pistol, one will be provided for your use.
- ~ All pistols must be checked in and inspected prior to warm-up.
- ~ Each Pentathlete is encouraged to wear eye/ear protection in the Range.

For those in junior or senior high school, you are highly encouraged to run track for your school this spring (Jr High: 800m and/or 1600m; Sr High: 1600m and/or 3200m). This will create the training base needed for the Running element of Pentathlon. Anyone who does not run on their track team will be at a competitive disadvantage. Training schedules will be provided to anyone who desires such assistance.

Group training sessions will be offered as requested or feel free to join the Great Prairie™ Running Club.

General Comments

1. Of the many goals of producing the Great Prairie™ Pentathlon, one is to prepare - regardless of age - all athletes for higher levels of competition. As one progresses to National, World and Olympic championships, athletes are sequestered. In that spirit, we ask for the athletes to prepare for and in-between disciplines on their own. While there are locker rooms available at Saint Thomas Academy for Fencing and Swimming, unless there is a medical emergency, only athletes will be permitted in the locker room. This will not only allow more space, but will allow the athlete to dress and prepare on their own.
2. Please bring all Fencing equipment and travel bags into the gymnasium and not leave them unattended in the hallway.
3. Lockers are plentiful at Saint Thomas Academy. However, each athlete will need to furnish their own lock(s). Athletes will also need to supply their own towels. Athletes should also have any food and beverage needed with them during these times. Athletes are encouraged to prepare accordingly as they can not visit the bleacher areas.
4. Athletes should prepare and plan to change three times at Saint Thomas Academy:
 - A. Into their Fencing equipment
 - B. From Fencing to Swimming (please shower before leaving the locker room for the Swimming element)
 - C. From Swimming to Running for the Combined
5. Parents are asked to remain in the bleachers in both the Gymnasium for the Fencing element and in the Pool area for the Swimming element. The only individuals on the floor of the Gymnasium and the deck of the Pool will be the athletes, judges and volunteers officiating those disciplines.

General Comments

6. While we will do our best to follow the rules established by UIPM, with some local modifications. We do encourage all Athletes and volunteers to read the rules to become familiar with the expectations of each discipline. All Pentathlon rules can be found here:
http://www.pentathlon.org/index.php?option=com_content&view=article&id=159&Itemid=148
7. During the Combined element, spectators are permitted to observe the race from multiple vantage points, but most will remain near the Range. Spectators will need to observe the Spectator Area at the Range. While encouragement and cheers are welcomed, coaching, pacing and handing any beverage to any Athlete is prohibited.
8. Bring your own snacks/energy bars to consume between disciplines. However, the Lunch/Awards ceremony presented by Tommy Chicago's Pizzeria will occur at the conclusion of the Combined event.
