This entire 4-page application must be completed and returned to the Lake Land College Foundation office **by 5:00 p.m. March 1** to be considered for a scholarship for the following academic year. Applications received after that time will be considered as scholarships become available, funding permits, and individual needs are determined. You are encouraged to apply online at **www.lakelandcollege.edu/foundation**.

Only one application needs to be submitted for consideration of most scholarships. An additional application is required for the LLC Faculty Association scholarship, John Deere Ag Tech scholarship and the Presidential Scholarship. Please contact the Foundation Office at (217) 234-5445 for information on these scholarships. Current recipients must reapply.

To be considered for a scholarship, students must submit an application for admission to Lake Land College and be officially enrolled for a minimum of 12 semester hours, or be classified to be full-time by program of study. Students are strongly encouraged to complete a Free Application for Federal/Student Aid (FAFSA). Contact the office of Financial Aid to apply for Federal Financial Aid. **Applications MUST be fully completed. Any fields left incomplete may result in your application being rejected.**

For a listing of scholarships please refer to the Foundation's website at www.lakelandcollege.edu/foundation or the current College Catalog.

Personal Statement - Required

Scholarships are awarded to Lake Land College students based on the following four criteria. Please complete each with an essay of approximately 100 words each:

1.) Describe your career aspirations and your educational plans to meet these goals.
2.) Explain how you have helped your family and/or made your community a better place to live.
3.) Describe your financial situation and how a Foundation Scholarship can help you achieve your educational goals.
4.) Describe a significant change or experience that has occurred in your life. How did you respond and what did you learn about yourself?

Please prepare your personal statement carefully by addressing each of the four criteria. Detailed essays and use of proper grammar will dramatically increase your chances of receiving a scholarship through the Foundation. Limit your comments to one page and attach it to your application.

Handwritten comments will not be accepted.

Please Note!

The Application deadline for students who plan to apply for Lake Land College Foundation Scholarships is **March 1**. Applications received after that time will be considered as scholarships become available, funding permits, and individual needs are determined. Students graduating from high school and adults of any age who are returning to school are encouraged to apply. Those students who received a Lake Land College Foundation Scholarship for the current school year and wish to be considered for the upcoming year must reapply.

All information is subject to verification by the Lake Land College Foundation
