Revision 2-09

SAN DIEGUITO UNION HIGH SCHOOL DISTRICT

Verification of Residency

The California Attorney General has concluded that, with limited exceptions, a child must attend school in the district where the child's parent or guardian resides, rather than where the child lives. Therefore, a child who lives apart from his or her parents or guardians must still attend school in a district in which a parent or guardian resides. (Guardian is defined as court appointed legal guardian, "blood relative," or Caregiver.)

There are a few exceptions to the general rule. An exception is made for a child who has been placed in a licensed institution, a licensed home, or a state hospital. A further exception is made for a child granted an interdistrict attendance permit in accordance with Education Code Section 46600, *et seq.* There is also an exception for a child who is legally emancipated through judicial declaration, marriage, or military service.
