

**OKLAHOMA MESONET WEATHER CAMP
JUNE 10-15, 2012**

SCHOLARSHIP APPLICATION

Scholarships for the summer program are based on financial need, extenuating circumstances and/or academic merit. Please include the following as part of your scholarship application:

- The attached two-page application form
- A brief essay explaining why you are applying for the scholarship.
Please limit essay to one page.

The program calls the applicant's attention to the fact that the money available for scholarships is limited. Awarding scholarships in cases where the need is not acute may deprive others of the opportunity of a scholarship. Two full scholarships and three scholarships in the amount of \$150 are available.

The information supplied by the applicant will be considered confidential. It will not be made available to any individual or group not directly concerned with the granting of Weather Camp scholarships.

Please note: No scholarship application will be considered until the total application process is complete and the committee believes that the applicant will make a commitment to fully participate in the program. The program application (biographical information, class selection, letters of recommendation, etc.) is part of the scholarship application process and needs to be completed and sent in, along with the deposit, to be considered for a scholarship.

Deposits will be refunded if you are not selected for a scholarship and the student decides not to attend the summer program.

SCHOLARSHIP APPLICATION DEADLINE: March 30, 2012. If mailing application, please postmark by March 30, 2012. Applications may be emailed to: hollymills@ou.edu or mailed to: Holly Mills
Precollegiate Programs
1600 South Jenkins Avenue
Norman, Oklahoma 73072

Written notification on the status of the application will be mailed no later than April 13, 2012.

Please check to see that the scholarship application is complete. Do not leave any blanks. Applications that are incomplete will not be considered. The Oklahoma Mesonet Weather Camp program application, with supporting documents and deposit are part of the scholarship process.
