Thank you for your interest in getting your pet fixed! There are too many pets without homes in the North Platte area. Getting your pet spayed or neutered you will help PAWS-itive Partners reduce the problem of pet over-population in the future. Our funds are limited and we want to help the pet owners who truly need financial assistance, so if you can pay for the spay/neuter surgery yourself, please allow us to use our funds to provide assistance to someone who is truly in financial need.

Please fill out this form, one per animal, if you feel you qualify for assistance. This is a request form only, not an approval for assistance. Return this completed form to: PAWS-itive Partners Humane Society, P.O.Box 1145, North Platte, NE 69103. When you receive a voucher in the mail, this will be your go ahead for our assistance.

PPHS does not issue spay/neuter vouchers as reimbursement for surgeries that have been performed prior to submitting the application and receiving the voucher. The Get 'Em Fixed program is targeted toward helping companion (tame) cats and dogs. PPHS generally helps with 1/3 the cost of the surgery for companion animals (based on the average cost of non-complicated spay/neuter surgeries in the area). That figure may be reduced for non-companion animals. PPHS reserves the right to limit the number of animals per person receiving spay/neuter assistance or to reject any application.
