### LLB Cattle Affidavit

Producers **MUST** sign and complete in full the appropriate segment of this affidavit. The signed original should be provided to an LLB Representative.

**The cattle represented in this document uphold all of Laura's Lean Beef Standards, specifically:**

- Raised using humane animal handling practices and subject to an on-site evaluation in accordance to MNF Guidelines.
- Have received MNF Pre-Harvest Standards for use of Direct Fed Microbial (DFM) or other products during the finishing phase.
- Never been administered any growth implants or synthetic hormones.
- Never received ionophores, antibiotics, or beta-agonists in any form.
- Cattle are 100% vegetarian fed.
- All management records are kept for a minimum of 3 years and made accessible to MNF upon request. (Producers are subject to on-site evaluations on all Standards included on this affidavit).
- These cattle were born and raised in (check one)  United States  Canada
