The camp is geared to handle all levels of skill, and campers are grouped accordingly.

### What:

Each camper is involved in a rigorous schedule with competition and instruction throughout the day and evening. Groups are based on age and skill development (middle school, high school, and advanced). The advanced group is limited to 24 spots that are filled on the first day of camp.

Although the schedule is busy, there is time to relax, get to know other campers, and grow spiritually through devotions, Bible study, and prayer time. The staff seeks to provide quality instruction while emphasizing enjoyment and fun as key elements.
