**2010 Goodwill Industries and Sustainable San Mateo
County
BENEFIT ART AUCTION and ARTIST RECEPTION
“Sustainability for Positive Change”
2010 PROSPECTUS**

Goodwill Industries and Sustainable San Mateo County are seeking original artwork with the theme that would include, but not be limited to sculptures and paintings related to recycling, environmental conservation, and clean energy from artists throughout San Mateo County.

The “*Sustainability for Positive Change*” benefit auction and artist reception will feature local artists on **Thursday, August 12, 2010**. The proceeds from the art auction and reception will directly serve members of our community.

“*Sustainability for Positive Change*” is part of an effort to promote local artists of San Mateo County and highlight their art that relates to recycling, environmental conservation and clean energy.

All proceeds of the art sold at the event will benefit Goodwill Industries and Sustainable San Mateo County. If the artists work does not sell during the auction, the artist has the right to take the art back or donate the art to Goodwill and SSMC to be sold on the Goodwill website with all proceeds to be distributed to both organizations.

Please complete Media, Title, Dimensions, and fill in an Opening Bid Price (suggested 25%-50% of retail price) and the year the piece was completed. Sign the form and enclose it.
