AutoFarm Precision Warranty Policy

(As of June 2006)

Thank you for purchasing your AutoFarm system. AutoFarm provides one of the best warranties in the industry. Register your product within 30 days of install to receive up to 18 months (from documented install date) of free software updates, phone support, and service parts/labor. See details below.

Product	Warranty Coverage
AutoSteer RTK	18 months parts & limited labor
AutoSteer DGPS	12 months parts & limited labor (external receivers excluded)
AutoLevel GPS Leveling	18 months parts & limited labor
AFTracker Impl. Steer.	18 months parts & limited labor on GPS comp. 12 months parts on Tracker hardware

AutoFarm warranties that its products operate without defect during the stated warranty period from date of factory shipment or from *documented* date of install (the “Warranty Period”). During the Warranty Period, if AutoFarm products are defective, AutoFarm agrees to promptly repair or replace the product. These warranties do not extend to: 1) use of product other than in a normal and customary manner, 2) modification of product not in accordance with AutoFarm specifications, 3) normal wear and tear, or 4) damage by force of nature or third-party.

Limitation of Liability: IN NO EVENT WILL AUTOFARM BE LIABLE TO DEALER OR DEALER’S CUSTOMERS FOR ANY INDIRECT, SPECIAL, INCIDENTAL, EXEMPLARY OR CONSEQUENTIAL DAMAGES WHETHER BASED ON WARRANTY, BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY, OR ANY OTHER LEGAL OR EQUITABLE THEORY. IN NO EVENT WILL AUTOFARM’S MAXIMUM AGGREGATE LIABILITY TO DEALER, ARISING IN CONNECTION WITH OR RELATED TO THIS DEALER ALLIANCE AGREEMENT AND PROGRAM, EXCEED THE AMOUNTS ACTUALLY PAID BY THE DEALER TO AUTOFARM DURING THE ONE MONTH PERIOD IMMEDIATELY PRECEDING THE ARISING OF SUCH LIABILITY.

Laws of the state of California govern this Warranty Agreement for hardware, software, and accompanying instructions and manuals. All parties of this Warranty Agreement agree that any disputes will be arbitrated in San Mateo County, California, USA.

Precision Warranty Programs

The following table outlines AutoFarm warranty programs for Precision products. (As of June 2006)

Item	Standard Warranty
Software Maintenance Rev. Updates	Covered (upgrades and modules not covered)
Replacement Hardware	New or refurbished
Damage Due to Power or High Voltage	Not Covered
Damage During Shipping to customer	Covered
Return Shipping, Customer to AutoFarm	Customer Paid
Outbound Shipping, AutoFarm to Customer	AutoFarm Paid (Ground Service)
Turn Around Time At AutoFarm	Not to exceed 5 Business days (shipping time not included)

For warranty claims that conform to the terms outlined below, AutoFarm will pay for the replacement/repair of material, limited labor costs, and outbound shipping.

- 1) AutoFarm system installed by trained technician
- 2) AutoFarm pays a maximum of two hours travel time per warranty claim
- 3) Calibration is part of system maintenance and will not be covered unless needed after replacing a failed part. RMA number must be provided if calibration work is claimed under warranty
- 4) System tuning is not covered - tuning should be completed during the system installation.
- 5) Warranty claims subject to final audit by AutoFarm Technical and Administrative staff.
- 6) Replacement parts covered for the longer of 90 days or balance of original warranty period
- 7) AutoFarm will not pay warranty reimbursement for the following:
 Labor required to move AutoFarm equipment from one vehicle to another; Labor to add or change fields or jobs, create backup disks or calibrate a tractor; Labor to retune vehicles; Labor to update or upgrade software on existing systems within warranty period; Parts or labor on systems that are out of warranty period; Labor for return trips for common parts that should be inventoried and carried by the Dealer; Mileage reimbursement
