RFP No.: 2014-FS

Issue Date: February 12, 2014

Title: Food Service

Location: 1745 Jefferson Davis Hwy, Stafford, VA 22554

The Rappahannock Regional Jail is requesting proposals for the provision of furnishing food services to include inmate, juvenile, and staff meals, seven days/week for an approximate population of 1,475 inmates and 80 juveniles, for a term of one year from July 1, 2014 through June 30, 2015. In addition, the Rappahannock Regional Jail reserves the option of extending the contract on a year-to-year basis for up to four additional one-year periods. Proposals received after 2:00 p.m. on March 28, 2014, will not be considered.

A mandatory Pre-proposal Conference will be held on March 04, 2014 at 10:00 a.m., 1745 Jefferson Davis Highway, Stafford VA 22554. 2. Failure of the Successful Offeror to comply with any section or part of this contract/purchase order will be considered grounds for immediate termination of the contract/purchase order by the Rappahannock Regional Jail.
3. Notwithstanding anything to the contrary contained in the contract/purchase order between the Jail and the Successful Offeror, the Jail may, without prejudice to any other rights it may have, terminate the contract/purchase order for convenience and without cause with 90 days written notice to the Offeror.
4. If the termination clause is used by the Jail, the Offeror will be paid by the Jail for all scheduled work completed satisfactorily by the Successful Offeror up to the termination date set in the written termination notice.

38. Use of Contract by Other Political Jurisdictions:

The Offeror is advised that the resultant contract may be extended with the

authorization of the Offeror, and subject to receipt of necessary approvals to other public bodies of the Commonwealth of Virginia to permit their ordering of supplies at the prices and terms of the resultant contract. If either of such localities decides to use the resultant contract, the Offeror must deal directly with such locality concerning the placement of orders, issuance of purchase orders, contractual disputes, invoicing and payment. The Rappahannock Regional Jail acts only as the Contracting Agent for these jurisdictions and political subdivisions. Failure to extend a contract to any jurisdiction will have no effect on consideration of a proposal. It is the awarded Offeror's responsibility to notify the jurisdictions and political subdivisions of the availability of the contract(s).

Each locality has the option of executing a separate contract with the awardee. Contracts entered into with them may contain general terms and conditions unique to those jurisdictions and political subdivisions covering minority participation, non-discrimination, etc. If, when preparing such a contract, the general terms and conditions of a jurisdiction are unacceptable to the awardee, the awardee may withdraw its extension of the award to that locality. The Rappahannock Regional Jail shall **not** be held liable for any costs or damages incurred by another jurisdiction as result of any award extended to that jurisdiction or political subdivision by the awardee.

39. Authorization to Transact Business In Virginia:

If the Vendor is organized as a stock or non stock corporation, limited liability company, business trust, or limited partnership or is registered as a registered limited liability partnership, the Vendor agrees that during the performance of the contract it is authorized to transact business in the Commonwealth as a domestic or foreign business entity if so required by Title 13.1 or Title 50 of the Code of Virginia or as otherwise required by law.

40. Virginia Freedom of Information Act and Virginia Public Procurement Act:

All proceedings, records, contracts and other public records relating to procurement transactions shall be open to the inspection of any citizen, or any interested person, firm or corporation, in accordance with the Virginia Freedom of Information Act and the Virginia Public Procurement Act.

- a. Cost estimates relating to a proposed procurement transaction prepared by or for a public body shall not be open to public inspection.
- b. Any competitive sealed bidding bidder, upon request, shall be afforded the opportunity to inspect bid records within a reasonable time after the opening of bids but prior to award, except in the event that the Owner decides not to accept any of the bids and to reopen the contract. Otherwise, bid records shall be open to public inspection only after award of the contract. Any competitive negotiation offeror, upon request, shall be afforded the opportunity to inspect proposal records within a reasonable time after the evaluation and negotiations

of proposals are completed but prior to award except in the event that the Owner decides not to accept any of the proposals and to reopen the contract. Otherwise, proposal records shall be open to the public inspection only after award of the contract except as provided in paragraph “c” below. Any inspection of procurement transaction records under this section shall be subject to reasonable restrictions to ensure the security and integrity of the records.

- c. Trade secrets or proprietary information submitted by a bidder, offeror or Vendor in connection with a procurement transaction shall not be subject to public disclosure under the Virginia Freedom of Information Act; however, the bidder, offeror or Vendor must invoke the protections of this section prior to or upon submission of the data or other materials, and must identify the data or other materials to be protected and state the reasons why protection is necessary.
- d. Nothing contained in this section shall be construed to require the Owner, when procuring by “competitive negotiation” (Request for Proposal), to furnish a statement of reasons why a particular proposal was not deemed to be the most advantageous to the Owner.

41. Payment Terms:

The Rappahannock Regional Jail generally pays within 45 days of receipt of invoice (net 45).
