Privacy Notification

The State of California Information Practices Act of 1977 (effective July 1, 1978) requires the University to provide the following information to individuals who are asked to supply information about themselves.

The principal purpose for requesting the information on this form is for conducting job-related background checks on persons filling "critical" positions with responsibility for security of property or people; access to cash, checks, disbursements or receipts; authority for committing financial resources; and/or access to financial and payroll/ personnel systems.

Furnishing all information on this form is mandatory. Failure to provide the information may delay or prevent completion of the action for which the form is being filled out. Information furnished on this form may be used by various University departments for personnel administration and will be transmitted to the federal and state governments as required by law. Individuals have the right to review their own records. The department is responsible for maintaining the information supplied on the Agency Background Check Request Form.
