For Open Credit Accounts, Preseason payment terms are Net 60 with a minimum order requirement of \$2500.00. Any changes to Preseason Orders must be verified in writing by icebreaker 30 days prior to ship date. Any changes of a Preseason Order resulting in net dollar decrease of 5% or more will forfeit Preseason terms and shall be treated as a new order subject to icebreaker Standard Terms.

Standard Payment Terms: Open Credit Account payment terms are Net 60 for all deliveries other than preseason orders. For orders less than \$500.00 a special handling charge may apply.

Other Terms: All orders (Preseason and Standard) will only be shipped to those accounts where there is no past due invoice amounts outstanding at the time of shipment. - (c) we may repossess the products at any time after:
- (i) The due date for payment of any of the products (or any products previously supplied) has passed; or
 - (ii) the appointment of a receiver or liquidator or commencement of liquidation of you, or any other act of insolvency including any attempt to enter into a debt compromise arrangement with your creditors; or
 - (iii) You cease, or give notice of your intention to cease, carrying on business.

Returns, Repairs and Warranties: icebreaker only accepts returns of merchandise if Dealer has first obtained a Return Authorization number from icebreaker Customer Service. Any merchandise returned to icebreaker for any reason other than a covered defect, or if orders are cancelled within 30 days of ship date, a restocking charge of 15% of the order or merchandise amount will apply. If any merchandise is determined by icebreaker to be defective, icebreaker will repair or replace it, at icebreaker's sole option. If repair or replacement can be made within 30 days of receipt by icebreaker, Dealer may elect to be issued a credit for the amount of unshipped defective merchandise. Repair, replacement or issuance of credit as set forth above shall be Dealer's exclusive remedy for claims of defective merchandise and icebreaker provides no other warranties, whether for merchantability or fitness for a particular purpose or otherwise.

Acceptance: In the event of any shortage or discrepancy in or to a shipment of merchandise, Dealer must report the same to icebreaker within ten (10) days of receipt of merchandise and Dealer shall furnish the number and condition of parcels received and the packing list or invoice reference number(s) together with such written or other evidence as may be reasonably required by icebreaker. Icebreaker assumes no liability for any claims made after 45 days. In the case of damaged freight, it is Dealers sole responsibility to notify the delivering carrier immediately of any damages, whether obvious or concealed. All parcels may be insured at Dealer's request and expense.

Dealer and Trans-shipment of Merchandise: The discounting of icebreaker merchandise has not occurred in the past and it is a practice icebreaker continues to strongly discourage. Icebreaker supplies high quality products and service and requests Dealers to provide commensurate customer service which necessitates consistent retail pricing. Discounting lowers the level of Dealer service to the retail customer, which ultimately harms the image of icebreaker's products which Dealer and icebreaker have worked hard to create and protect. Dealer hereby accepts appointment as an icebreaker retail distributor with the understanding that Dealer is being granted the right to sell icebreaker merchandise to the public and not for resale and only at Dealer's retail outlets specifically identified above.

Disputes: In the event of any dispute, controversy or claim arising out of or relating to this purchase of merchandise by dealer from icebreaker the courts of Blaine County, Idaho shall have exclusive jurisdiction and venue. Dealer waives any right to contest personal jurisdiction and the validity of any judgement entered. All hearings shall be conducted in the English language and this Agreement shall be governed by and interpreted in accordance with the laws of the State of Idaho, United States of America.

I (We) Hereby give my (our) acceptance of icebreaker's Terms of Sale.

1. Buying for Resale: The buyer must have an Idaho seller's permit number unless he is a wholesaler who makes no retail sales or an out-of-state retailer with no Idaho business presence (e.g. physical location, representatives or employees, etc.) An Idaho seller's permit number has up to nine digits followed by an "S." **Example: 123456-S.** If the number contains any other letter or is an inappropriate number, such as a federal Employer Identification Number, the certificate is not valid. If you wish to verify a seller's permit number, call any State Tax Commission office.

2. Producer Exemptions: Businesses that produce products for resale can buy goods that are directly and primarily used in the production process without paying tax. Loggers, publishers of free newspapers (with at least 10% editorial content) and broadcasters are granted a similar exemption. - Janitorial or cleaning equipment or supplies
- Maintenance or repair equipment and supplies

Note to seller: You may stamp or imprint a *Producer Exemption Claim* on the front of your invoice. If a customer fills in his exemption claim on a stamped or imprinted statement each time you make an exempt sale to him, you do not have to keep a Form ST-101 on file for the customer. Contact any Tax Commission Office to obtain the required language for the statement.
