Land Acquisition Fund Donations

Enclosed is a donation of _____ in the amount of \$_____ to the Livingston Land Conservancy Land Acquisition Fund.

Donor name and address:

The donation will be utilized for land acquisition that focuses on the acquisition of key properties within the Conservancy's service area. Within the organization's service area, LLC determines which properties should be protected based on their natural resource value, whether they are already linked to protected lands, and if they are threatened by development or change of ownership.

The Livingston Land Conservancy would like to thank you for your contribution. This donation will go directly to helping the Conservancy in its mission of protecting the natural heritage and rural character in the greater Livingston County area.
