Timber Ridge Golf Club, previously named Parlor City Country Club, is a Semi-Private, 18 hole golf course located in Bluffton, Indiana.

Timber Ridge golf course first opened for play in 1924. The golf course, which is situated on a 117-acre tract, was first opened as a nine-hole layout and expanded to 18 holes in the mid-1960s.

Timber Ridge Golf Club - located on the north side of Bluffton, Indiana - has a rich history within the Wells County Golfing Community. Even though the course underwent a name change and opened its doors to the public four years ago, if you were to ask locals to identify the course, most would still refer to Timber Ridge as "The Club" or Parlor City! Although no longer a private country club, Timber Ridge still offers all the amenities found in a private club.

This somewhat demanding course features water hazards or trees in play on almost every hole. The signature hole is #4 with a narrow entrance to the green.

Par for the course is 72. From the back tees the course plays to 6338 yards. The course rating is 69.5 and the slope rating is 115. From the forward tees the course measures 5367 yards. The longest hole on the course is # 7, a par-5 that plays to 547 Yards. The shortest hole on the course is # 6, a par-3 that plays to 136 yards from the back tees. Watch out for # 14, a 418 yard par-4 challenge and the #1 handicap hole on the course. The easiest hole is #5, a 460 yard par-5.
