_____ would like to participate in the Central Illinois Riding Therapy Program. Under the Equine Activity Liability Act, each Participant who engages in an equine activity expressly assumes the risks of engaging in and legal responsibility for injury, loss, or damage to person or property resulting from the risk of equine activities, except in specific situations set forth in the Act. FEE AGREEMENT (Complete & Return)

CIRT endeavors to keep our fees as low as possible for our riders, while maintaining the optimum health of our horses and maintenance of the CIRT facility. Rider fees account for only 21 percent of the operating budget.

Class fees are \$20 per class and the **complete session payment is to be paid during the first week of each session.** Failure to comply with this payment plan could result in elimination from the CIRT program. Riders with a balance due must make arrangements with the Program Coordinator to be allowed to ride.

If you miss or cancel a class, you must still pay for it. If CIRT cancels a class, you will receive a credit in the next session or a refund if you are no longer riding. Please let us know as soon as possible if you are going to be absent. **If you miss three classes in a row without notifying us you will not be allowed to ride in the next session.**

Rider fees are as follows:

- New Rider Registration Fee - \$25 (includes CIRT T-shirt)
- Return Rider Registration Fee - \$20
- One Hour Class (up to 4 riders) - \$20
- ½ Hour Class (up to 2 riders) - \$20
- Horse Show Cost for each Show attending - \$10 plus show class entry fees

Need help with fees?

Partial scholarships are available on a monthly or annual basis for riders who are unable to afford the full fee. Volunteer time credit is also available. Parents or siblings who volunteer time can accumulate 25 volunteer hours, which will then allow for a \$20 credit toward their rider's fee. Volunteer time can be helping with class, office work, baking goodies for concessions stands, working the concessions stands, etc. Contact the CIRT office for details.

The signature of the financially responsible party below signifies the knowledge of and agreement to pay according to the guidelines listed above.
