How to apply

You must apply in person at any one of the new NDLS centres nationwide. Before attending the centre, please read the list of supporting documents required to complete your application. This list can be found on the accompanying guidance notes and at www.ndls.ie. You will not need to provide photographs as your photograph will be taken in the centre. You will also be asked to provide your signature digitally at the time of photograph capture. These will then appear on your learner permit. The centres are open from 9am to 5pm each day Monday to Friday inclusive, and remain open through lunch times. They are also open from 9am to 2pm on Saturdays. Part time centres in Belmullet and Clifden are open from 9am to 4pm one day per week. Any future change of opening hours will be communicated on www.ndls.ie

Book an Appointment

If you wish to book an appointment to apply for your licence you can do so at www.ndls.ie. This service is available online only. You need to have your driver number or PPSN to use the service.

Identity validation

You will need to bring certain documents with you in order to confirm you are the person that is applying for the learner permit. This is an important requirement as it will increase the security of your learner permit and reduce the risk of fraud. This is not intended to inconvenience customers but rather to improve the service for all drivers and to comply with EU Directives and best international practice. All customers must be 'normally resident' in Ireland and will be required to provide documents in support of their application to confirm their residency entitlement, identity, address and PPSN.

A full list of the types of documents that can be used in each category is available on page 4 of the accompanying guidance notes and on www.ndls.ie. We would strongly advise you to review this list before visiting an NDLS centre as **not having the right documents with you will prevent your application from being processed on the day in the NDLS centre**. Any documents you bring with you must be originals – photocopies will not be accepted. Identity documents may be retained by the NDLS to enable the processing of the application. These documents will be returned to you after your application has been processed.

Remember that the documents required to confirm your identity are in addition to any other documents that might be required as part of your application, for example, an eyesight report (required with all first learner permit applications) or medical report or a Theory Test Certificate. If you hold an existing licence or learner permit please bring it with you to NDLS as part of your application package.

Locations

The locations of all of the NDLS centres are included on page 4 of the accompanying guidance notes and are also available on www.ndls.ie

Further information

For further information please refer to the accompanying guidance notes and www.ndls.ie For further support you may email info@ndls.ie

The National Driver Licence Service will accept the following payment methods with your application:

- Cash (where you attend in person at the NDLS centre)
- Cheque
- Bank draft
- Money order
- Debit card / credit card / prepaid credit card

The NDLS will only accept one method of payment for each application. The NDLS will only accept one payment for one application – a single payment for multiple applications will not be accepted.

Cheque, bank drafts or money orders must be made payable to 'National Driver Licence Service (NDLS)'. For applications paid for by cheque, please note that those applications will be placed on hold until the cheque clears.
