

AFFORDABLE HOUSING APPLICATION

Are You Searching for a Quality-Built, Affordable Home in Heber City, Utah?

Utah Housing Corporation partnering with Wasatch County Housing Authority may have the home you've been looking for!

Program Qualification Guidelines

Potential applicants of affordable homes will be qualified on the basis of current household income and household size. The income guidelines are based on the HUD Area Median Income (AMI). Preference is given to first-time homebuyers & essential community workers.

The Applicants must agree to occupy the home as his or her principal residence and cannot rent the unit to another household. To be eligible for the Program, Applicants may not concurrently own any other home, including without limitation any investment, rental, or vacation property. If an applicant owns other homes, the Applicant is eligible for the Program only if escrow closes on the sale of their home concurrently with the close of escrow for the purchase of the program home.

Title to be vested to approved Applicants only. Non-occupying, Applicants (co-borrowers) are not permitted.

Am I eligible to purchase a home?

Eligible buyers must earn less than 80% of the Area Median Income for Wasatch County. Eligibility will be calculated based on your household size and gross annual income. Preference is given to household sizes most suitable to the number of bedrooms in the home. Unborn children are considered in household size. Applicants must also have a generally good credit rating in order to obtain a loan.
