If you are applying by means of reciprocity (a licensee who has not taken the N.E.R.B. exam but who is currently licensed and has worked five years immediately preceding the application to the Board in a state with which New Jersey has reciprocity), please enclose a check or money order for \$250. **Please check with the Board office to verify that New Jersey has reciprocity with your state.** All checks and money orders should be made payable to "State of New Jersey" and sent with this application to: New Jersey State Board of Dentistry, P.O. Box 45005, 124 Halsey Street, 6th Floor, Newark, NJ 07101.

- Make photocopies of the Verification of State License and mail it to each state in which you hold (or have held) a license. The board in each state where you are or have been licensed must fill out the form, stamp it with the board's official seal and mail it directly to: New Jersey State Board of Dentistry, P.O. Medical Conditions Questions

Questions 24 through 29 pertain to medical conditions and use of chemical substances. Please read the definitions carefully. Your responses will be treated confidentially and retained separately. Please be aware that you have the right to elect not to answer those portions of the following questions which inquire as to the illegal use of controlled dangerous substances or activity if you have reasonable cause to believe that answering may expose you to the possibility of criminal prosecution. In that event, you may assert the Fifth Amendment privilege against self-incrimination. Any claim of Fifth Amendment privilege must be made in good faith. If you choose to assert the Fifth Amendment, you must do so in writing. You must fully respond to all other questions on the application. Your application for licensure will be processed if you claim the Fifth Amendment privilege against self-incrimination. You should be aware, however, that you may later be directed by the Attorney General to answer a question that you have refused to answer on the basis of the Fifth Amendment, provided that the Attorney General first grants you immunity afforded by statutory law. (N.J.S.A. 45:1-20.)

“Ability to practice dentistry” is to be construed to include all of the following:

- a. The cognitive capacity to exercise reasonable dental judgments and to learn and keep abreast of professional developments; and
- b. The ability to communicate those judgments and related information to patients and other interested parties, with or without the use of aids or devices, such as voice amplifiers; and
- c. The physical capability to perform the duties of a dentist, with or without the use of aids or devices, such as corrective lenses or hearing aids.

“Medical Condition” includes physiological, mental or psychological conditions or disorders, such as, but not limited to orthopedic, visual, speech and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional or mental illness, specific learning disabilities, H.I.V. disease, tuberculosis, drug addiction and alcoholism.

“Chemical substance” is to be construed to include alcohol, drugs or medications, including those taken pursuant to a valid prescription for legitimate medical purposes and in accordance with the prescriber’s direction, as well as those used illegally.

“Currently” does not mean on the day of, or even in the weeks or months preceding the completion of this application. Rather, it dedemeans recently enough so that the use of drugs may have an ongoing impact on one’s functioning as a licensee, or within the previous two years.

“Illegal use of controlled dangerous substance” means the use of a controlled dangerous substance obtained illegally (e.g. heroin or cocaine) as well as the use of controlled dangerous substances which are not obtained pursuant to a valid prescription or not taken in accordance with the directions of a licensed health care practitioner.

- 24. Do you have a medical condition which in any way impairs or limits your ability to practice your profession with reasonable skill and safety? Yes No
- 25. Are the limitations or impairments caused by your medical condition reduced or ameliorated because you receive ongoing treatment (with or without medications) or participate in a monitoring program**? Yes No Not applicable
- 26. Are the limitations or impairments caused by your medical condition reduced or ameliorated because of the field of practice, the setting or manner in which you have chosen to practice? Yes No Not applicable
- 27. Does your use of chemical substance(s) in any way impair or limit your ability to practice your profession with reasonable skill and safety? Yes No Not applicable
- 28. Have you ever been diagnosed as having or have you ever been treated for pedophilia, exhibitionism or voyeurism? Yes No
- 29. Are you currently engaged in the illegal use of controlled dangerous substances? (Recall that “currently” is defined as “within the last two years.”) Yes No

If you answered “Yes” to question 29, are you currently participating in a supervised rehabilitation program or professional assistance program which monitors you in order to assure that you are not engaging in the illegal use of controlled dangerous substances? Yes No

** If you receive such ongoing treatment or participate in such a monitoring program, the Board will make an individualized assessment of the nature, the severity and the duration of the risks associated with an ongoing medical condition so as to determine whether an unrestricted license or certificate should be issued, whether conditions should be imposed or whether you are not eligible for licensure or certification.
