Getting Started

You can fill out the Senior Medical Benefit Request (SMBR) on your computer, then print it. Or, you can print a blank copy and fill it out by hand. Make sure you sign and date the SMBR on page 10. Then send it with proof of your income, assets, and U.S. citizenship/national status and identity to the one MassHealth Enrollment Center (listed on the SMBR instruction page) that is closest to where you live.

To fill out the SMBR on-line, use the mouse to **click** on the first field you want to fill out **on each page**. Type the necessary information, then press the Tab key to move to the next field, or use the mouse to click on the next field. To fill a check box, click on the box using the mouse, or tab to the field, and when the box has a dotted line around it, press the enter key. If you need to go back to another field, click on that field with your mouse. To go from one page to the next, tab to "Please go to the next page.", and when highlighted, press tab or hit enter, or use the mouse to click on the first field on each page.

After you print the filled-out SMBR, YOU MUST click on the "Clear entire form" button at the bottom of page 10. This will remove all the information you entered on the SMBR so no one can see your personal information.

Please read these instructions before you fill out the application.

Dear Applicant:

This is your application for MassHealth and the Health Safety Net* if you live in Massachusetts and:

- are aged 65 or older and living at home;
- are any age and need long-term-care services in a medical institution;
- are eligible under certain programs to get long-term-care services to live at home; or
- are a member of a married couple living with your spouse and
 - both you and your spouse are applying for MassHealth; and
 - there are no children under age 19 living with you; and
 - one spouse is 65 years of age or older and the other spouse is under 65 years of age. (Please read page 9.)

You will also need to fill out Supplement A: Long-Term-Care Questions (see blue sheet) if you are:

- in an institution, like a nursing home, chronic hospital, or other medical institution (You may have to pay a monthly payment, called a patient-paid amount, to the long-term-care facility. For more information, see page 11 in the MassHealth and You guide.);
- in an acute hospital waiting for placement in a long-term-care facility; or
- living in your home and applying for or getting long-term-care services under the Home- and Community-Based Services Waiver.

This application is also used to apply for **Commonwealth Care**. Commonwealth Care is a program administered by the Commonwealth Health Insurance Connector Authority ("the Health Connector") for certain seniors who are not eligible for MassHealth or Medicare.

Commonwealth Care helps pay for health-insurance premiums for health plans that are approved by the Health Connector. For more information, see page 22 in the MassHealth and You Guide.

After your application is filled out and reviewed, **MassHealth will give** you the most complete coverage that you qualify for.

* This information will be used to determine low-income patient status for provider payments from the Health Safety Net.

There is a different application for you, called a Medical Benefit Request (MBR), if you are:

- any age and both disabled and working 40 or more hours a month or you are currently working and have worked at least 240 hours in the six months before the date of application, and not living with your spouse aged 65 years or older;
- under age 65 and not in a medical institution, and you do not need long-term-care services; or
- aged 65 or older and a parent or caretaker relative of children under age 19.

To get the MBR, call MassHealth Customer Service at 1-800-841-2900 (TTY: 1-800-497-4648 for people with partial or total hearing loss).

This application package contains:

- a Senior Medical Benefit Request (orange form);
- the MassHealth and You guide, which explains who is eligible for MassHealth, Commonwealth Care, and the Health Safety Net, what the income and asset rules are, what medical services you can get under MassHealth, and what your rights and responsibilities are;
- a MassHealth Eligibility Representative Designation Form (If you want someone to act on your behalf, you can use this form to tell us who this person is.);
- an IRS Form 4506; and
- a Personal-Care-Attendant Supplement (gold form).

When you fill out the Senior Medical Benefit Request, remember to:

- Read carefully the *MassHealth and You* guide before you fill out the application. Keep the guide. It may answer questions you have later.
- Answer all questions and fill out all sections that apply to you on the application and, if necessary, the gold form. If you need more space, use a separate sheet of paper (include your name and social security number), and attach it to the application.
- Send proof of all current income before deductions, like copies of pension check stubs. (You do not have to send proof of social security or SSI income, but you must fill out that section of the application.) If you are a disabled working adult, please see the "CommonHealth" section of the MassHealth Member Booklet.
- Send proof of all assets, like bank accounts and life-insurance policies.
- Send proof of U.S. citizenship/national status and proof of identity, like U.S. passports or U.S. naturalization papers. You can also prove U.S. citizenship with a U.S. birth certificate or a U.S. hospital birth record. You can also prove your identity with a driver's license or some other form of government-issued identity card. We may be able to prove your identity through the Massachusetts Registry of Motor Vehicles records if you have a Massachusetts driver's license or a Massachusetts ID card. Once you give MassHealth proof of your U.S. citizenship/national status and identity, you will not have to give us this proof again. You must give proof of identity for all family members who are applying. Seniors and disabled persons who get or can get Medicare or Supplemental Security Income (SSI), or disabled persons who get Social Security Disability (SSDI) do not have to give proof of their U.S. citizenship/national status and identity. (See pages 28-29 in the MassHealth and You guide for complete information about acceptable proofs.)
- Send a copy of both sides of all immigration cards (or other documents that show immigration status) for you or your spouse if you or your spouse are not U.S. citizens/nationals and are applying for MassHealth or Commonwealth Care, except for MassHealth Limited or the Health Safety Net.
- Send copies of your current health-insurance premium bills (like Medex) if you are applying for long-term-care services in a medical facility. (You do not have to send copies of your Medicare cards.)
- Please remember when filling out the "Health Insurance" section on page 4, that:
 - Part A is for listing the health insurance you have now, and Part B is for health insurance you may be eligible for; and
 - you will not be eligible for Commonwealth Care if you have or can get insurance from a government insurance program including, but not limited to: Medicare, TRICARE (dependents of the military), Medical Security Program (through the Division of Unemployment Assistance), or student health insurance from a Massachusetts school.
- Give us a social security number (SSN) or proof that you have applied for an SSN for you (and your spouse) if applying for MassHealth or Commonwealth Care. However, you do not need to give us an SSN or proof you have applied for an SSN to get MassHealth Limited or the Health Safety Net.

- Sign and date all the forms after you finish filling them out. If you are married, your spouse must also sign.
- Submit a filled-out MassHealth Eligibility Representative Designation Form, if you are filling out this application as an eligibility representative or if you want someone to act on your behalf.

If you are applying for long-term-care health benefits in a long-term-care facility, send your filled-out Senior Medical Benefit Request to the one MassHealth Enrollment Center (MEC) that is closest to where you live.

If you need more information about how to apply, or if you need another copy of the Personal-Care-Attendant Supplement for your spouse who is also applying, call MassHealth Customer Service at 1-800-841-2900 (TTY: 1-800-497-4648 for people with partial or total hearing loss).

If you want us to share information about your MassHealth eligibility (including copies of notices we send you) with someone other than your eligibility representative, if you have one, please call MassHealth. We can give you a MassHealth Permission to Share Information Form.

If you have any questions about any form or the information you need to send, please call a MassHealth Enrollment Center at 1-888-665-9993 (TTY: 1-888-665-9997 for people with partial or total hearing loss).

When we get your filled-out, signed, and dated application, we will review it. If more information is needed, we will write or call you. **Once we get all needed information, we will make a decision about your eligibility. We will send you a written notice about this decision.** If you are determined eligible for MassHealth, show this notice right away to any health-care provider if you already paid for medical services that would be covered by MassHealth during your eligibility period. If the health-care provider determines that MassHealth will pay for these services, the provider will refund what you paid.

This is an application for MassHealth, Commonwealth Care, and the Health Safety Net.

You, your spouse, and/or your eligibility representative must read this page carefully, then sign and date it at the bottom.

I give permission for my current and former employers and health insurers to release to MassHealth, the Commonwealth Health Insurance Connector Authority ("the Health Connector"), and the Division of Health Care Finance and Policy any and all information they have about my health-insurance coverage and health-insurance coverage for my spouse. This includes, but is not limited to, information about policies, premiums, coinsurance, deductibles, and covered benefits that are, may be, or should have been available to me or my spouse.

I and my spouse understand that our employers may be notified and billed, in accordance with the regulations of the Division of Health Care Finance and Policy, with regard to any services I and my spouse and any of our dependents may get from hospitals or community health centers that are paid for by the Health Safety Net.

If I or my spouse is found to be eligible for assistance through MassHealth, the Health Connector, or the Division of Health Care Finance and Policy, I give permission to MassHealth, the Health Connector (Commonwealth Care), or the Division of Health Care Finance and Policy (the Health Safety Net) to get any records or data: (1) to prove any information given on this application and any supplements, or other information I give once I am a member; (2) to document medical services claimed or provided; and (3) to support continued eligibility.

I understand that in some cases, MassHealth may place a lien against any real estate that I have a legal interest in. If MassHealth puts a lien against my property and I sell it, I may need to use money I get from the sale of that property to repay MassHealth for medical services that I get.

I understand that if I am aged 55 or older, or I am any age and MassHealth helps pay for my care in a nursing home, MassHealth may be able to get back money from my estate after I die. Under current practice, this does not apply to Commonwealth Care.

I understand that annuity transactions, including purchases and selecting or changing payment plans, entered into on or after February 8, 2006, require that certain conditions are met and that I may not be eligible for payment of long-term-care services unless I provide proof that those conditions have been met. I also understand that the Commonwealth of Massachusetts may be required to be named as a remainder beneficiary of annuities for the total amount of medical assistance paid for the institutionalized individual. I further understand that the Commonwealth may not be removed as the beneficiary, and that eligibility may be ended and benefits recovered if the Commonwealth's position as a remainder beneficiary is not maintained.

I understand that if I or my spouse is in an accident, or we are injured in some other way, and get money from a third party because of that accident or injury, we will need to use that money to repay: (1) MassHealth (for MassHealth) or the Health Connector or my current health insurer (for Commonwealth Care) for certain medical services provided (For MassHealth, these certain medical services are explained in the *MassHealth and You* guide. For Commonwealth Care, these certain medical services must have been provided to me by my health insurer.); or (2) the Division of Health Care Finance and Policy for medical services reimbursed for me and my spouse by the Health Safety Net. I also understand that I must tell MassHealth (for MassHealth), my health insurer (for Commonwealth Care), or the Division of Health Care Finance and Policy (for the Health Safety Net) in writing, within 10 calendar days, or as soon as possible, if I file any insurance claim or lawsuit because of an accident or injury to me or my spouse applying for benefits.

I understand that if I or my spouse is eligible for MassHealth, Commonwealth Care, or the Health Safety Net, I must tell MassHealth of any changes in my or my spouse's income or employment, assets, healthinsurance coverage, health-insurance premiums, and immigration status, or of changes in any other information I gave on this application and any supplements within 10 calendar days of learning of the change.

I also understand that by signing below, I give permission to MassHealth to go after and collect third-party payments for medical care and medical support from my spouse who is living at home and refuses to cooperate or whose whereabouts is unknown.

If I or my spouse is eligible for Commonwealth Care, I understand that I may have to pay a premium set by the Health Connector.

I certify that I have read or have had read to me the information on this application, including any supplements and instruction pages attached to it, and the information in the *MassHealth and You* guide, and that I understand my rights and responsibilities. I further certify under penalty of perjury that the information on this application and any supplements, including those submitted with this application as well as any other supplements, forms, or documents that may be submitted to or required by MassHealth, is correct and complete to the best of my knowledge.

If you are acting on behalf of someone in filling out this application and any supplements, the enclosed MassHealth Eligibility Representative Designation Form must also be filled out and sent back with this application. Your signature on this application and any supplements as an eligibility representative certifies that the information on this application and any supplements, including those submitted with this application as well as any other supplements, forms, or documents that may be submitted to or required by MassHealth, is correct and complete to the best of your knowledge.

If you think MassHealth's decision about whether you are eligible is wrong, you have the right to appeal or file a grievance. If you are denied benefits, you will get information about how to appeal a MassHealth decision and also how to file a grievance about any Health Safety Net decision.
