Veteran's Tuition & Fees Deferment Request & Authorization

By signing below, I acknowledge and understand the following;

- Payment in full of \$ _____ is due by: _____
- This deferment herein does not pay tuition and fees but allows an extension of time to pay tuition and fees not to exceed the above referenced due date unless, at the discretion of EVIT, extenuating circumstances exist.
- If the education benefits indicated are not received, the applicant is still required to pay all deferred tuition & fees that are subject to the institution's refund policies. Withdrawal after the first day of class does not void this obligation.
- Continued eligibility to tuition & fee deferments is conditioned upon good faith compliance with the program's intent and rules and if, in the judgment of the District, one fails to make timely benefit payments or not pay the total amount due by the due date, subsequent tuition & fee deferment eligibility is forfeited.
- Failure to pay all tuition & fees due may result in an encumbrance of academic records, future enrollment registration or other related administrative actions such as late fees and collection costs.

I hereby request a veterans' tuition & fees payment defemerment and certify the information provided herein is true and correct to the best of my knowledge. If my Post 9/11 GI Bill Benefits are not properly certified by the due date shown above I will make payments to Adult Education Student Accounts in the full amount or seek a payment plan on or before that date. I understand tuition & fees must be **paid in full by the above referenced due date or payment plan schedule**. I understand that if I do not comply with the statutory guidelines that I will forfeit deferment entitlement.
