- ✓ **First time Direct PLUS Loan Borrowers:** A Direct PLUS Loan Master Promissory Note must be completed the first time you borrow a Direct PLUS Loan at www.StudentLoans.gov.
 - Log in using your FSA ID (formerly FAFSA PIN), not your student's, and select "Complete A Master Promissory Note".
Note: Do not choose "Request Direct PLUS". NSU does not use this option.
- ✓ **Direct PLUS Loan Credit Approval:** A credit evaluation is required for approval of a PLUS Loan. This is done by the U.S. Department of Education when NSU submits your loan request or credit authorization to them for processing. If your PLUS Loan is denied due to adverse credit, you may either appeal the credit denial, add a credit-worthy co-signer, or we may award your student additional Unsubsidized Direct Stafford Loan (up to \$4000 for freshmen and sophomores or \$5000 for juniors and seniors).

I authorize NSU to apply the Direct Parent PLUS Loan proceeds to my student's account, and to forward any amount that exceeds University charges to my dependent with notification to me of the amount refunded. (With this authorization, a more timely electronic disbursement may be applied to meet your student's expenses.)
